What's New from Paperblanks

Our Paperblanks Fall 2026 collection blends innovation with artistry, and we are so excited to finally share it with you.

This season we are pleased to reintroduce our pen loops with a new and improved look. This refreshed category combines our bestselling designs in a new material. Our pen loops are easy to remove and reposition, and they also double as a stylish page marker.

Beginning with Fall 2026, we are delighted to share that the interior zipper pockets of our canvas bags have increased in size. This update allows modern, larger phones to fit comfortably and hassle-free into our Paperblanks canvas bags.

Our Fourth Wing series returns in exciting new product categories. We are thrilled to expand this collection and bring even more of the magic from bestselling American author Rebecca Yarros in Fall 2026.

A new season also means brand new designs. This collection features a blend of classic Paperblanks covers alongside fresh collaborations, ensuring there is truly something for everyone. A standout addition is a striking portrait of Mexican artist and activist Frida Kahlo in our The Colourful Portrait design, a beautiful combination of storytelling and cultural impact.

A familiar favourite returns with our Generatio design. Originally released as a handstitched hardcover journal in 1998, this cover has been creatively reimaged to give it new life while remaining rooted in the original folio artwork from the Book of Kells.

While we celebrate the launch of Fall 2026, we also invite you to explore our full selection of previous Paperblanks collections and releases, all waiting to be discovered.

We hope you enjoy our latest products!

Shadows of Navarre

FOURTH WING · REBECCA YARROS' EMPYREAN COLLECTION

Rebecca Yarros reignited the romantasy genre with the release of *Fourth Wing* (2023), the first book in her *Empyrean* series. Centered around 20-year-old dragon-rider recruit Violet Sorrengail, the series defies traditional fantasy tropes by offering readers a female hero who is both formidable and deeply human.

THE BOOK OF KELLS

The Book of Kells is one of the artefacts most widely associated with Irish national identity and culture since its creation in the 9th century. Our design reproduces the famous Chi Rho page of the manuscript, with its hidden symbols and embellishments that exemplify the beauty of the Insular art style.

Golden Fritillaria

GOLDEN FRITILLARIA • NEW YORK BOTANICAL GARDEN

Rooted in the cultural fabric of the city, The New York Botanical Garden has been a connective hub among people, plants, and the planet since 1891. Our Golden Fritillaria design captures this spirit by spotlighting the decorative *Fritillaria imperialis* flower, alongside an iconic glass conservatory sketch by Lord & Burnham.

The Colourful Portrait

VIVA FRIDA

Frida Kahlo (1907–1954) was an iconic cultural figure who left a lasting mark on the art world through her self-portraits. She has inspired generations, not only artists and art lovers, but anyone who has suffered through tragedy. She is a powerful symbol of resilience, creative defiance, and emotional honesty.
