

Product and Allergen Disclaimer

W McClure Ltd as a Wholesaler of branded products is committed to supporting and assisting our customers in complying with their obligations under the 'Food Information to Consumer Regulations ("FIC")', which became legislation on the 13th December 2014.

W McClure has compiled the following allergen information based on information provided by our suppliers and Erudus. Whilst W McClure has certain processes to help ensure this information is up-to-date and accurate, W McClure cannot be held responsible for any inaccuracies or omissions in this information. This is particularly important because, where recipes and/or formulations are changed by the supplier, the information on the website may be inaccurate for a period of time, until such time as W McClure is notified by the relevant supplier or Erudus and such changes have been updated. Furthermore, it is possible that where a product recipe changes, there are products made to the old and new product specification in the supply chain.

Therefore, **customers are responsible for thoroughly reviewing all product labels, allergen declarations and ingredient details prior to resale or consumption. Additionally, proper storage and handling of products are essential to prevent spoilage and maintain quality. McClures is not liable for any adverse health effects, allergic reactions, or issues arising from improper storage or reliance on incomplete product information.**

*All images shown on the website are for illustrative purposes only and are provided for the sole purpose of giving an approximate idea of the product referred to and as serving suggestions only. The image may include items which are not comprised within the product itself so please read the product description carefully.
