Aisha, Theo and Lucy are coming to Huntington Community Primary School

Aisha has arrived at school with her dad. Her teacher is waiting to meet her.

Theo is hanging up his coat on the peg with his name on, then he puts away his water bottle and book bag.

"Hello, Aisha," the teacher says. **"Come in! We're going to have lots of fun today."**

What will I do in school?

You will have lots of fun playing while you are learning. There are lots of exciting things to do indoors and outdoors. You will learn reading, writing and numbers, and enjoy story time.

Theo and Lucy are in the reading corner. Theo is reading a book about space. **"I'd love to be an astronaut when I grow up,"** he says.

Lucy is outside playing on a tricycle. **"Pedalling the trike is so much fun, but I always remember to let other children have a go too,"** she says.

What if I'm hungry or thirsty?

You can have a drink from your water bottle whenever you need to. Every day you will have a healthy snack.

At lunchtime, you will go to the hall to eat with your friends. Your teachers will be there to help you if you need it.

Lucy, Aisha, and Theo are having their school dinner together.

"I love carrots. They're my favourite vegetable," says Aisha.

What if I need the toilet?

The toilets are in your classroom, so they are easy to find. You can go whenever you need to. Just remember to flush and wash your hands when you have finished, like Theo is doing.

What happens at the end of the school day?

You will sit on the carpet while your teacher reads you a story. Then you will collect your coat and belongings. When the teacher calls your name, you can go outside to your grown-up.

"School is so much fun!"

Lucy tells her mum.
