Dear Pennsylvania National Horse Show and Foundation Friends and Family,

Welcome to the 80th Pennsylvania National Horse Show (PNHS)! It is my honor and privilege to invite you on behalf of the entire Board of Directors.

Once again, I am happy to report that in 2025, we were able to reach another milestone in the amount of funding we gave to the therapeutic riding groups and horse rescue facilities we support. From our give in 2021 of \$29,615 we have grown the funding to \$125,440 in 2025! We received a record number of 70 applications for this program. We plan to increase our give back in 2026.

The PNHS funds our Foundation and because of you and your support, we were able to reach this milestone. Mark your calendar and join us on “Foundation Friday,” October 16th as we honor our riders during our PNHS Therapeutic Riding Championships. We will also introduce our 2026 PNHS Therapy Horse of the Year.

As always, Junior Weekend will kick off our event on Thursday, October 8th. The USEF/Valencia Saddlery Hunter Seat Medal Final and the Turnham Green/USEF Junior Jumper National Championships are a highlight of the weekend. “Professional” Week begins on Monday October 12th. Mark your calendars for our special events including “Team Night” on Friday, October 16th, the Grand Prix de Penn National on Saturday, October 17th and the National Collegiate Equestrian Association (NCEA) Junior Hunter Seat Medal Final on Sunday, October 18th.

On behalf of the entire PNHS team, I would like to thank all our sponsors and donors – we cannot do this without your support. A special thank you to our staff, judges, and officials, for your hard work in making the show a success. But most importantly, thank you to all the horses and ponies that give us so much every day.

Congratulations to all who have qualified to compete at “Harrisburg” and good luck. We look forward to seeing you in Harrisburg, October 8-18, 2026.

Sincerely,

Max J. Hempt
Chairman of the Board

RULES, REGULATIONS AND PROCEDURES

ENTRIES:

CLOSING DATE: Entries must be received before Midnight EDT, as follows:

Hunter and Jumper Tuesday, September 1, 2026

USEF/Valencia Saddlery Medal & Side Saddle Tuesday, September 15, 2026

The Pennsylvania National Horse Show limits the number of competitors in each section and your entry is an application to compete subject to the qualifying criteria published in this prize list. Your application must be paid, submitted, and received by the closing date or your entry will automatically be waitlisted because it cannot be included in the data submitted to USEF for ranking.

All applications (entries) must be submitted electronically through the Show Management System™ Platform: <https://entries.showmanagementsystem.com> which will separately collect a \$7.50 non-refundable entry processing fee in addition to the mandatory, non-refundable \$200 processing fee.

SHOW MANAGEMENT SYSTEM™ HORSE SHOW ENTRY PLATFORM

You need a free Show Management System™ account to use this application.

CREATE ACCOUNT: [Entries.ShowManagementSystem.com](https://entries.showmanagementsystem.com)

All communications related to the qualification process will be handled through the e-mail address of the user submitting the entry. If your application is accepted, you will receive a summary of the entry fees due, the steps necessary to accept your invitation to compete, and a link to pay for your balance.

Acceptances and payment must be received by the date specified in the acceptance email or your spot will be given to a waitlisted entry.

All entries must complete the W9 request for taxpayer identification as part of the entry process or any prize monies due will be withheld. All show fees can be paid for with a check or a credit card with a 3% credit card processing fee. This information will be included in your acceptance letter as the method of payment options.

Before entering, it is the responsibility of the rider/owner/trainer to confirm eligibility. Your e-mailed acceptance packet will contain final details on arrival procedures and health requirements for the 2026 event.

QUALIFYING ENTRY PROCEDURE FOR HUNTERS & JUMPERS

(exceptions) - Side Saddle & Medal Finals - for which all fees must accompany entry form

No substitution/changes of horses may be made after the announced closing date of entries. Once the qualifying lists have been posted on the PNHS website, a grace period of five (5) business days will be granted to request a correction for a horse that has been clearly entered incorrectly, having no points or is ineligible for the division in which it was entered. The request for a correction will be considered only for horses with on-time entries that have been received in the Horse Show Office by the closing date of entries. Any requests for a correction must be submitted in writing to TheHorseShowOffice@gmail.com and must be supported by the horse's USEF record. The PNHS will review all requests for a correction and make the final decision. Any corrections that are made will not affect entries that have already been accepted into a section. After the closing date of entries and after the above stated grace period, any requested change of an entry constitutes a new/late entry and shall be placed on the bottom of any existing wait list in that requested section. Exhibitors shall be held responsible for their entries and fees of all horses entered by them or by their agents. After the entry closing date, if an entry is scratched or declined it may only be re-entered as a late entry and added to the bottom of any wait listed entries.

Any horse applying for acceptance in any qualifying hunter section must have competed in that section within the qualifying period.

For horses applying to compete in a section with USEF National HOTY Points: PNHS will use US Equestrian National Horse of the Year points or money won, as applicable, received at shows starting on or after Aug. 11, 2025 through shows starting on or before Aug. 9, 2026 as means of qualification using the best points earned or money won, per HJ126, at no more than 15 horse shows during this time period. Applications submitted by the closing date will be ranked by points earned within their section and the top horses in each section will receive invitation to compete at the 2026 Show. See page 22 for acceptance numbers for each section. The remaining on time applications will be waitlisted in descending order by points or money earned.

Entries submitted after the closing date will be added at the bottom of the waitlist irrespective of their points.

For all sections at PNHS, if any section fails to fill the total number to be accepted allowed then management reserves the right to increase the number of applicants accepted in any other section, subject to the limitations of the schedule.

All entries in a section will be final at 5pm the evening prior to the start of each section.

Medium Junior/Amateur Jumpers: They may claim only money won from any junior/amateur section ranging from 1.30m – 1.45m in height.

Open Jumpers: Once horses are entered in the Open Jumper section and pay all fees, the horse becomes eligible to add and scratch 1.30m and 1.40m classes. All regular classes to be declared by 9 am of the show day. The 24-hour rule will be in effect for the Grand Prixes. Cross entering between heights is allowed.

Green 3' and 3'3" Sections: Will be accepted on a first come first serve basis.

JOG Option A: Horses/ponies are required to trot a circle on a loose rein at the end of each over fences performance. Horses/ponies may be asked to return to the ring and trot another circle at the judge's discretion.

SCRATCH POLICY

Horses entered may be scratched by notifying the show secretary IN WRITING VIA EMAIL ONLY TheHorseShowOffice@gmail.com.

KNOW THE SIGNS

USEF HORSE WELFARE

Scan for Guidelines

USEF has developed horse welfare guidelines based on the stoplight system to help us recognize acceptable or unacceptable interactions between horses and humans

GREEN

horse friendly

The horse appears happy, willing, and content.

The connection between horse and human is harmonious and in sync.

YELLOW

cautionary

Actions that cause you to pause and question whether they are acceptable.

Some actions may be acceptable for a very short period of time but may escalate to mistreatment if pressure or conflict increases in intensity.

RED

unacceptable OR not okay

Actions that make you think, "This is not okay."

Actions that make you immediately think,
"This behavior must stop."

Sometimes athletes can be acting in the red zone without even realizing it - these situations may be resolved by a licensed official interrupting the training, discussing the issue, and providing a verbal warning.

If you see an interaction that falls into the red zone, please alert an official to the situation and submit a report.

NCEA WARM-UP ENTRY FEE: \$150

1. Eligibility to Compete-Riders

- a. Rider Membership. Open to Junior Active Members of the Federation. Rider must be an active competing member in good standing with the Federation and an active USHJA member at time of qualification and championship.
- b. Riders are not required to complete a USEF/NCEA Medal Program application in order to compete in the qualifying classes but must complete a USEF/NCEA Medal Program application **within 10 calendar days the final day of the qualifying competition in order for points to count. No exceptions.**
 1. Riders must indicate on their USEF/NCEA Medal Program Application which ranking list they wish to accumulate points for (East and West).
- c. Any rider in their final junior year is not eligible to compete in any qualifying classes held at a competition with a start date after August 20th of that competition year.
- d. The winner of any of the USEF/NCEA Junior Hunter Seat Medal Finals is no longer eligible to compete in USEF/NCEA Junior Hunter Seat Medal classes.

2. Eligibility to Compete-Horses

- a. All horses competing in USEF/NCEA Junior Hunter Seat Medal qualifying classes must comply with USEF identification rules in place at the time and be properly identifiable. All horses must obtain a Registration Number from USHJA in order for the rider to accumulate qualifying points.

continued...

3. Qualifying Criteria

- a. The qualifying period for the 2026 USEF/NCEA Junior Hunter Seat Medal Finals is August 21, 2025-August 20, 2026. Points from qualifying classes will count based on the start date of the competition.
- b. The top 100 riders from each ranking list (East and West) will be invited to compete in the Finals.
- c. Points will be awarded using the following chart as base points and multiplying each placing by the number of riders that completed the course:

Placings	Base Points
1 st	10
2 nd	6
3 rd	4
4 th	2
5 th	1
6 th	1/2

Classes that are split using the "California Split" method will determine the number of riders by taking the total number that completed the course and dividing by the number of resulting sections (rounding up if the result is not a whole number).

4. Class Conditions

- a. The USEF/NCEA Junior Hunter Seat Medal Final will be a three-phase competition (Over Fences, Flat, and Bracket).
- b. Conventional Hunter Seat Equitation style tack is required per EQ106.5a.
- c. Phase One-Over Fences: To be shown over a course of at least ten (10) hunter or jumper style fences at 3'3" in height, spread not to exceed fence height. A buzzer will be sounded to alert the rider that they have 45 seconds remaining until they must jump the first fence. The course will be limited to a maximum of two combinations, with one combination being an oxer to a vertical. Triple combinations are not permitted. At least two changes of direction are required. Water obstacles and liverpools are not permitted. An open numerical system of scoring must be used for the fences phase. Two refusals will result in elimination.
- d. Phase Two-Flat: The top 20% or top ten scoring riders, whichever is greater, will return for the flat phase. An open numerical system of scoring must be used for the flat phase. The riders will be asked to perform 2 out of 3 of the following movements: shoulder in, haunches in, or leg yield both directions of the ring. Lateral movements must be performed at the sitting trot. **Riders must compete on the same horse for the over fences phase and flat phase, no exceptions.**
- e. Phase Three-Bracket: The top four riders, as determined by the combination of the fences and flat phase (each counting equally), will return for the bracket phase. These four riders will enter the bracket phase on a clean slate and will not carry forward their scores from the previous rounds.
 - i. Bracket Formation: The fourth and first place rider will be paired together to create Bracket A. Both riders in Bracket A will ride a horse (both riders ride the same horse) previously mounted by a rider in Bracket B over the Bracket Course. The second and third place rider will be paired together to create Bracket B. Both riders in Bracket B

continued...

- will ride a horse (both riders ride the same horse) previously mounted by a rider in Bracket A over the Bracket Course.
- ii. Determination of Bracket Horses: The horses ridden over the Bracket Course will be determined based on whether either rider in the newly assigned bracket has ridden the horse in the previous 12 months (based on recorded ownership and leases with the Federation). If both available horses have been ridden by either or both of the riders in the assigned bracket, the highest placing horse will be assigned to the bracket. The competition manager will continue to go down the order of placings until a horse is identified that neither rider has ridden in the previous 12 months.
 - iii. Tack and Equipment: Each rider in the bracket phase will be able to use their own stirrups and leathers, however the remainder of the tack and equipment must stay with the assigned horse.
 - iv. Bracket Course Order of Go: Riders will mount their horses and compete over the Bracket Course in reverse order of placing with fourth and third place riders going first and second and first place riders going last.
 - v. Bracket Phase Warm-Up: Each rider will be allowed four minutes to familiarize themselves with their new horse. They will be allowed two minutes under saddle and two minutes to jump a maximum of four jumps: two verticals and two oxers with a maximum of 3' feet in height and spread. Warm-up time to be kept by a designated timekeeper.
 - vi. Bracket Course: The shortened courses will consist of 8 fences from the initial over fences phase, with a maximum of one double combination. The course must be a different route without changing any of the jumps. Fences for the bracket phase will be set at 2'9"-3'0" in height, with height not exceeding spread. All distances may be adjusted accordingly.
 - vii. Bracket Judging: Riders will be judged against the other rider in their bracket (i.e. one rider from each Bracket will compete in the Championship Bracket Phase). If both riders from either bracket do not successfully complete their rounds, there will be no Championship Bracket Phase. Placings for the riders who do not successfully complete the Bracket Course will be based on scores from Phase One.
 - viii. Championship Bracket Phase: The top scoring riders of each bracket will move forward into the championship round to determine a champion and reserve champion rider. Riders will be paired with one of the two remaining horses from the four Bracket riders' horses, that was not ridden in the earlier rounds of the Bracket Phase. Riders will repeat the same warm-up process and course as earlier in the Bracket Phase.
- f. Placings: Fifth through Tenth place will be awarded based on the total combined score from the over fences and flat phase (each counting equally). In all cases, ties will be broken by the score from Phase One over fences. Fourth and third place will be determined by the scores of the first course of the Bracket Phase. Second and First place will be based solely on the Championship Bracket Phase scores.

continued...

Example of Bracket Phase:

Round III -

BRACKET A - The First and Fourth place riders will compete over a course of 8 fences riding the horse of the Second or Third place rider. Riders will compete on the same horse.

BRACKET B - The Second and Third place riders will compete over a course of 8 fences riding the horse of the First or Fourth place rider. Riders will compete on the same horse.

Winners from Bracket A & Bracket B will compete for Champion and Reserve on the same horse using a horse of one of the top four riders that they have not yet ridden. Fifth place rider's horse will be used as an alternate.
