IMPORTANT

Prices can change prior to confirmation of order, as they are based on current fabric costs and are subjected to fluctuating exchange rates.

Slight shade differences may occur between different dye-lots in fabric deliveries, also between different fabric qualities of the same colour, which are commercially acceptable by fabric supplier standards.

All garments are made to order, changes to orders will only be accepted, provided that they are received, in writing, and are not in the production cycle yet.

PACKAGING & DELIVERY

DELIVERY

Delivery can be expected within 8+ weeks of the date of order confirmation, unless otherwise advised. Imagemakers cannot, however, be held

responsible for delivery delays brought about by unforeseen circumstances beyond our control.

For example: Delays in fabric delivery, strikes, etc.

Customers shall not be entitled to cancel such order on the basis of late delivery.

- The delivery charge per garment must be included for postage/packaging. Refer to Price List for delivery charges.
- Orders are delivered by courier service
- Should you confirm in writing that you make your own arrangements, for collection of the goods at our premises, no courier fee will be charged.
- NOTE: There is a minimum delivery charge per order, refer to price list.

SOUTH AFRICA

If Imagemakers courier is used, there is a minimum charge of R150 per order or R10 per garment, whichever is the greater.

FOR NAMIBIA, BOTSWANA, ESWATINI AND LESOTHO
