## How to Make a Reservation

*The Wisconsin Hotel & Lodging Association and the Wisconsin Bureau of Consumer Protection offer the following recommendations to help make your stay in our state enjoyable!*

Reservation **policies** vary by property and travelers are encouraged to reserve in advance whenever possible to ensure space is available. Most properties require a valid credit card to hold a reservation and many require an advance deposit.

Ask about the property's **cancellation** policy and fee. Should you need to cancel, contact the property and ask for a cancellation number and record the time of the call and the name of the person with whom you spoke.

Upon making a reservation, many properties will assign a **confirmation** number and may follow up in writing. Ask the property to note the rate, length of stay and special requests they agreed to accommodate in the confirmation. If this is not possible, call in advance to re-confirm.

**Room rates** listed in this guide are subject to change without notice. Clarify your rate when the reservation is made. If you have a certificate or group rate, check for any special conditions or limitations.

If you have a preference, need or **special request** that makes a considerable impact on your stay (bringing a pet, requiring a rollaway bed, etc.), talk to the property about it when you make your reservation to assure your needs can be met.

**On the Cover:** Heidel House Resort & Spa is nestled on the shores of beautiful Green Lake, offering an oasis of relaxation complemented by impeccable service. Walk the labyrinth, rejuvenate and reconnect at Evensong Spa. Tour Green Lake by bike or soak in our indoor or outdoor pools. The captain invites you to take a cruise on the Escapade, our 60' catamaran-style yacht, to explore the lakeshore. Heidel House Resort & Spa offers a perfect setting for an unforgettable experience.

# Milwaukee

Discover why Milwaukee makes one great, urban-easy getaway! Brewery tours, the Harley-Davidson Museum and professional sports meet farm-to-fork restaurants and family attractions like Discovery World and Milwaukee County Zoo for year-round fun for all. Stroll along the RiverWalk, linking the Historic Third Ward with its colorful shops, nightlife and Milwaukee Public Market, to Old World Third Street, where the city's German heritage is celebrated. Head to the stunning Milwaukee Art Museum with its "wings" that open and close along the Lake Michigan shoreline, and don't miss the summer season of lakeside festival fun at Summerfest and the ethnic festivals.
