A Message from St. Albert Public Schools and our Principal

Congratulations to all the Paul Kane students being recognized at this year's Celebration of Excellence. Each of you has demonstrated hard work, perseverance, and a genuine commitment to your learning, your school, and your community.

Your achievements reflect not only your academic talents, but also your character, leadership, and the spirit that defines Paul Kane. You've embraced opportunities, supported one another, and made a lasting mark on your school.

As you look ahead, carry with you the lessons, friendships, and experiences that have shaped your journey so far. Continue to lead with curiosity, kindness, and that unmistakable Blues pride in all that you do.

Congratulations once again—you've earned it!

Krimsen Sumners, Superintendent
St. Albert Public Schools

Welcome to École Paul Kane High School's 2026 Celebration of Excellence.

On behalf of the entire PK school community, I extend my sincere congratulations to all award recipients.

The Celebration of Excellence provides an opportunity to recognize the outstanding accomplishments and contributions of our students. It is also a time to reflect upon the past year, to consider the evolving educational landscape of our school, and to express gratitude to all who contribute to its continued success.

Although it is impossible to capture the full range of achievements that have taken place over the course of the year, the awards and scholarships presented this evening offer meaningful insight into the dedication, talent, and character that define Paul Kane.

Thank you for your commitment, perseverance, and pursuit of excellence throughout 2026. It is a privilege to celebrate your achievements and to acknowledge the collective efforts that make our school community so exceptional.
