About Us

Welcome to Sasyora Foods™

A Brand of Neokwicklife Biotech™ Pvt. Ltd.

Neokwicklife Biotech™ Pvt. Ltd. is a versatile enterprise supplying healthcare and high-quality dehydrated food products. Founded by two young entrepreneurs in Pune, the company is driven by commitment to quality, reliability, innovation and customer service.

The company aims to build long-term relationships by delivering consistent quality with transparent business practices.

Sasyora Foods™ – From Indian Farms to the World

Sasyora Foods™ is the dedicated food brand, focused on quality dehydrated agricultural products. The name is inspired by the Sanskrit word “**Sasya**” (सस्य), meaning agricultural produce.

With emphasis on quality sourcing, hygienic processing and consistent standards, **Sasyora Foods™** showcases Indian agriculture to global markets.

Our commitment:

Quality from the farm, integrity in every product.
