PLAY IS THE GREATEST GIFT OF ALL

This Christmas, we're going big on the magic of play. It sparks imaginations, builds confidence, and turns "just five more minutes" into memories that stick. Every LEGO® masterpiece built, every remote control car race, and every giggly game of pretend play helps kids learn, connect, dream and grow – all while having the best time! Because childhood is better with a little Toys "R" Us magic.

Play brings the joy.
Play brings the family together.
Play brings the magic.
