

Simply Nora

The Seaside Doctor

onegate
A Studio Hamburg Company

A woman with blonde hair tied back, wearing a white V-neck shirt and red and yellow high-visibility scrubs, is sitting and looking towards the right. She is holding a white object, possibly a phone or a small device, in her hands. Next to her, a man with short brown hair and a beard, wearing a white polo shirt, is also sitting and looking towards the right. They are outdoors, with a clear blue sky and some greenery in the background. The overall mood is bright and positive.

Set on the Baltic coast, a warm medical drama about second chances, belonging and a doctor who always sees the person behind the illness.

Series Synopsis

Nora Kaminski has a sharp tongue, a big heart and an instinct for people. A former ship's doctor starting over on the Baltic island of Rügen, she listens, gets involved, bends the rules when she has to – and refuses to give up on people.

Life on the island is rarely simple. Between challenging patients, family complications, friendships and new chances at love, Nora finds her own way with humor, determination and a healthy disregard for convention.

Nora Kaminski

Doctor.

"The trick is to hang in there, even when the going gets tough."

Nora may not hold a medical degree, but as a former ship's doctor, she's skilled, sharp-witted, and tough as nails.

At 42, she starts over on Rügen, facing quirky locals, money troubles, and her own stubborn streak, all with sarcasm and heart.

Dr. Hannes Stresow

Doctor and Nora's colleague.

"We're basically rock stars."

Hannes is a skilled surgeon from Hamburg: confident, sharp-tongued, and never short on opinions.

Beneath his tough exterior lies a kind heart and deep dedication to his patients. Though charming, he fears commitment and often keeps love at arm's length.

Mandy

Medical assistant.

"I know how to take care of people. That's why I do what I do."

Mandy is warm, dependable, and deeply committed to her work. Beloved by patients and colleagues alike, she combines compassion with a no-nonsense attitude.

As Nora Kaminski's trusted confidant, she's the heart of the team, always ready to listen, support, and step up.

David Mandel

Vet and Nora's love interest.

A charismatic free spirit with a bold streak.

David is charming, confident and knows how to make an entrance, even when nobody asked him to. Used to winning people over with ease, he is intrigued when Nora proves completely immune to his charms.

For once, he has to make a real effort. But there is more to David than his carefree confidence suggests and Nora may be the one person who gets to see it.
