9235 W Margin Way offers a practical, clean commercial shop/warehouse space for lease just off the Parks Highway. The property includes an approx. 3,456 metal-frame shop building on approximately 0.99 acres with a wide gravel yard, overhead door access, concrete flooring, natural gas heat, a 175' well, and a like-new septic system. Built in 1996, the building is well-suited for a shop, warehouse, enclosed storage contractor, automotive, equipment, or general use.

The main shop area provides a wide-open work floor with high ceilings, bright interior lighting, exposed truss construction, and an oversized overhead door for vehicle, equipment, or material access. Interior improvements include a private restroom with shower, utility/support area, washer and dryer hookups, and office space or storage space, giving the property more function than a basic cold-storage building. The site layout offers substantial exterior yard space for parking, staging, trailers, equipment, or future operational needs.
