Girl Scout Promise

On my honor, I will try:
To serve God* and my country,
To help people at all times,
And to live by the Girl Scout Law.

**Members may substitute for the word God
in accordance with their own spiritual beliefs.*

Girl Scout Law

I will do my best to be
honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong, and
responsible for what I say and do,
and to
respect myself and others,
respect authority,
use resources wisely,
make the world a better place, and
be a sister to every Girl Scout.

How the Guide is Organized

Welcome to Girl Scouts of Utah's Council Guide! Within this booklet, you'll find upcoming programs, events, and trainings, as well as important dates and Girl Scout reminders. Content is organized by program pillar and topic, then by date. See the end of the guide for a calendar overview.

Letter from CEO

Dear Girl Scouts of Utah Members,

As we begin another membership year, I'm inspired by the incredible journey that lies ahead. This year is filled with opportunities to explore, lead, and discover—from Badge Labs focused on each of our program pillars to unforgettable experiences that build skills, confidence, and lifelong memories.

It's also an exciting time for Girl Scouts as we continue evolving to better reflect the interests and needs of today's girls and families. At Girl Scouts Unite this summer, eight new program themes were introduced, expanding the ways girls can explore their interests.

Guided by research and actual experiences of Girl Scouts, volunteers, and caregivers, we're building on everything girls already love while creating even more opportunities for exploration and self-discovery.

While the experience is evolving, the heart of Girl Scouts remains the same.

The Girl Scout Leadership Experience continues to guide everything we do. Girls will keep learning by doing, building courage, confidence, and character, making lifelong friends, taking on meaningful challenges, and making a positive impact in their communities.

Beginning in spring 2027, updated programming will continue rolling out as part of a thoughtful, multiyear approach by GSUSA designed to offer even more ways for girls to discover what inspires them.

As new opportunities are introduced, today's badges, patches, and favorite traditions aren't going away. Girls can continue earning current badges and enjoying the experiences that have made Girl Scouts so meaningful for generations. Some programs will continue, some will evolve, and new adventures will be added—creating even more opportunities to grow.

We're also making participation easier for families and volunteers with an improved digital experience that will simplify discovering activities, accessing resources, and planning Girl Scout adventures, giving you more time to focus on what matters most: making memories together.

Thank you for being part of Girl Scouts of Utah. The future of Girl Scouting is bright, and we're excited to bring you along for what's next.

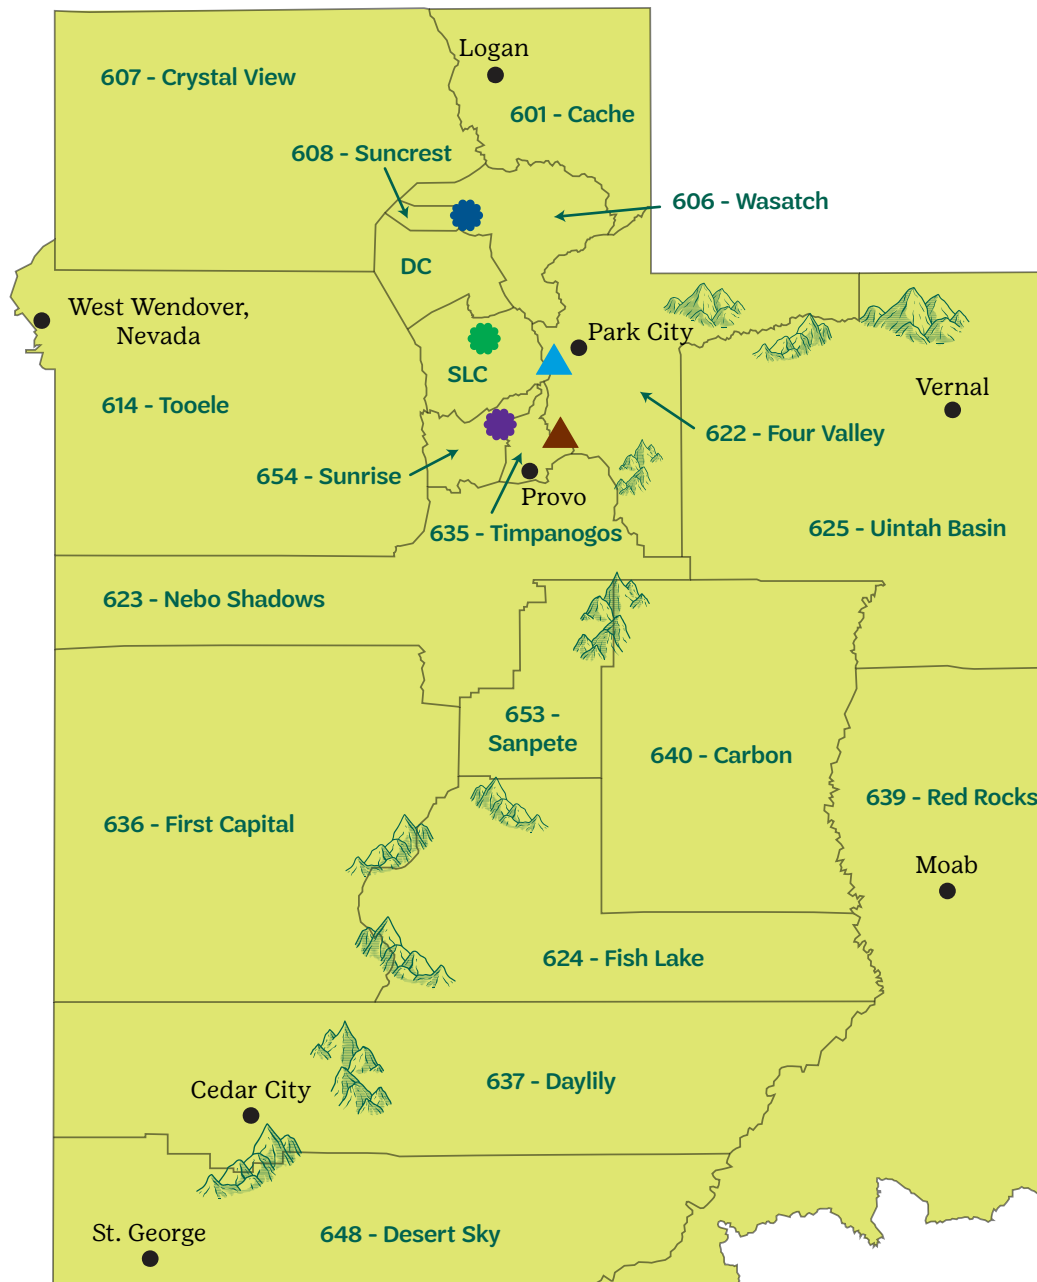

Yours in Girl Scouting,

Lisa Hardin-Reynolds
Chief Executive Officer

At Girl Scouts of Utah (GSU), we provide girls with a supportive environment where they can discover their strengths, take on new challenges, and develop leadership skills that'll last a lifetime.

Serving youth and adult members across Utah and West Wendover, Nevada, GSU offers a variety of programs—all designed to help girls grow into strong, capable leaders in their communities.

With three service centers, one retail shop, and two camp properties, we are committed to providing exceptional experiences that encourage Girl Scouts to explore their passions, embrace adventure, and create meaningful connections.

Our council is divided into service units based on location, with each identified via a three-digit code and name. The service unit team is an essential support system for their area.

To use your Activity Credits for program, event, or camp registration fees, mail the physical credits along with a completed payment form to Girl Scouts of Utah (GSU). *Because these credits are treated like cash, GSU must receive the original certificates to process your payment.*

Girl Scout Changemakers

As a Changemaker, you'll take the lead in dreaming up and hosting a Girl Scout Week activity on March 6. You'll build real-world marketing skills by helping cover council events and sharing the Girl Scout experience in your own voice.

And with all things Girl Scout, this is girl-led, you'll help decide what comes next! As a group, you'll choose whether to take on a Day on the Hill during the summer or create an unforgettable Cadette Day.

Along the way, you'll have the opportunity to earn a Leadership Award, putting you one step closer to completing your Highest Award. Most importantly, you'll build the skills confidence, and resilience to be a changemaker, advocate, and leader—as a Girl Scout.

Girl Scouts Give Back Day

February 6, 2027 | Statewide

We are the power of Girl Scouts!

This February, Girl Scouts will have the opportunity to put their creativity and compassion into action by creating their own invention or project focused on pet education and safety.

Project Preparation

In October, troop volunteers will receive recommendations and an activity outline, including ideas for donations and a list of organizations interested in receiving support. Girl Scouts will have a few months to dream, create, and prepare their projects and gather donations.

Girl Scouts Give Back Day

Then on February 6, we're giving back to the pets who bring comfort, companionship, and support to our mental health. Girl Scouts will come together to collect and share their donations, making a difference for pets and the people who love them.

What's Next?

While this is a service project, it can also be the spark for something bigger! Girl Scouts can use this experience to explore a Take Action project or work toward their Highest Award.

Celebrate World Thinking Day

Every year on February 22, Girl Scouts and Girl Guides in more than 150 countries around the world celebrate World Thinking Day, honoring their global community by doing activities around a shared theme.

And you don't need to wait until February 22 to get started! Start learning about World Thinking Day and embracing perspectives outside your own.

In 2027, we're celebrating the special theme Our People. Our People have created change and made a difference every day.

Check the GSU calendar for local events!

New Uniform Options for Older Girl Scouts

As announced during Girl Scouts Unite, older Girl Scouts will have new uniform options in October 2026.

Featuring differentiated colors, the new options include the classic vest and pocket sash; a blazer will be available March 2027.

Inspired by Girl Scout uniforms from the 1950s, Seniors will have the option to wear spruce green.

Ambassadors can wear slate blue, reflecting their place as the oldest Girl Scout level and the transition toward adult navy blue.

The new uniform options are an addition to the existing collection, creating additional choices for Seniors and Ambassadors.

Girl Scout Ceremonies

Ceremonies help Girl Scouts celebrate special moments and accomplishments throughout the year, such as bridging to another level or earning a National Leadership Journey award. They can plan a ceremony around a theme, such as friendship or nature, and express themselves in words or song.

Start your Girl Scout year with an Investiture or Rededication ceremony!

Investiture

An Investiture welcomes new members into the Girl Scout family for the first time. New Girl Scouts receive their membership pin as well as their grade-level pin at this ceremony. This is a great opportunity for new troops to come together as the Girl Scout year kicks off.

Rededication

Rededication is an opportunity for Girl Scouts, their families, and volunteers to renew their commitment to the Girl Scout Promise and Law. It can be a good way to bond and regroup after a summer break and prepare for the adventures to come.
