

Your Course Discussion Guide

It begins at
NSCG

Ofsted
Outstanding
Provider

Since 2019

Let's get ready.

What to bring with you

Please ensure you bring with you a copy of your latest school report, including attendance details. Feel free to bring with you anything else that you would like to show or discuss at your Course Discussion that is relevant to the subjects you have chosen to study.

What to expect

The discussion will be an opportunity for us to chat to you, ask about what you enjoy doing, why you think the course will suit you and if you know what your longer-term goals are (for example what type of job, what type of university or course). It's important for you to think about this before starting college to make sure the courses you choose will help you achieve your goals.

There will of course be lots of opportunities for you to ask questions, as the discussion is a two-way process. Our friendly lecturers and tutors are experts in their field and have experience of helping students achieve their true potential during their time with us.

What to tell us

Remember to tell us about any additional support you may need at the course discussion, or during your course – such as Learning Support assistance, a signer, documents in a different format or larger font size, or wheelchair access arrangements. We can arrange for a member of our Learning Support team to attend the session with you, if this is helpful.

In order to ensure we have all the support in place ready for your session, please contact our Student Services team on **01782 254249** in advance, to confirm your requirements.

After your Course Discussion

At the end of the session, we hope you will come away with a really good impression of Newcastle College and you will feel confident that you know you are well suited to the course you applied for, or you have a good idea about some alternative options that we can offer you.

Our aim is to work with you to help you achieve the best you possibly can. We hope that through your discussion, you will have started to build a friendly and open relationship with the team who will be teaching and supporting you during your time here.

Demand for places at Newcastle College is always high, so once you've attended and are offered a place on a course it's important you accept it by visiting nscg.ac.uk/confirm or by returning the form you've been given or telephoning us on **01782 254254** quoting your name and application reference.

Got any questions?

If you have any queries or concerns throughout the application process, simply contact our friendly Information Point team on **01782 254254** or email info.newcastle@nscg.ac.uk. They can arrange for you to have some further careers advice if needed, to help you select the right course for you.

Our Student Services Team are here to support you when it comes to your health, your wellbeing, your studies and more. For further details, visit: nscg.ac.uk/support

NSCG is pleased to be able to offer financial support to help students meet the costs of attending college. For more information about financial support, visit: nscg.ac.uk/finance
