frequently asked questions

Who can I talk to about my Yourigami® kids play sets?
We're here to help! Chat with us at 1-888-999-0499 (Monday-Friday, 9:30 a.m. – 5:30 p.m. ET) or email yourigami@fxi.com.

Where are Yourigami® play sets made?
We design all play sets in the USA, using foam and fabric covers made in China.
They come with a 1 year warranty, so you can play with peace of mind.

How long does it take for the cushions to fully expand?
Although your play set will expand within 48 hours, it can take up to 1-2 weeks to reach its full potential.
Due to package compression, you might notice some wrinkles in fabric or corners at first. We recommend using your play set as soon as it looks comfy, since movement helps the foam regain its shape.

How do I clean my play set?
Unzip and remove the covers to clean. Machine wash with cold water, on gentle cycle with mild detergent. Tumble dry low. Do not bleach or iron. Spot clean foam with a damp cloth. We recommend checking additional care instructions on the sewn-in tag.

Why does my play set have an odd smell?
Your play set was immediately packaged for your protection, which can result in a slight "new" smell once opened. This smell is harmless and disappears quickly.
