Food & Drink

Your event, catered your way

Our trusted catering partners know the venue inside out. They'll build a menu around your guests and budget, whether that's a formal dinner, a lively buffet or imaginative canapés, and kitchen use is included when you book one of them.

Prefer your own caterer? You're welcome to bring them for a kitchen fee of £350. Providing drinks free to your guests? There's no corkage and no licence needed. Running a cash bar? We recommend our local bar partner, Thornbury Castle. For any other drink requirements, we'd be glad to talk it through with you.

Burning Questions

What type of events do you hold?
We work with a wide range of well known brands to host corporate, academic, performance, and charity events. We also host a small number of private events, including wedding receptions.

Are there any restrictions on the type of events you hold?
As an active and thriving church, St Mary's does not host events which include spiritual content unless it is founded in the Christian faith.

Can our event end after 10:30pm?
We're afraid not. St Mary's is in a residential area so all guests must leave to allow adequate time to pack down before midnight. This ensures we can keep our wonderful neighbours happy.

Is there parking at the venue?
St Mary's is within the congestion zone. We don't have dedicated parking but there are a number of on-street free/paid options as well as paid car parks in the local area.

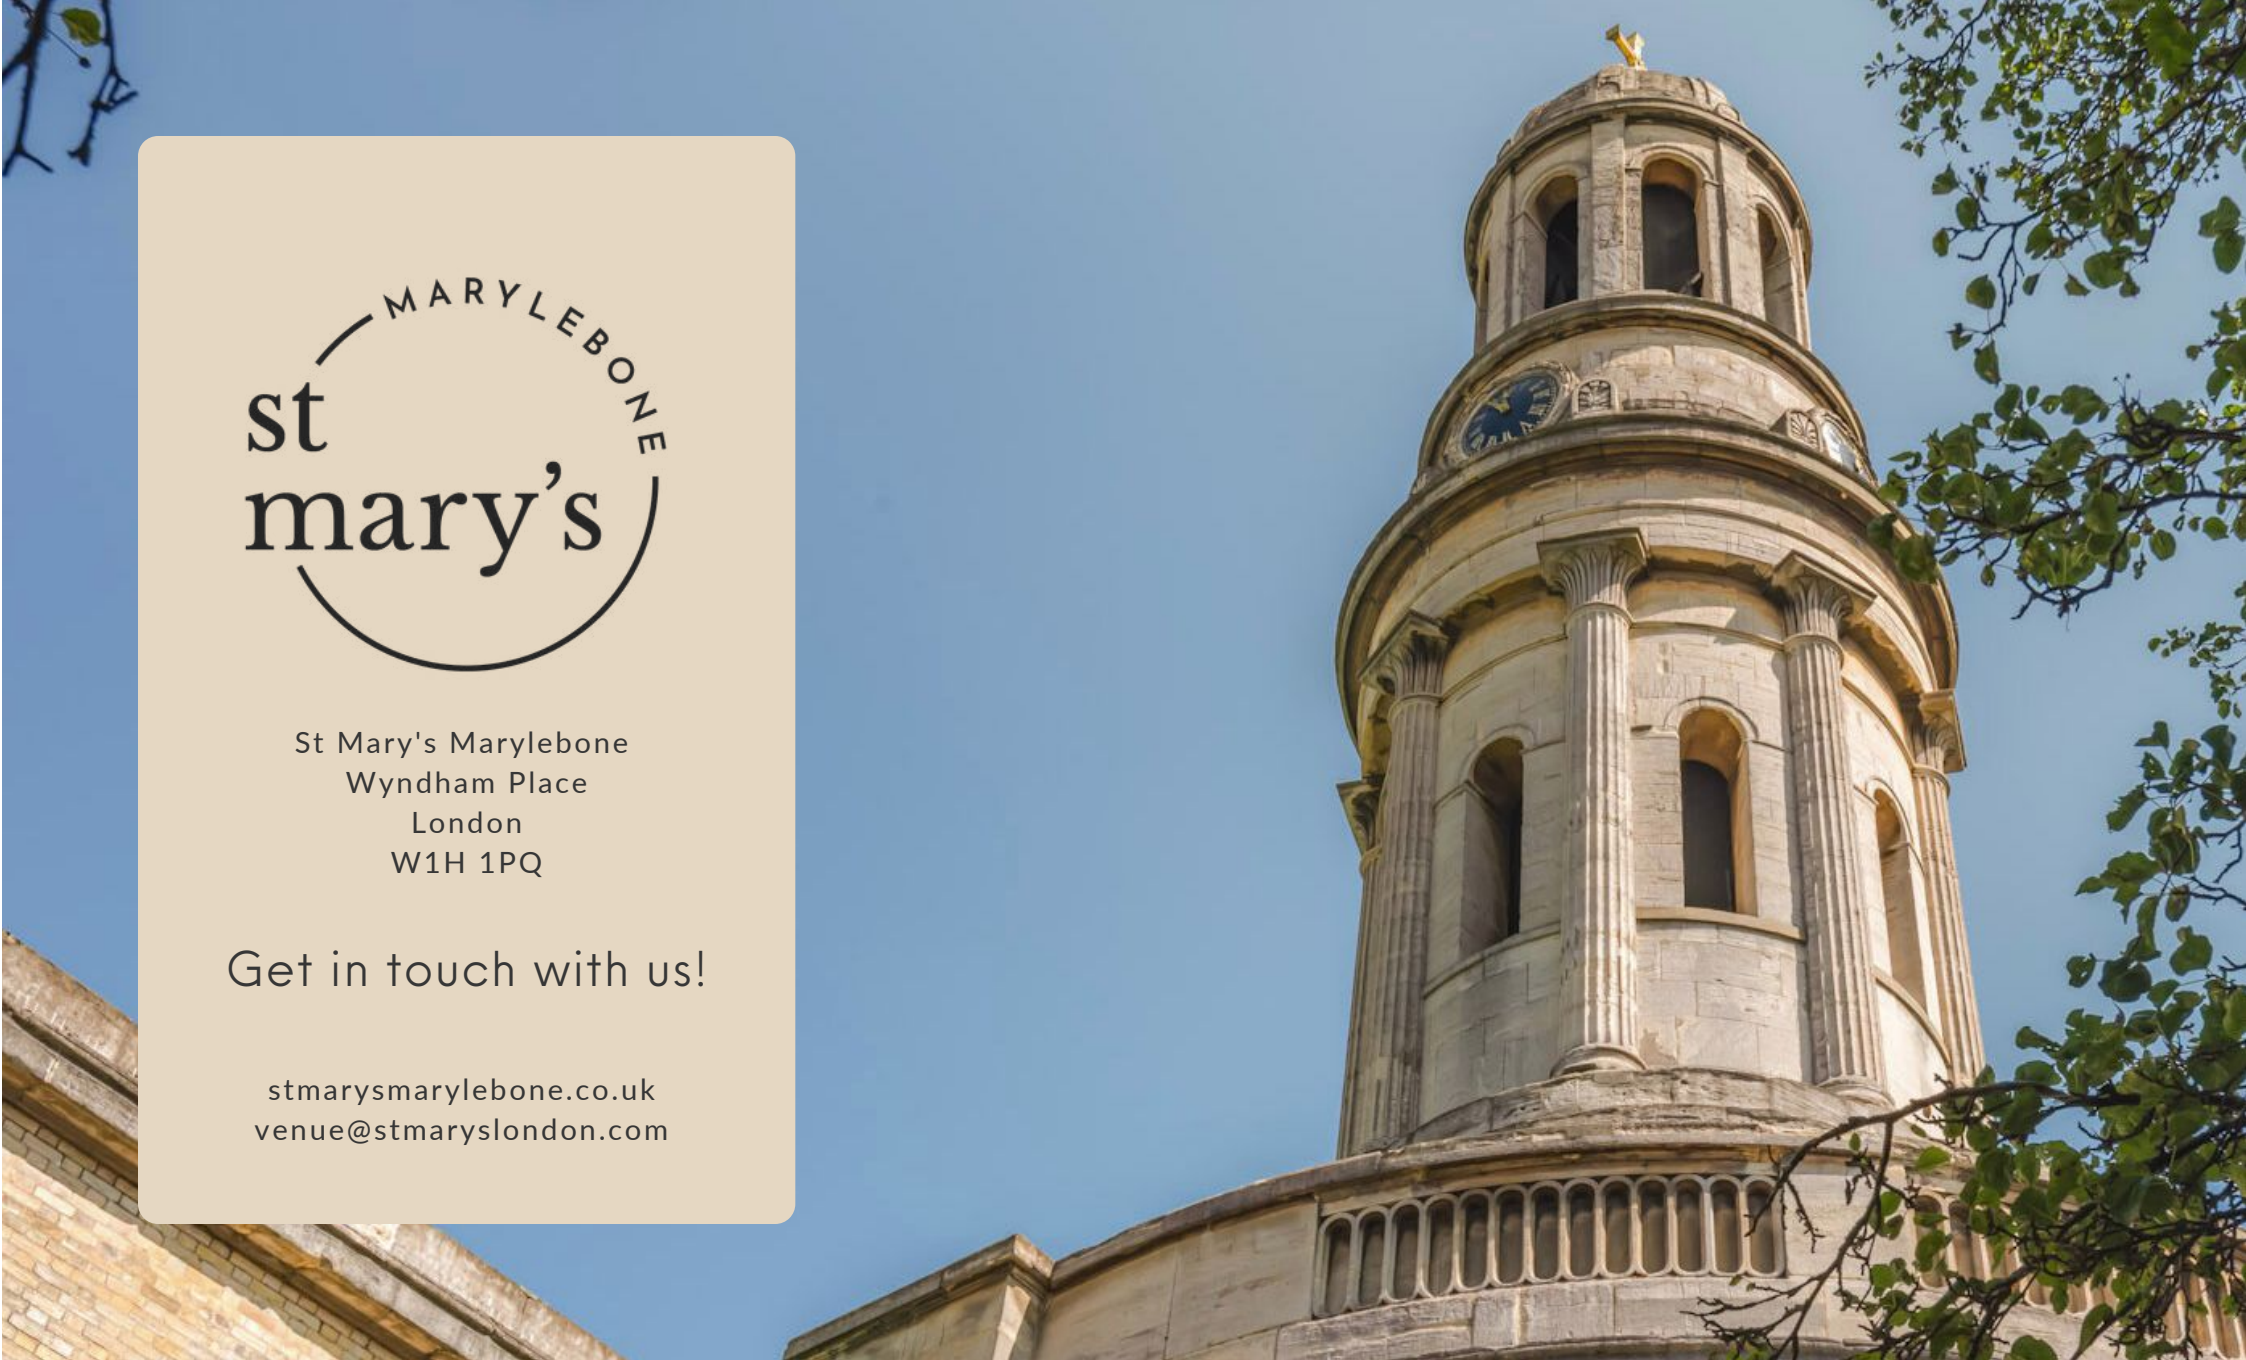

Can we deliver to the venue ahead of time?
All deliveries & collections need to be arranged within the hire time.

Can we bring our own caterer?
Yes! If you use one of our catering partners, kitchen use is included in the hire fee. If you wish to bring your own caterer, there is an additional kitchen fee of £350.

Can we provide our own alcohol?
If you wish to provide alcohol free of charge to your guests then there is no licence required and no corkage fee. If you are planning on having a cash bar then we recommend using the Thornbury Castle, our local bar partner. Or you could arrange your own and obtain a TEN license from Westminster Council.

Can you recommend any hotels?
There are various hotels in the Marylebone area which fit a range of budgets. Our closest options are Hub by Premier Inn, Travelodge on Harewood Row and Hilton London Metropole near Edgware station.

Is the venue wheelchair accessible?
Yes — St Mary's is wheelchair accessible throughout, with a lift covering both floors and the steps at the entrance. The only exceptions are the stage and the balconies. The stage has a handrail but no ramp; if a performer or speaker needs step-free access to it, event organisers have successfully used portable ramps in the past, and we're happy to talk through options.
