TRUSTED BY JOINERS

So why use External Door Blanks?

It's simple really... you'll save time and money!

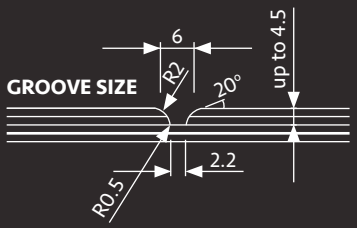

With timber prices rising, the production of doors is becoming more and more expensive. By using one of our **Aben-dør** door blanks, not only will you save on material costs you'll also ave on production time and cost.

The great thing about using these particular door blanks, is not only is it more cost effective, you'll actually end up with a more stable and thermally efficient door than a solid timber door.

WHAT OUR CUSTOMERS HAVE TO SAY ABOUT USING EXTERNAL DOOR BLANKS

Tom Buckler
JTP JOINERY

At JTP Joinery we've been using Aben-dør door blanks for over 2 years with great success. They are versatile, adaptable and most importantly stable and secure. The vast majority of our joinery is factory sprayed meaning we rely heavily on all materials taking a spray finish well, the Aben-dør door blank ticks all the boxes in this department. Overall a fantastic product at an affordable price.
