33 Years Celebrating our Children and Youth

Inspired by our community leaders and families, the Hawai'i State Legislature and Governor established the first Sunday in October, beginning in 1993, as a day to honor and celebrate Hawai'i's precious children and youth. A few years later, a day turned into a month-long celebration!

Mahalo to Hawai'i's families, teachers, mentors, volunteers, and leaders who have contributed to our young people's growth and set a strong foundation upon which our young people are an important part of the fabric of what makes us truly Hawai'i.

In 2011, the Children and Youth Day organizers asked Pacific American Foundation (PAF) to take on the role as fiscal sponsor to help oversee the financial management of Hawai'i's largest Children & Youth event in Hawai'i.

PAF, established in 1993, has had the honor of helping to improve the lives of Pacific Americans in Hawaii with a specific emphasis on children and youth. Their educational initiatives including career planning and stewardship practices have centered on the cultural and natural resources of our communities as "re-discovered assets" for learning outside the traditional school environment. The restoration of Waikalua Loko I'a has become the "piko" of their community programs that exemplifies the Aloha in all of us.

Since 1993, Hawai'i CYD has been largely a volunteer effort that has grown every year. Kama'āna Kids, a long-time participant and very successful statewide youth serving organization, was asked to also lend their management expertise. They currently are one of the largest private childcare providers serving 7,000 keiki annually, ages 6 weeks to 11 years old. In 2014, Kama'āna Kids assumed a more active and critical role in organizing and sustaining the growth and popularity of honoring Hawai'i's children and youth by becoming our event administrator.

PAF and Kama'āna Kids are very proud to be a part of this great community event celebrating 33 years! Ho'omau!

On behalf of the CYD Planning Committee and our dear sponsors, we thank the Hawai'i CYD Ohana, who is made up of thousands of volunteers, for giving of your time, resources, and love to celebrate our keiki and 'opio in Hawaii. You are a part one of the largest and most successful events honoring and inspiring children and youth in the country!

Me Ka Ha'aha'a (with warmest love),
Susie Chun Oakland, CYD Chair

— together, we care for our children
and their future.

We hope you will join us as we celebrate not only three outstanding honorees, also, the collective kuleana, laulima, lōkahi, aloha, and mālama represented by everyone who was nominated. Your work reminds us that advocacy for our keiki is not measured by a single day or award. It is found in the lives touched, relationships built, opportunities created, and pathways left open for the generations who follow.

"Honor Our Children" Theme Song

Hawaii is the land of Aloha
The sun, the sea, the rainbows in the sky
And everywhere you see, is peace and harmony Our children are the apple of our eye

We Honor Our Children, We Honor Our Children We celebrate their future here today We
honor our children, because we believe
Our children show the way

Peace and Harmony, Peace and Harmony Our children hold the key!

We honor them and pledge to protect them
In our cities and our schools and at home
We'll always lend a hand, and even take a stand
And give them what they need to be strong

We Honor our Children, We Honor Our Children We celebrate our future here today We
honor our children, because we believe
As children grow, they come to know

A safer, better way
