

FUNDRAISING IMPACT REPORT | 2025 2026

THE
PORTSMOUTH
GRAMMAR
SCHOOL

THANK YOU FROM THE HEAD

The power of education lies at the very heart of our school. At PGS, we believe passionately in its ability to change lives: to open doors, broaden horizons and give young people the opportunity to shape their own futures – and, in doing so, make a difference to the wider world.

This is the purpose at the heart of The William Smith Fund. Your support enables us to provide a life-changing education to bright, talented and exceptional young people who might otherwise not have had the opportunity to benefit from all that PGS has to offer. You are helping to create opportunities that transform the future of individuals and their families for generations to come.

This year, 363 generous donors came together to raise more than £617,872. Half of this incredible total was raised through our *Portsmouth100* campaign, marking the centenary of the great city in which our school is based and celebrating PGS's place within its story. I would like to thank every one of our donors for making this possible.

In the pages that follow, you will read the stories of young people who have been nurtured, challenged and inspired to achieve more than they might ever have imagined. These stories are a powerful reminder of what your generosity makes possible. Your support changes individual lives, while enriching our whole community through the contribution of remarkable young people.

As I look ahead to my own time at PGS, I look forward to meeting as many of you as possible and playing my part in building the future of this great school. I do so with enormous gratitude for your generosity, your affection for PGS and your commitment to its next generation.

I would also like to thank our Development Office for their outstanding work. Their achievements have been recognised this year with the IDPE Schools' Award for Ambition and Progress – a wonderful reflection of the extraordinary generosity and commitment of our whole community.

Thank you for being part of the PGS story – and for helping to shape the stories still to come.

Andrew Fisher
Head

YOUR IMPACT

“ Receiving a bursary to attend The Portsmouth Grammar School for Sixth Form was **a truly transformative experience**.

It opened the door to opportunities I may not otherwise have had and played a significant role in shaping both my confidence and personal development.

One of the most valuable aspects of my time at PGS was the encouragement to step outside my comfort zone and fully immerse myself in the wider school community. I became involved in a range of societies and clubs that deepened my interests and broadened my knowledge, while programmes such as Ignite inspired me to explore completely new areas, from criminology to sewing.

What truly sets PGS apart is the way it nurtures students beyond the classroom. The combination of academic support, enrichment opportunities and encouragement to embrace new challenges enabled me to **grow immensely as a person** and **gave me the confidence to flourish** in my Business Entrepreneurship studies at the University of Southampton.

Alongside these opportunities, I also formed **lasting friendships and unforgettable memories that I will always value**. My experience at PGS has had a profound and lasting impact, and I remain incredibly grateful for everything it enabled me to achieve.

Lizzie, OP 2024

“ Being a part of PGS has been **the most enjoyable experience of my life**.

Hearing about and applying for a bursary was a huge step to be a part of **something bigger than just grades**; it was to be part of a well-respected community and to be in **a place where not only my education mattered but I did too**. I remember hearing about the experiences of PGS pupils and alumni and thought ‘that could be me’.

Since starting PGS, I have enjoyed the welcoming attitude of the staff and the students around me. **I feel so proud to be a part of the PGS life** and wish for anyone to experience this as I do.

Louis, current Sixth Form pupil

You can find out more about the different ways to support The William Smith Fund on pages 10-11.

“ I joined PGS at the end of Year 10 under what can only be described as unique circumstances. My school had unexpectedly closed during our preparation for GCSEs, and we were given very little time to find somewhere we could continue our studies at such short notice. It was an incredibly uncertain and stressful time.

If it weren't for the bursary opportunities at PGS, I wouldn't have been able to consider coming here, and I definitely wouldn't be where I am today.

Being awarded a bursary allowed me to continue my GCSEs with little to no disruption to the subjects I had chosen. With the support and encouragement I found at PGS, I was able to achieve higher grades than I had ever hoped for - gaining six 9s and three 8s.

The bursary didn't just help me finish my GCSEs - it allowed me to stay on at PGS for my A Levels and make the most of everything the school had to offer. **I was able to thrive** through extracurricular opportunities, including an EPQ, numerous sporting activities and the privilege of being part of the prefect body.

Today, thanks to the opportunities bursary support made possible, I am studying for a Master's degree in Physics with Nuclear Astrophysics at the University of Surrey.

I want to say a huge thank you to everybody who has contributed to The William Smith Fund, and I hope my story shows just how powerful that support can be.

Jack, OP 2025

Jack performing at The William Smith Fund Summer Celebration

“ Living on the Isle of Wight, I was well aware that if I wanted a high-quality further education, I would have to study off the Island. Having seen my sibling attend PGS and go on to receive offers from some of the country's top universities, **I set my sights on studying at The Portsmouth Grammar School.**

Going into it, I knew that if I wanted to afford PGS, alongside the cost of travelling across the Solent, I would need a bursary. When I received the letter telling me I had been awarded one, I was absolutely over the moon.

Having just completed my first year of A Levels, I can say with complete sincerity that **it has been one of the most eye-opening and transformative experiences of my life.** I owe so much to the amazing teachers and peers who have encouraged me to reach my full potential. Alongside my A Level studies, I have also had so many opportunities to develop my passions, particularly music, in ways I hadn't experienced before. The encouragement and support for pupils to pursue their interests is something that really sets PGS apart.

I don't think the support and opportunities given to me, and to others in similar circumstances, can be overstated. I would like to say a heartfelt thank you to everyone who has donated and provided financial support, helping young people like me access opportunities that can truly shape our futures.

Jacob, current Sixth Form pupil

Right: the Senior School production of Grease

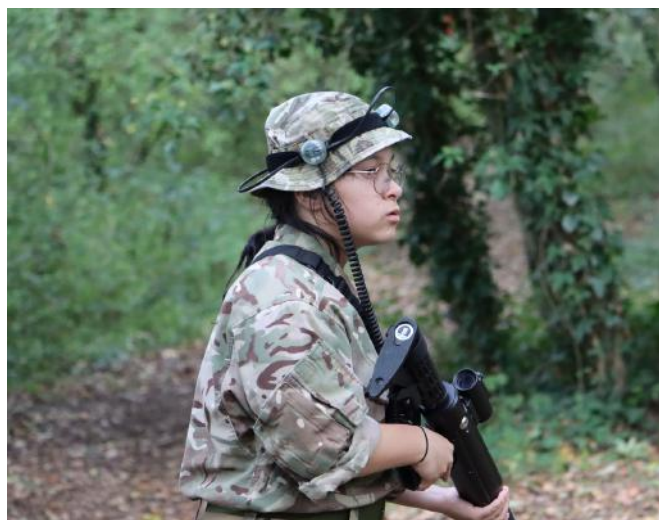

“Something that I am most grateful for in my life is receiving a bursary to attend PGS. I wasn't sure I was going to be able to come here, so I was over the moon when I walked through the arch on the first day of Year 7. **Seeing the community, not just among the students but also the teachers, has greatly impacted me to this day.** Over the years, I've made a big group of brilliant friends and built strong connections with my teachers. **The enormous support in everything that I do throughout my school life has been incredible.**

Not only has my school life been amazing academically, but also through the opportunities beyond the classroom. I'd never have believed I would have the opportunity to take part in CCF, be involved in the outstanding drama productions each year, or join the close-knit LitSoc. PGS has an amazing variety of clubs and societies to join, and school life is far from dull.

The support for your future and career, especially in Sixth Form, does not fall short either, and your teachers always have your best interests at heart. From careers fairs to having an entire day dedicated to helping us write our personal statements, there is **immeasurable support**. I have always been grateful for the experiences this bursary has provided me, and I couldn't ask for a better school to have received it at.

Alexandra, current Sixth Form pupil

Above: at CCF camp

“ Attending PGS and having **access to the incredible experiences and opportunities here** would not have been possible for me without a bursary. Being part of this school has had a significant positive impact on my academic life.

The teachers and wider PGS community have encouraged me to **develop my passions** across many subjects, **challenge myself** academically, and **fuel my ambitions** for the future. I have also enjoyed the many activities beyond the curriculum available at PGS, including the Medics and Literature societies, writing for the Portsmouth Point school blog and magazine, two years in the CCF, and completing my Bronze Duke of Edinburgh Award.

A highlight of my time at PGS since joining the Sixth Form has been working with younger pupils in a variety of academic and pastoral mentoring roles. I have particularly enjoyed supporting them through challenges I have experienced myself.

I am most grateful for the many ways **PGS has helped me develop important skills beyond the classroom**. These include the confidence to communicate my ideas through presentations, speeches in societies, collaborative projects, and wider co-curricular activities. PGS' supportive community has inspired me to share my thoughts and research on a wide range of topics and debates.

Overall, being awarded a bursary and attending PGS has given me opportunities I would not otherwise have had. Thanks to this, I have had a **wonderful experience** at this school during some of the most important years of my life, and one that I will always look back on with pride.

Siha, OP 2026

Left: Pupils performing at the Christmas Concert at St Thomas' Cathedral
Above: Senior School sports day

“ During my first week here, I remember poring over a book in the Memorial Library and **feeling waves of pride, excitement and enthusiasm** for the opportunity to be part of such a prestigious and academic school community.

Living on the Isle of Wight, I always felt a bit isolated in my aspirations at school. At PGS, **I have already been afforded so many indispensable opportunities**, from visiting Parliament and the Supreme Court for Politics, to watching Miss Saigon for my History coursework, attending a Maths Inspirations lecture at another school, and even a trip to Windsor Castle! PGS has made me feel so much more confident about my next steps after Sixth Form and how I can **achieve my dream of using my passions for change-making** in our institutions and a career in the public services.

I have learnt so much from my supportive friends and teachers, which has **enriched me as a person** – and I can only hope I have had the same impact on my peers. Everyone has been attentive, caring and relatable, and I feel like PGS has really helped me thrive. At our school, everyone drives each other to excel, and **I really feel like I am contributing to something great**. I have especially enjoyed helping as a reading mentor and a prefect.

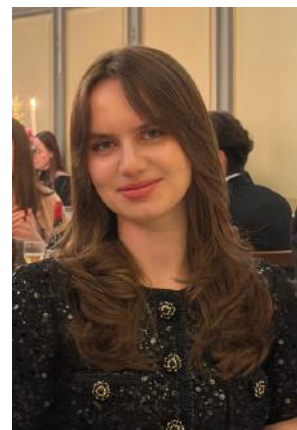

To anyone who has donated, or is even considering donating, thank you. You have the power to change lives, and **I will always treasure your generosity**, which gave me and others less fortunate the chance to succeed.

Aydin, current Sixth Form pupil

“ Receiving a bursary at PGS gave me **an opportunity I could never have imagined** – the chance to immerse myself in British culture and one of the finest education systems in the world.

The first six months were genuinely challenging. Adjusting to a new country and a new way of learning tested me in ways I hadn't expected. But the support I received from teachers at every stage made all the difference.

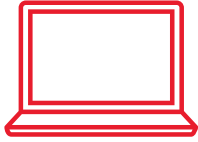

Thanks to the knowledge I gained at PGS, I recently secured a highly competitive 12-month internship at Amazon in London as a Financial Analyst Intern, **something I could not have achieved without this foundation**. Looking further ahead, I plan to pursue a Master's degree in Financial Analytics at London Business School.

PGS doesn't just educate students – it invests in them and gives young people a real chance to prove what they are capable of. I am living proof of that, and I am endlessly grateful.

Sasha, OP 2024

WAYS YOU CAN SUPPORT PGS

Give a one-off or regular gift by setting up a direct debit securely online at **connect.pgs.org.uk/supportus**

Call the Development Office on **02392 364 238** and donate by debit or credit card

Send a cheque made payable to **The Portsmouth Grammar School**, and post to **Development Office, The Portsmouth Grammar School, High Street, Portsmouth, PO1 2LN**

Payroll Giving

PGS is registered with [Charities Trust](#), which provides a payroll giving service. Payroll giving is a simple and tax-efficient way to support PGS.

Donations can be made as either one-off or regular contributions and are deducted directly from your gross salary, meaning you receive immediate tax relief on your gift.

Many companies will match the charitable donations made by their employees. This is sometimes by as much as 2:1, making a significant difference to the value of your giving at no extra cost to you.

To find out more about payroll giving and how to sign up, speak to your employer's HR or Finance department.

Gift Aid - make your gift go even further

Gift Aid is a government scheme that allows eligible charities to increase the value of your donation by 25%, at no additional cost to you.

If you are a UK taxpayer and have paid enough Income Tax or Capital Gains Tax during the relevant tax year to cover the amount we reclaim, you can enable PGS to claim Gift Aid on your donation. You can contact the

Development Office to request a Gift Aid declaration form. We're able to make claims on eligible donations given within the previous four years.

If you pay tax at a rate above the basic rate, you may also be entitled to claim additional tax relief. Further information is available on the [GOV.UK website](#).

Donate from overseas

Donors based in the United States who wish to support the School can make their gift through BSUF, selecting The Portsmouth Grammar School as their preferred institution. BSUF transfers the full value of every donation to the School in sterling, with no deductions for administration or other services. Eligible donors may also benefit from applicable US tax relief. Further information is available at bsuf.org.

Tax-efficient giving is also available for the PGS community across Europe through [Giving Europe](#). To learn more, contact the Development Office.

LEAVING A LEGACY GIFT TO PGS

Since its foundation in 1732, PGS has benefitted enormously from gifts in wills. Just two days before his death, Dr William Smith's final will directed that his gift of land be used to establish a grammar school for the city.

That single act of generosity transformed opportunities for generations of young people in the community he cared so deeply about.

Legacy gifts continue to play a vital role in the School's future. Over the past three years, around 40% of philanthropic income has come from gifts in Wills, helping to fund bursaries, and support the facilities and activities enjoyed by pupils today.

For many people, leaving a gift in their will provides an opportunity to make a lasting difference in a way that may not have been possible during their lifetime.

Tax information

Leaving a gift to charity in your Will can also reduce the Inheritance Tax payable on your estate. Under current rules, the Inheritance Tax threshold is £325,000, with tax

charged at 40% on the value of an estate above this threshold.

Gifts left to registered charities are exempt from Inheritance Tax. If you leave 10% or more of your net estate to charity, the rate of Inheritance Tax on the remaining taxable estate may be reduced to 36%.

Your family and loved ones will always come first, but if you choose to remember The Portsmouth Grammar School in your Will, you can be assured that it will be used thoughtfully and responsibly to benefit future generations of PGS pupils.

Professional advice

We strongly recommend seeking independent legal advice when making or updating your Will. If you are considering leaving a gift to the School, you may find the following suggested wording helpful:

"I give to The Portsmouth Grammar School (registered charity number 1063732) either x% of the residue of my estate or the sum of £... and would like my donation to be used by the school for its general charitable purposes."

Any gift, small or large, will make a significant difference to our future OPs.

Letting us know your intentions

We appreciate that making a Will is a sensitive and highly personal matter, but should you decide to leave a gift to the School, we would love the opportunity to thank you properly during your lifetime.

Sharing your plans with us will also help us understand your wishes and ensure that your gift is used in the way you intend.

You can let us know by contacting Alice Larden, Development Director at a.larden@pgs.org.uk or on **02392 364 248**.

“ I realise how lucky I was to go to a school that gave me such a good education and so many opportunities to develop, I just want to assist others to give them the chance to achieve their dreams too. ”

THANK YOU

Thank you to everyone who has supported The William Smith Fund during the 2025/26 academic year. Whether your gift has been made anonymously or acknowledged by name, your generosity helps create opportunities for PGS pupils to learn, grow and thrive every day.

We are especially grateful to those who have chosen to leave a gift in their Will, denoted in bold. These thoughtful gifts will make a lasting difference, helping to ensure that future generations of PGS pupils can benefit from all that the School has to offer.

BEYOND PGS

The impact of a PGS education goes beyond life within the Arch. Since the inception of The William Smith Fund, 1 in 5 bursary recipients have gone to study at Oxbridge, and 1 in 3 have attended a Russell Group university. PGS bursary recipients have gone on to build careers at, amongst others: England Rugby, the Foreign, Commonwealth & Development Office, Linklaters, JP Morgan, Netflix, PwC, Rolls Royce, the Royal Navy, and Scuderia Ferrari Formula 1.

The Class of 2026 bursary recipients have gone on to study at:

- University of Bath
- University of Birmingham
- University of Bristol
- University of Exeter
- Hull York Medical School
- Imperial College London
- King's College London
- Leeds Conservatoire
- University of Oxford
- University of Southampton
- University of Warwick
- UCL

Degree subjects include:

- Aeronautics
- Artificial Intelligence
- Biomedical Sciences
- Chemical Engineering
- Economics
- History
- Liberal Arts
- Materials Science and Engineering
- Mathematics
- Mechanical Engineering
- Medicine
- Modern Foreign Languages
- Music
- Politics, Philosophy and Economics
- Philosophy
- Psychology

The Class of 2026 receive their A Level results

We're very thankful to the many OPs who have helped to prepare our pupils for life beyond PGS over the past year – by sharing their time, knowledge and experiences. As well as providing interview preparation, networking opportunities and mentoring, OPs have delivered talks across various fields including; engineering, neuroscience, business, mathematics, performing arts, and entrepreneurship.

Please get in touch with the Development Office if you're able to support our pupils in this way.

KEEP IN TOUCH WITH US

Join PGS Connect – Our Growing Global Community!

We're excited to have over 2,400 alumni, parents, and staff on PGS Connect – your online hub for staying in touch, sharing news, and accessing school updates. Younger OPs can connect with others at university or seek career and mentoring advice. For older OPs, it's a great way to reconnect with old friends. Enjoy archive updates, back issues of OPUS, and our events calendar featuring reunions, talks, and networking. You'll even find an online shop full of PGS goodies! Join us at: connect.pgs.org.uk or scan the QR code.

Meet the team

The Development Office are on hand for all your needs, whether it's making a donation, signing up to an event or changing your communication preferences. The best way to get in touch with us is at development@pgs.org.uk or calling **02392 360 036**.
