What is the Thirty-Third Degree?

This is the highest or official degree, which can only be granted and conferred by the Supreme Council. It cannot be applied for. At the annual meeting of the Supreme Council, a number of Thirty-Second members from throughout the jurisdiction are selected to receive the Thirty-Third Degree because of "outstanding service to the fraternity or for service to others which reflects credit upon the order." Nominations for the Thirty-Third Degree are made by the Deputies of each of the fifteen states after consultation with their fellow Active Members in each state. Nominations are then submitted to the entire Active Membership of the Supreme Council for ballot. Following election, candidates await the next annual meeting when the degree is conferred in full ceremonial form.
