NEONATOLOGY

PROGRAM

24 - 27 September 2026

Romanian Association of Neonatology

WELCOME **MESSAGE**

Dear colleagues,

It gives me great pleasure to extend a warm welcome to the most important scientific event in our specialty, the National Congress of Neonatology, organized by the Romanian Association of Neonatology, which will take place from 24 to 27 September 2026 in the conference halls of the Ensana Complex in Sovata.

This year, we are joined by distinguished guests from Romania and abroad, from whose expertise and outstanding experience we will all learn. As always, we also aim to discuss the latest diagnostic and treatment techniques together and identify the most suitable ways to help our patients.

In autumn, Sovata offers a truly enchanting landscape, and the joy of being together again is completed by a place to which you will always wish to return.

Warm regards,
President, Romanian Association of Neonatology,
Prof. Dr. Manuela CUCEREA
