Chautauqua Institution is your one-stop vacation experience destination. Looking for a family-friendly concert in a one-of-a-kind open-air amphitheater? We have dozens of shows, all summer long. Seeking to enjoy a signature cocktail or tasty bite with a view of Chautauqua Lake? The porch at the Athenaeum Hotel or the lakeside bar at 3 Taps are ready to greet you. Want to take a class in wine tasting, ceramics or photography? We offer those experiences and many more.

We also present world-class speakers, preachers and artists; boast highly rated golf, tennis, pickleball and sailing facilities; and maintain a picturesque, lakeside National Historic District campus — featuring lush gardens, inviting green spaces, and expressions of every era of American architecture dating to the late 1800s.

Join us during our summer season of artistic, educational, interfaith and recreational programming, or plan a visit during our quieter — but still stunning — spring, fall, and winter seasons. Come see why Chautauqua was recognized for offering the “Best Small Town Cultural Scene” in America by *USA Today*.

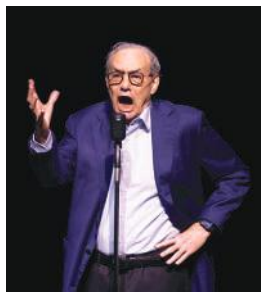

Did You Know...

There's a performance every evening in the Amphitheater, and admission to Chautauqua is ALWAYS free for children 12 and younger! That means you can bring your children and grandchildren to experience a stellar lineup of concerts and shows, from the Chautauqua Symphony Orchestra and premier dance companies to family-friendly events that may include films in concert and flying acrobats.

Bringing the Best

Chautauqua Institution brings the best and the brightest thought leaders directly to you through engaging lectures, intimate master classes, and book signings. With long-standing partnerships with the nation's leading cultural and public service institutions, Chautauqua offers enriching programs featuring voices from eminent organizations such as the Smithsonian, PBS, the National Geographic Society, the National Comedy Center, and Jazz at Lincoln Center.

THE CHAUTAUQUA WAY

At the heart of outdoor recreation in Chautauqua & Lake Erie NY are our five lakes and waterways. Dramatic cliffs, windswept shores and beaches make up the 50 miles of **Lake Erie** shoreline in Chautauqua County, while **Chautauqua Lake** is a favorite destination for timeless lake activities year after year. Boaters and Anglers delight in our smaller inland lakes including **Cassadaga Lakes**, **Findley Lake** and **Bear Lake**.

The lakes throughout Chautauqua & Lake Erie NY are great for spotting wildlife! Keep an eye out for bald eagles, great horned owls, osprey, beavers and more.

TRAVEL
TIP

BOATING

The five lakes around Chautauqua County make it a popular destination for boating, fishing and other lake activities. Most boaters utilize the lakes during the summer months, but great boating conditions can also be found during the less busy fall. At least one NYS DEC boat launch can be found on all local lakes. Bring your own boat and utilize the full-service marinas on Chautauqua Lake and Lake Erie. Boat rentals are available from the full-service marinas as well. Choose from rental options including pontoons and power boats. Visitors renting a boat must have a valid driver's license. Rentals can last anywhere from a few hours to a few days.

Boating Safety Certificates are required for all motorized boat operators in New York State. The certificate must be carried with the boat operator or indicated on the operator's boater's license. Boating certificates from other states are valid. A boating safety certificate is not required when operating non-motorized boats such as kayaks and canoes. **Boating Safety Certificates are also not required when visitors rent a boat.** See a full list of boat rentals and launches on page 22-27.

FISHING AT ITS FINEST

Experience the world class fishing of Western NY on all five lakes throughout Chautauqua & Lake Erie NY. Largemouth, smallmouth, and black bass fishing is enjoyed by anglers on **Lake Erie** year-round. Bass are found along the entire New York shoreline while the eastern basin of Lake Erie is well-known for trophy-size walleye found in deeper waters. Lake Erie's tributary streams, collectively known as "**Steelhead Alley**", receive an annual run of migratory rainbow trout called "steelhead." From October through April, thousands of steelhead ascend **Cattaraugus, Chautauqua, Canadaway, Silver, and Walnut Creeks** allowing for excellent fly-fishing opportunities.

Chautauqua Lake has exceptional fishing for walleye, bass, muskellunge and several species of panfish. **Findley Lake's** beds of aquatic vegetation provide habitat for a variety of sportfish and panfish, while the three interconnected lakes of **Cassadaga** provide angling opportunities for largemouth bass, smallmouth bass, northern pike, muskellunge and panfish. **Bear Lake's** shoreline is predominantly wetland, providing excellent habitat for bass and other predator and prey fish.

THE CHAUTAUQUA EXPERIENCE

There is much to do and see within Chautauqua Institution's picturesque lakeside grounds especially during the nine-week summer programming season. For visitors who only have a short time to accomplish as much as possible, here are tips to make the most of a brief experience.

Purchase a Day Pass (or Come on Sunday, When Admission is Free!): Gate passes are available in advance online or in person at the Institution's Main Gate Welcome Center. Discover art exhibitions, performances, lectures, worship services and readings offered on any given date, as well as other key guest information on their website.

Narrated Bus Tour: Purchase tickets for the bus tour at the **Main Gate Welcome Center** daily during the summer. An experienced guide will tell the fascinating story of Chautauqua Institution, from its founding in 1874 to the inclusive and dynamic intergenerational community and programming it offers today.

Rent a Bike: Cover the Chautauqua grounds quickly on two wheels or utilize shuttle transportation in this pedestrian-friendly community.

Shop & Eat: Visit a variety of centrally located offerings around **Bestor Plaza**, the quintessential American town square, including a pair of juried craft fair weekends. The Institution also maintains a museum quality gift shop at the **Strohl Art Center** and popular eateries with lake views.

Stay the Night at the Athenaeum Hotel: Check athenaeum.chq.org for overnight packages at the **Athenaeum Hotel** that include general admission to popular **Amphitheater** concerts, breakfast on the grand porch, and charming accommodations at the Grand Dame of Chautauqua Lake.
