NORTHLAND WORKFORCE DEVELOPMENT CENTER

STEEL DELIVERED: 400 + TONS

GENERAL CONTRACTOR: JE DUNN CONSTRUCTION
ARCHITECT: CLARK & ENERSEN // **ENGINEER:** CLARK & ENERSEN

Our team recently topped out the Northland Workforce Development Center in Kansas City. This project included just over 400 tons of steel. This new facility will play an important role in preparing the future workforce, and we're proud our work will help support those opportunities for years to come.

RENOVATION UPDATES

The new building additions are really starting to take shape at the Paola office. These additions will include a brand-new front reception and entryway, upgraded break rooms with kitchen areas, and new training spaces designed to support our growing team.

PAOLA HIGH SCHOOL TOUR

We recently gave a tour of our facility to teachers from Paola High School. From seeing our new laser plate processing in action to taking home an engraved piece of steel, they experienced firsthand what a career in the steel industry can look like.

"When educators can see it, understand it, and experience it firsthand, they leave with a new outlook on the steel industry and the opportunities it creates for students. That's where the real impact starts."

- Tim Jones | *Organizational Development Specialist*

SAFETY EXCELLENCE AWARD WINNER

We're proud to share that Doherty Steel has been named a **2026 Safety Excellence Award Winner** in the Subcontractor Division.

This recognition reflects the commitment our entire team brings to safety every day, from the shop floor to the jobsite and everywhere in between.

"We are proud to accept this safety award on behalf of Doherty Steel Inc. The credit goes to the team that lives our core values of Safety, Quality, Integrity, Accountability, and Teamwork every day."

- **Matt Higgins, Director of Health and Safety**

Thank you to everyone at DSI who continues to set the standard and make safety a priority.

EARNING BEAM BUCKS

Don't forget to earn your **Beam Bucks**!

Complete the required activities listed on the forms, review them with a manager for approval, and submit the signed form to the designated department box outside McKennah Ring's office.

Want to check your balance?

Email McKennah (mckennah.ring@dohertysteel.com) to request your current **Beam Buck** total. If you're ready to redeem at the **Swag Shop**, let her know how many you'd like to use and she'll provide your code and update your balance accordingly.
