The Team – Passion, Experience, and Authenticity

Behind Absolute Wingshooting stands a team united by a shared passion for the field and a deep respect for hunting traditions.

Founded by **Marcus J. Grande**, whose journey began in Germany and evolved into a lifelong dedication to wingshooting, the company is shaped by experience, instinct, and a commitment to what's real. For Marcus, hunting is not about numbers, but about connection to nature, to tradition, and to the rhythm of the hunt.

Alongside him, **Emma Boardman** brings a fresh and thoughtful perspective to the sport. Her path into hunting was deliberate and personal, shaped by curiosity, respect, and a desire to understand the deeper meaning behind it. Today, she leads client relations and founded the Diana Retreats, creating a unique space for women within the hunting world.
