

MyTcoat

— Commercial Outdoor Furniture —

(855) 637-9616 | mytcoat.com

to the next evolution rcial outdoor furniture!

Our products are a testament to our quality, as shown by their presence in city parks, campgrounds, and recreation sites worldwide. We invite you to explore our products and experience the quality of our craftsmanship firsthand.

Right Delivery:
Our company is fully committed to providing our customers with the fastest lead times in the industry. We understand that our customers' time is extremely valuable, and we have consistently proven that we deliver on our commitment.

Right Price:
As a company, we are vigilant in monitoring market trends and engaging with industry leaders to offer the most competitive pricing in our industry. Although we acknowledge that cheaply made products have entered the market, we maintain a commitment to producing high quality, American made products at the most competitive price.

As a "Three R Company," we are dedicated to cultivating strong and successful relationships with our valued customers; we are excited to expand the MyTCoat family and we look forward to the opportunity of growing together. Robert, Rodney, Troy and the MyTCoat family invite you to contact us for any inquiries. Our team of experts is ready and available to assist you with your site amenities needs. Visit us at our website, www.mytcoat.com, for more information.

TCoat's CORE Values

- **Proprietary Coating**
- **Won't Chip, Crack, or Peel**
- **7-Year Warranty**
- **13 Available Colors**

MyTCoat's Advantage Coating is our proprietary coating unique only to MyTCoat. This state-of-the-art coating will not chip, crack or peel. It doesn't have any drips or runs, and it is the most durable coating on the market. The Advantage coating comes with a 7-year Warranty and is available in 13 Different Colors.

MyTCoat Industry Standard

- **Premium Polyethylene Coating**
- **Best Price in the Industry**
- **5-Year Warranty**
- **13 Available Colors**

When prices are the main factor that will drive your sales, then look to the Industry Standard line. This coating has been proven to withstand the elements at an affordable price. We have the most color options available with a 5-year warranty. 12 colors are available.

MyTCoat Textured

- **Premium Textured**
- **Best Price in the Industry**
- **7-Year Warranty**
- **8 Available Colors**

Looking for a new spin on a reliable classic? We added texture to our Premium Polyethylene Coating for a more scratch and mar resistance with a little added style. 7-year warranty. 6 new colors available.

Hardware & Common Materials

Hardware

- ▶ Corrosion Resistant
- ▶ Chemical Resistant
- ▶ Weathering Resistant

MyTCoat uses Xylan coated hardware that offers the best quality to match our products. Benefits of Xylan Coating are:

- Corrosion and Chemical Resistance
- Weather Resistance – sunlight and salt water
- Wear resistant, even under extreme pressure
- Wider temperature range
