The background of the page is a close-up photograph of several overlapping ceramic plates. Each plate has a light-colored center and a wide, dark brown rim. Between the center and the rim, there is a decorative band filled with a repeating pattern of stylized, overlapping leaves or scales. The leaves are rendered in a light beige or cream color, with fine lines indicating their texture. The plates are arranged in a way that creates a sense of depth and repetition, with the pattern of the leaves creating a rhythmic, organic feel. The overall color palette is warm and earthy, dominated by the browns of the plate rims and the cream/beige of the leaf patterns.
