THE GREAT

CHRISTMAS

JOURNEY
FAIRMONT HANOI • FESTIVE

This festive season, Fairmont Hanoi's very first Christmas becomes The Great Christmas Journey, a celebration inspired by the legendary rail journeys woven into Fairmont's heritage and the enduring romance of travel captured in Paul Theroux's The Great Railway Bazaar.

Across the hotel, each destination reveals a different chapter: the warmth of an Italian Christmas table, the quiet precision of a Japanese winter journey, Vietnamese reunion dinners, festive Afternoon Tea and rooftop celebrations above Hanoi.

Along the way, trunks filled with stories and memories lead guests through glowing spaces, tables gathered in celebration and moments made to be carried home. Because every journey leaves something behind, a place to remember, a story to tell, a memory to treasure long after the festivities are over.

This Christmas, Fairmont Hanoi invites you to come aboard.

THE DEPARTURE POINT

CHRISTMAS TREE LIGHTING CEREMONY
From 18:00 on 04.12.2026 | Hotel Lobby

As the Christmas tree comes to life, The Great Christmas Journey officially begins. Trunks and suitcases gradually fill with memories, stories and wishes for the festive season.

A LETTER HOME

Send a wish. Continue the story.

Write a wish, a memory or a message to someone dear on an A Letter Home card, then place it beside the trunks beneath the Christmas tree in the hotel lobby — adding a new chapter to Fairmont Hanoi's Christmas story.

And from here, the journey continues...
