INTERNATIONAL BIBLE

COLLEGE

Crossroads International Bible College is an Australian government-recognised and registered not-for-profit Bible College, registered with the Australian Charities and Not-for-profits Commission (ACNC).

Affiliates must demonstrate that they share similar goals, structure and values, as aligned with our mission. By registering, Affiliates acknowledge and accept our terms of use and privacy policy.

Once we receive your signed registration form, including the name of your Affiliate Bible College, School or Ministry, we will issue a **Certificate of Registration**. CROSSROADS INTERNATIONAL BIBLE COLLEGE

AFFILIATE CONDITIONS, TERMS OF USE AND

PRIVACY AGREEMENT

Welcome and Purpose

Welcome to this website, designed for prospective Affiliate Bible Schools, Colleges, Ministries, Churches, Pastors and leaders.

By applying to become an Affiliate Member, and by signing this Affiliate Agreement, the applicant acknowledges and accepts these Affiliate Conditions, including Terms of Use, Privacy Policy, and the Statement of Beliefs of Crossroads International Bible College.

Affiliate approval is not automatic. Each application will be reviewed by Crossroads International Bible College according to ministry purpose, doctrinal agreement, and the level of study being requested.

Once an application is approved by the College, the Affiliate will be granted access to the College resources approved for that Affiliate level.

Affiliate Levels and Partnership Options

Crossroads International Bible College recognises different levels of Affiliate relationship. Each Affiliate is approved according to their ministry purpose, and the level of study they are authorised to undertake.

This structure allows churches and ministries to partner with the College in a way that is suitable to their training needs.

Affiliate Level 1 - Resource Affiliate

A Resource Affiliate is approved to access and utilise selected Bible teaching resources provided by Crossroads International Bible College.

This may include access to the available teaching booklets, Level 1 studies, and the Foundation Teaching Course, as approved by the College.

This level is suitable for churches, ministries, Pastors, leaders and Bible study groups that desire solid Biblical teaching material for local church training, foundational Christian instruction, and the spiritual strengthening of Believers.

Resource Affiliates may use approved materials for discipleship, group teaching, personal study, and local church instruction.

A Resource Affiliate is not automatically approved to offer the full Bible College curriculum, or the Advanced Diploma option, without further written approval being granted by Crossroads International Bible College. A Resource Affiliate is also not authorised to alter, or restructure in any way, official College study material.

Affiliate Level 2 - Special Approval Affiliate

A Special Approval Affiliate is approved to offer selected courses, as specifically authorised by Crossroads International Bible College.

This level allows the College to approve a church, ministry or training group to use a particular part of the curriculum for training purposes.

A Special Approval Affiliate may be approved for one or more selected levels of study, but is not automatically authorised to offer the complete Bible College curriculum. A Special Approval Affiliate must use any approved study material only in the official format supplied by the College. This level provides flexibility where a ministry may be well suited to offer certain studies, but not yet approved or equipped to operate as a Full College Affiliate.

Affiliate Level 3 - Full College Affiliate

A Full College Affiliate is approved to offer the full Crossroads International Bible College curriculum, subject to College requirements and ongoing oversight. This approval authorises delivery and supervision of the curriculum. It does not authorise the Affiliate to change, expand, restructure, or doctrinally modify any part of the official College curriculum.

This approval includes access to all approved teaching resources included in the Advanced Diploma course.

This level is suitable for churches and ministries who are doctrinally aligned with Crossroads International Bible College, and are able to provide appropriate oversight and student support. Full College Affiliates operate according to the requirements, standards, and ongoing oversight of Crossroads International Bible College.

Once we receive your signed form—including the name of your Affiliate Bible College, School, or Ministry—we will review it and issue your Certificate of Registration. The Affiliate Agreement must be signed by the authorised Head of the organisation, including their title, and must specify the email address to be used for all official correspondence.

As a Registered Affiliate, you will have access to our Google Drive Library, where you can download College resources organised under your registered name.

Each Affiliate has the freedom to establish their own criteria and develop a distinctive framework for their Bible School or College curriculum, utilising the teachings provided by Crossroads International Bible College.

For those who wish to partner with Crossroads, any curriculum incorporating Crossroads study materials must require students to answer all related questions based on the content presented in those materials.

CROSSROADS AND AFFILIATES PARTNERSHIP

Some Affiliates request that Crossroads International Bible College issue official Certificates of Achievement to their students.

Student assessments, including multiple-choice quizzes and exams, must be conducted according to the academic standards and guidelines established by the College. All exams must be administered in accordance with Crossroads' instructions to maintain academic integrity.

Upon successful completion of a course or series, students will receive an official certificate issued by Crossroads International Bible College on behalf of the Affiliate.

This partnership ensures that each certificate is uniquely branded, representing both:

- the Affiliate's identity,
- their chosen curriculum, and
- the academic credibility of Crossroads International Bible College.

Registered Affiliates Requesting Certificates and Diplomas

Affiliates who request the College to issue Certificates and Diplomas will receive documents that are co-branded to reflect both Crossroads International Bible College and the identity of their own Bible School.

Important Note for Student Assessments

In line with our study guidelines, the following disclaimer is clearly displayed before students answer any questions: **"We understand that not everyone participating in the studies will agree with every aspect of what is taught. However, each set of questions will clearly indicate that students are expected to answer based on the material presented in the Study Units."**

Recordkeeping and Certification Submission

Affiliates are responsible for maintaining an accurate registry of student achievements. Once a student completes a Series or Course:

- Their name and final percentage scores will either be automatically submitted via the College's tracking system
- OR
- Manually emailed to the College registry for certification processing.

Upon completing all three Series, students will be awarded and sent an **Advanced Diploma of Theology**, reflecting their average percentage score over the three Series.

FORTY HOURS OR MORE PER STUDY is to be devoted to each Module Unit before attempting to answer the questions. Once again, this would assist the student to retain and internalise the rich Biblical truths that are presented in God’s Word.

Purpose of the Advanced Diploma of Theology

The Advanced Diploma of Theology is designed to provide a comprehensive biblical and theological education for Christians who desire to grow in their knowledge and understanding of the Word of God, as well as for those preparing to enter Christian ministry.

The program enables students to study the Scriptures at a theological level, developing a deeper and more systematic understanding of biblical doctrine, theology, biblical interpretation, Christian belief and ministry. It is suitable both for Christians seeking greater

knowledge of God's Word for their own spiritual growth and service, and for those seeking the theological preparation necessary for ministry.

For those preparing for Christian ministry, successful completion of the Advanced Diploma of Theology represents completion of the theological component of their preparation as provided by Crossroads International Bible College.

The College recognises that theological education is only one part of preparation for Christian ministry. Practical ministry experience, character development, demonstrated calling, spiritual maturity, leadership ability and suitability for ministry are best developed and evaluated within the context of a local church or recognised Christian ministry.

Accordingly, completion of the Advanced Diploma of Theology demonstrates successful completion of the College's theological training program. It does not, by itself, constitute ordination or appointment to Christian ministry. The recognition, appointment or credentialing of a person for ministry remains the responsibility of the relevant church, denomination or ministry organisation.

Language Translations Available to Approved Registered Affiliates

Given that an AI-generated program has been used to translate the English master files, some languages may be only approximately 85% accurate (or better), while others may be less accurate. Therefore it is necessary for the Registered Affiliate to review each translation by comparing it to the master English version and making any necessary corrections. As a result, we require all Affiliates to agree to the following conditions:

By requesting our translation files from the College, you must agree not to use these non-English translations until they have been thoroughly reviewed, corrected and verified by a competent individual against the original English version. Only after this editing process should an Affiliate Member utilise this teaching material to develop their curriculum or teaching program.

Additionally, you are required to send all completed work via email or a similar method to the College for inclusion in their digital archives.

Furthermore, because many people in some countries struggle with reading and writing, we recommend that once a translation is finalised, Affiliates arrange for someone to read and record the teachings. This will allow the content to be shared in audio format with those who need it.

Multiple Choice Assessments

We understand that not every student will fully agree with every point presented in the Study Unit. In matters of doctrine and interpretation, sincere believers may hold differing views. However, for the purpose of assessment, students are required to answer all questions in accordance with the content and perspective outlined in the Study Unit.

This policy is not designed to suppress thoughtful theological reflection or personal conviction, but to maintain a consistent academic standard across the course. It ensures that each student is evaluated fairly—based not on personal background knowledge or denominational position, but on their engagement with and understanding of the material provided. This enables the College to accurately assess whether students have grasped the foundational principles as they are taught in the curriculum.

Moreover, this approach supports the integrity of a structured theological training process. By working within the framework of the provided content, students demonstrate discipline in learning, humility in receiving instruction, and respect for the educational journey set before them. This whole procedure also prepares them for further ministry training, where clarity of understanding and the ability to work within defined theological boundaries are essential.

Ultimately, this process fosters both academic excellence and spiritual maturity—ensuring that students are not only informed, but also developed in a way that equips them to serve with both knowledge and grace.

The multiple-choice questions are designed to assess students' understanding of the study material. While recognising that students may not agree with every point, we require their responses to reflect the content presented in the Study Units.

Each question offers up to four possible answers (a, b, c, or d). Students are encouraged to read each question and its answers carefully before selecting the correct option on the provided **1-100 answer sheet**. Performance is evaluated by percentage, and those completing the course will receive a **Certificate of Completion** based on their average score.

Progressive Release Program

The Progressive Release Program is designed to help Christians move steadily through the teaching booklets in a clear and manageable order.

Participants normally receive six booklets every six months. This allows time to read, study, pray, reflect, and apply the teaching personally.

The purpose is not merely to collect information, but to encourage steady growth in the Christian life.

The booklets are arranged in a progressive teaching order, beginning with foundational Christian truths and then moving into Bible study, faith, prayer, healing, the Holy Spirit, spiritual growth, doctrine, covenant, Christian conduct and other important areas of Biblical teaching.

Why the Resources Are Released Progressively

The Progressive Release Program helps believers avoid becoming lost in a large library of material. Instead of receiving many booklets at once, each participant receives a smaller group of studies suited to the next stage of their growth.

This approach helps believers:

- begin with the most important foundations;
- study at a steady and realistic pace;
- avoid becoming overwhelmed;
- build truth upon truth;
- revisit and deepen important subjects;
- remain focused and consistent;
- continue through the material in an orderly way.

Some subjects may appear more than once in different ways. This is intentional. Important truths often need to be refreshed, reinforced and developed more deeply as a believer grows.

Continuing in the Program

At the end of each six-month period, participants will be asked to confirm that they are still continuing with the program and would like to receive the next release of booklets.

This simple confirmation helps ensure that the teaching resources are being used thoughtfully and that further material is only sent to those who still desire to continue.

If a participant does not continue immediately, their place in the program can simply pause until they are ready to resume.

Personal Study and Responsible Use

The teaching booklets are provided for personal Christian study, discipleship and spiritual growth.

Participants are asked to use the material respectfully and not to alter, sell, publish, reproduce or redistribute the booklets without written permission from Crossroads International Bible College.

The goal of these resources is to help believers grow in the Word of God, become established in truth, and walk more fully in the life and power of the Holy Spirit.

CROSSROADS INTERNATIONAL BIBLE COLLEGE

AFFILIATE CONDITIONS, TERMS OF USE AND

PRIVACY AGREEMENT

Welcome and Purpose

Welcome to this website, designed for prospective Affiliate Bible Schools, Colleges, Ministries, Churches, Pastors and leaders.

By applying to become an Affiliate Member, and by signing this Affiliate Agreement, the applicant acknowledges and accepts these Affiliate Conditions, including Terms of Use, Privacy Policy, and the Statement of Beliefs of Crossroads International Bible College.

Affiliate approval is not automatic. Each application will be reviewed by Crossroads International Bible College according to ministry purpose, doctrinal agreement, and the level of study being requested.

Once an application is approved by the College, the Affiliate will be granted access to the College resources approved for that Affiliate level.

Affiliate Levels and Partnership Options

Crossroads International Bible College recognises different levels of Affiliate relationship. Each Affiliate is approved according to their ministry purpose, and the level of study they are authorised to undertake.

This structure allows churches and ministries to partner with the College in a way that is suitable to their training needs.

Affiliate Level 1 - Resource Affiliate

A Resource Affiliate is approved to access and utilise selected Bible teaching resources provided by Crossroads International Bible College.

This may include access to the available teaching booklets, Level 1 studies, and the Foundation Teaching Course, as approved by the College.

This level is suitable for churches, ministries, Pastors, leaders and Bible study groups that desire solid Biblical teaching material for local church training, foundational Christian instruction, and the spiritual strengthening of Believers.

Resource Affiliates may use approved materials for discipleship, group teaching, personal study, and local church instruction.

A Resource Affiliate is not automatically approved to offer the full Bible College curriculum, or the Advanced Diploma option, without further written approval being granted by Crossroads International Bible College. A Resource Affiliate is also not authorised to alter, or restructure in any way, official College study material.

Affiliate Level 2 - Special Approval Affiliate

A Special Approval Affiliate is approved to offer selected courses, as specifically authorised by Crossroads International Bible College.

This level allows the College to approve a church, ministry or training group to use a particular part of the curriculum for training purposes.

A Special Approval Affiliate may be approved for one or more selected levels of study, but is not automatically authorised to offer the complete Bible College curriculum. A Special Approval Affiliate must use any approved study material only in the official format supplied by the College. This level provides flexibility where a ministry may be well suited to offer certain studies, but not yet approved or equipped to operate as a Full College Affiliate.

Affiliate Level 3 - Full College Affiliate

A Full College Affiliate is approved to offer the full Crossroads International Bible College curriculum, subject to College requirements and ongoing oversight. This approval authorises delivery and supervision of the curriculum. It does not authorise the Affiliate to change, expand, restructure, or doctrinally modify any part of the official College curriculum.

This approval includes access to all approved teaching resources included in the Advanced Diploma course.

This level is suitable for churches and ministries who are doctrinally aligned with Crossroads International Bible College, and are able to provide appropriate oversight and student support. Full College Affiliates operate according to the requirements, standards, and ongoing oversight of Crossroads International Bible College.

Depth of understanding	Structured progression into deeper layers of each doctrine---STRONG	✓ Strong
Application of knowledge	Doctrinal focus, applied via theological reasoning---MODERATE TO STRONG	✓ Moderate to Strong
Planning and self-direction	Fully independent study format---STRONG	✓ Strong
Communication and teamwork	Not formally evaluated--LIMITED	△ Limited
Practical ministry application	Covered theologically, not peer-reviewed or practised---THEORETICAL ONLY	△ Theoretical only

Summary Evaluation

- The Crossroads' program **clearly satisfies** most Level 6 expectations in terms of **content, scope, depth and structure**.

- It surpasses typical AQF Level 6 programs in **volume and breadth**.
- While limited in formal ministry practicum and peer interaction, it is effective for foundational ministry training and theological instruction.

Conclusion:

The Crossroads International Bible College program represents a highly structured, theologically sound, and pedagogically progressive course of study that aligns strongly with the academic rigour and expectations of AQF Level 6. Through its 46 systematically arranged teaching units—spanning over 3,500 pages of core doctrinal content—it delivers a clear and coherent theological framework suitable for serious students of the Word who are preparing for ministry or academic progression.

The inclusion of rigorous multiple-choice examinations, undertaken according to integrity-based protocols using only the Bible, provides a credible means of assessing knowledge retention and Biblical literacy. While the course does not include traditional essay-based writing or peer-reviewed ministry practicum, its strength lies in its high-content, self-paced delivery – making it ideal for a global, digitally-connected student base.

Furthermore, the curriculum's Pentecostal distinctives are not isolated doctrinal statements, but are instead embedded in a broader theological narrative that reinforces the spiritual, intellectual and missional dimensions of Christian faith. The method of progressive repetition – where topics are revisited later in the course for deeper exploration—reflects best practice in adult learning and doctrinal development.

While lacking in face-to-face mentorship or pastoral fieldwork components, the course does not present itself as a substitute for such. Rather, it provides the intellectual infrastructure upon which ministry practice can be built—either through local church supervision, denominational credentialing, or further study at AQF Level 7 (Bachelor level).

In light of its theological depth, structural soundness, doctrinal coherence, and the spiritual intentionality of its design, the Crossroads' program is best described as a **robust equivalent of an Advanced Diploma in Theology**. For institutions or bodies considering recognition, articulation (granting subject exemptions or credit in relation to further theological training), or pathway development, this course would serve as a strong candidate for credit toward Bachelor-level studies or ministry credentialing.

Crossroads International Bible College Evaluation of Multiple Choice Assessment Methodology

Purpose: This document provides a third-party analysis of the multiple-choice question sets used across the 46-unit curriculum at Crossroads International Bible College. It evaluates the theological depth, pedagogical soundness and academic comparability of the assessments.

Strengths Observed

1. Doctrinal Alignment

Each assessment is integrated with the theological content of the corresponding study unit. The questions reflect strong Pentecostal doctrine and demand familiarity with the specific teachings.

2. Critical Thinking Encouraged

Many questions go beyond basic recall and assess for doctrinal discernment. Students are often required to distinguish between subtly incorrect theological positions and Biblically grounded truths.

3. Hermeneutical Integration

Questions frequently examine students' grasp of proper Biblical interpretation (literal vs symbolic, exegesis vs eisegesis, etc.), demonstrating an emphasis on Biblical accuracy and sound hermeneutics.

4. Comprehensive Theological Scope

The Crossroads' course demonstrates a wide-ranging and systematically layered theological framework, progressively developed across all 46 units. Each unit is supported by structured doctrinal teaching and multiple-choice questions, designed to test relevant and specific Biblical understanding.

The curriculum systematically addresses major fields of theology, including:

- **Bibliology** – The Bible and Its Authorship, Inspiration, Canon
- **Theology Proper** – The Nature of God, the Trinity
- **Christology** – The Deity, Humanity and Work of Christ
- **Pneumatology** – Baptism in the Holy Spirit, Gifts of the Spirit, Empowerment
- **Soteriology** – Salvation, Regeneration, Grace, Sanctification
- **Hamartiology** – The Fall of Man, the Sin Nature, Redemption
- **Ecclesiology** – The Church, Ministry, Ordinances, Leadership
- **Eschatology** – The Rapture, the Return of Christ, End Times
- **Covenant Theology** – God's Covenants across Scripture
- **Christian Living & Discipleship** – Prayer, Worship, Purpose, Authority

The scope of this curriculum mirrors and aligns with the doctrinal and theological categories covered in formal Bible college programs at the diploma and undergraduate level, particularly those within Pentecostal-Charismatic traditions.

5. Integrity Safeguards

All assessments require a **student declaration** to reinforce academic honesty, spiritual accountability, and the personal responsibility of study. This safeguards both the **credibility of the certificate** and the **genuine development of the student**.

Before accessing any multiple-choice assessment, each student must agree to the following declaration:

Student Declaration

A: I declare that I have spent 40 hours or more studying the content of this teaching unit before answering these questions. I commit to answering these questions from the Bible alone. I will not refer to this Study Unit or any external sources. I may use a standard Bible that includes cross-references, headings, or basic study helps. My answers will reflect my personal study of God's Word.

A: YES, I confirm this is true, and I declare it honestly before God.

This declaration serves **two purposes**:

-  It upholds **exam integrity** by ensuring the student does not rely on notes, guides or external help.
-  It promotes **spiritual accountability**, reminding the student that their learning is done before God, not merely in accordance with an academic establishment.

This standard helps ensure that all assessments are not only fair but also reflect genuine spiritual growth and theological comprehension.

Academic Comparison

- The multiple-choice question sets, in combination with the curriculum, reflect the academic level of an **Advanced Diploma** or **Associate Degree** in theology.
- The structure, content and doctrinal focus are comparable to **undergraduate Year 1–2 full time coursework** at Bible colleges.
- When administered with declared integrity and paired with your unit content (3,500 A5 pages of study material), these assessments meet a credible, internal academic standard.

Conclusion:

Crossroads International Bible College has implemented a well-structured, theologically sound multiple-choice assessment system that aligns with serious theological education. While non-accredited, the format and rigour are commendable and suitable for both internal certification and articulation consideration i.e. its structure and quality may allow other colleges to consider granting recognition in relation to their own accredited programs. It could therefore function as a pathway to further accredited theological training.

Online Delivery Strategy

Due to the college's global reach and limited personnel, all study units and assessments are delivered **online. The course is structured specifically to accommodate thousands of students around the world.**

"Due to the scale and reach of Crossroads International Bible College, all assessments are delivered through doctrinally rigorous, multiple-choice questions. This format allows scalable, consistent and Biblically grounded evaluation while remaining accessible to thousands of global students. Assessment integrity is maintained by a declaration system ensuring only the Bible is used during testing."

This approach ensures that assessment remains pedagogically effective and logistically sustainable for a decentralised student body.

Conclusion:

Crossroads International Bible College has implemented a well-structured, theologically sound multiple-choice question assessment system that aligns with serious theological education. While non-

accredited, the format and rigour are commendable and suitable for both internal certification and articulation consideration.

Final Assessment

The Crossroads International Bible College program represents a **highly structured, theologically rich, and pedagogically coherent** course of study that aligns strongly with the academic rigour and expectations of **AQF Level 6 (Advanced Diploma in Theology)**.

Though the 75+ study booklets do not add to the total page count, they serve as an **intentional instructional design tool**, segmenting the 46 teaching units into **accessible, topic-focused components**. This improves the **clarity, navigability and engagement** of the material—especially important in an **online, self-directed global learning model**.

The full program includes:

- Approximately **3,500 A5 pages** of systematically organised doctrinal teaching
- Approximately **1,000 A5 pages** of carefully constructed, Bible-only multiple-choice questions
- **Doctrinal progression** where core topics are revisited later in the course with greater depth and theological interconnectivity
- **Pentecostal distinctives** are embedded throughout the structure rather than being isolated in a few units
- A delivery model designed for **scale and accessibility**, reaching thousands of global students online

While the course does not incorporate peer dialogue, formal academic writing, or supervised ministry placement, it was never designed to substitute those elements. Instead, it offers the **doctrinal and intellectual infrastructure** needed for further ministry preparation, academic advancement, or integration with local church-based mentoring and denominational credentialing processes.

Academic Equivalency Statement

Based on its content volume, structure, progressive theological depth, and distance-education delivery model, the program is best described as being **equivalent to an Advanced Diploma of Theology (AQF Level 6)**.

It is a strong candidate for:

- **Credit transfer or articulation** into Bachelor-level theological programs (AQF Level 7)
- **Entry-level credentialing pathways** for pastoral and teaching ministries
- **Recognition by faith-based institutions** as intellectual preparation for pulpit and doctrinal teaching ministries

*This evaluation confirms that Crossroads International Bible College delivers a **credible, academically sound and spiritually intentional theological education** for a broad global audience—especially those pursuing a ministry calling through online platforms.*

STATEMENT OF BELIEFS

We hold to the same statement of beliefs as the Australian Christian Churches (A.C.C.).

"The Holy Scriptures, known as the Bible, is the inspired Word of God and our all-sufficient rule for faith and practice. These articles of faith of the Australian Christian Churches (formerly Assemblies of God in Australia), grounded in these scriptures, are given as a basis for belief, fellowship and ministry "that we all preach the same thing" (1 Corinthians 1:10). Let it be remembered, however, that this is not given as a summary of the complete revelation of biblical truth, only that it covers our present needs as to these fundamental doctrines."

CROSSROADS COLLEGE STATEMENT OF BELIEFS is as follows:

THE ETERNAL GODHEAD.

We believe in God, who is eternal and self-existent, revealed as one being in three persons, Father, Son, and Holy Spirit, and the creator of all things.

THE LORD JESUS CHRIST.

We believe in Jesus Christ, the eternal Son of God, who was conceived of the Holy Spirit and born of the Virgin Mary. He lived a sinless life, ministering in teaching, healing, and miracles. He was crucified and died on our behalf. He rose from the dead and ascended into heaven, where He is now seated and exalted at the right hand of the Father as the risen Lord and intercessor.

THE HOLY SPIRIT.

We believe in the Holy Spirit, fully divine, who proceeds from the Father and the Son. He convicts, regenerates and sanctifies, and guides believers into all truth.

THE HOLY BIBLE.

We believe that the Bible is the inerrant, inspired, and infallible Word of God and our highest authority for faith and practice.

CREATION.

We believe that God created the universe and that all people are created in the image of God, to love and worship God.

THE DEVIL.

We believe in the existence and person of the devil, who actively opposes the purposes of God.

THE FALL OF HUMANITY.

We believe that all people have rejected God through their sinful acts and are separated from God.

THE ATONEMENT.

We believe that salvation is found in Jesus Christ alone who, by His suffering, shed blood, death on the cross, and resurrection, has made full atonement for the sins of all people. We receive salvation by grace through repentance and faith in Jesus Christ.

THE CHURCH.

We believe that the Church, the body of Christ, is the community of people who confess faith in Jesus Christ. While universal, the church is local in expression and witness. It exists for worship, fellowship, evangelism, discipleship, and mission. Gifts of ministry are given by Christ to strengthen and mature the church.

WATER BAPTISM.

We believe in water baptism by single immersion in the name of the Father, the Son, and the Holy Spirit. It is a public declaration of a person's faith in, and identification with, the death, burial and resurrection of Jesus Christ.

THE LORD'S SUPPER.

We believe in the Lord's Supper, which is in symbolic remembrance of the sacrifice of Jesus Christ until He returns.

SANCTIFICATION.

We believe in the regenerating work of the Holy Spirit, who convicts people of their sin and inspires repentance and faith. The Holy Spirit transforms believers into the likeness of Jesus Christ.

THE BAPTISM IN THE HOLY SPIRIT.

We believe in the baptism of the Holy Spirit, which is a transformative experience, distinct from and subsequent to salvation. It is available to all believers and accompanied by the initial evidence of speaking in tongues. It results in empowerment for effective witness to the world.

GIFTS OF THE HOLY SPIRIT.

We believe that the Holy Spirit imparts spiritual gifts to believers for ministry to one another, the Church, and the world.

DIVINE HEALING.

We believe that God heals today through the atoning work of Jesus Christ. By praying in faith for healing and miracles, we bear witness to and continue the ministry of Jesus Christ.

THE SECOND COMING OF CHRIST.

We believe in, and look forward to, the imminent and personal return of Jesus Christ to gather his people to Himself and to judge the living and the dead. His kingdom will have no end.

THE PUNISHMENT OF THE WICKED.

We believe in the resurrection of the body. All who believe in Jesus Christ will have everlasting life in the presence of God; those who reject Him will have eternal separation from God. It is the call of all believers to proclaim the message of Jesus Christ until He returns.

Given that an AI-generated program has been used to translate the English master files, some languages may be only approximately 85% accurate (or better), while others may be less accurate. Therefore it is necessary to review each translation by comparing it to the master English version and making any necessary corrections. As a result, we require all Affiliates to agree to the following conditions:

By requesting our translation files from the College, you agree not to use these non-English translations until they have been thoroughly reviewed, corrected and verified by a competent individual against the original English version. Only after this editing process should an Affiliate Member utilise this teaching material to develop their curriculum or teaching programs.

Additionally, you agree to send all completed work via email or a similar method to the College for inclusion in their digital archives.

Furthermore, because many people in some countries struggle with reading and writing, we recommend that once a translation is finalised, Affiliates arrange for someone to read and record the teachings. This will allow the content to be shared in audio format with those who need it.

CROSSROADS INTERNATIONAL BIBLE COLLEGE

WELCOME LETTER TO REGISTERED LEVEL 3 AFFILIATES

Crossroads International Bible College is an Australian government-recognised and registered not-for-profit Bible College, registered with the Australian Charities and Not-for-profits Commission (ACNC).

Welcome to the Crossroads International Bible College

We are delighted to welcome you as a registered Affiliate Member of Crossroads International Bible College! Your decision to implement our comprehensive program marks a significant milestone in your commitment to enhancing the spiritual growth of your community, as a vital component of the Body of Christ.

Christian Foundation Studies Course

As you integrate our Christian Foundation Studies Course into your curriculum, your community members will benefit from the 7 initial studies designed to build a strong Biblical understanding of foundational doctrine. Each Study Unit is carefully crafted to deepen students' knowledge and faith, and includes questions that reinforce key teachings, with a guided review section at the end of each Study Unit, where students select the correct answers from multiple options to reinforce their understanding and spiritual growth. We are confident that this course will provide a solid framework for all who are seeking to either instil, or be refreshed in, important spiritual principles and core beliefs.

To fully benefit from these studies, students should dedicate **TWENTY HOURS OR MORE OF STUDY** for each of the **SEVEN FOUNDATION STUDY UNITS** before attempting to answer the questions. This approach will help students retain and assimilate the Biblical truths that are highlighted and revealed.

Note: The College booklet titled "**STUDYING**" is designed to help students maximize the effectiveness of their studies and achieve optimal results.

Theological Foundation Module Series

As students progress, our Theological Foundation Module Series will offer a structured and engaging pathway to facilitate deeper spiritual learning and understanding. These units are designed to be applicable and highly beneficial not only for those who are young in the faith, but also for older Christians, as well as those aspiring to enter into ministry or those already involved in ministry.

With Series 1, 2, and 3, your students will explore a wide range of Christian doctrines and their application, supported by multiple-choice questions that challenge and inspire. Upon completing each Series, students will receive Certificates of Completion which recognise their achievement. Upon completing all three Series, students will be awarded and sent an Advanced Diploma of Theology, reflecting their average percentage score over the three Series.

FORTY HOURS OR MORE PER STUDY is to be devoted to each of the Module Study units before attempting to answer the questions. Once again, this would assist the student to retain and assimilate the precious Biblical truths that are expounded from the Word.

Purpose of the Advanced Diploma of Theology

The Advanced Diploma of Theology is designed to provide a comprehensive biblical and theological education for Christians who desire to grow in their knowledge and understanding of the Word of God, as well as for those preparing to enter Christian ministry.

The program enables students to study the Scriptures at a theological level, developing a deeper and more systematic understanding of biblical doctrine, theology, biblical interpretation, Christian belief and ministry. It is suitable both for Christians seeking greater knowledge of God's Word for their own spiritual growth and service, and for those seeking the theological preparation necessary for ministry.

For those preparing for Christian ministry, successful completion of the Advanced Diploma of Theology represents completion of the theological component of their preparation as provided by Crossroads International Bible College.

The College recognises that theological education is only one part of preparation for Christian ministry. Practical ministry experience, character development, demonstrated calling, spiritual maturity, leadership ability and suitability for ministry are best developed and evaluated within the context of a local church or recognised Christian ministry.

Accordingly, completion of the Advanced Diploma of Theology demonstrates successful completion of the College's theological training program. It does not, by

itself, constitute ordination or appointment to Christian ministry. The recognition, appointment or credentialing of a person for ministry remains the responsibility of the relevant church, denomination or ministry organisation.

Spiritual Growth Series- hyperlinked booklet

With many teaching booklets covering an extensive array of doctrines—accessible through hyperlinks in our online Crusade Booklet—we've developed a valuable resource for spiritual growth. In the *Spiritual Growth Series*, we've prepared a six-session outline—which can be extended or tailored to suit your teaching needs—as a suggested guide for teaching the foundational truths of God's Word to new Christians. This provides much-needed spiritual nourishment and helps new believers grow, become stable, and strengthen their relationship with the Lord. Remember, people need to learn progressively—line upon line, precept upon precept (Isaiah 28:10)—and we have endeavoured to create this opportunity through this carefully designed booklet.

Extensive Teaching Resources for Leaders and Others.

We are also pleased to provide you with access to our extensive collection of over 75 teaching resources in a Progressive Release Program. These teaching booklets are designed to equip your leaders and members with the doctrinal depth and practical insights necessary for effective ministry and service. Whether used to refresh current leaders or to educate members with varying levels of knowledge and experience, these resources will become an invaluable asset to your community as it functions within the Body of Christ.

STUDYING - (start here) ***expanding your studies***

YOU MUST COMPLETE THIS REQUIREMENT TO START THE COURSE

We have prepared this guide on how to approach the study of God's Word so that you may gain the maximum benefit from each study, deepen your relationship with the Lord and strengthen your walk with Him. The study of the Word requires more than just casually reading the material. We need to examine the teachings by looking into each section and challenging ourselves as to whether we have understood what we have read - firstly at an intellectual level, and then at a spiritual level with, of course, the help of the Holy Spirit.

Preparing the Heart and Mind for Theological Studies

Study Guide for Pre-Theological Students

This booklet is intended as a preparation for all students entering into structured Biblical training through Crossroads International Bible College. It is not merely a collection of study tips but a spiritual invitation to transformation through disciplined, Spirit-led engagement with God's Word.

You are encouraged to approach your studies with reverence and dedication. The following guidelines and reflections have been set out to prepare you to gain the greatest benefit from each unit of study you undertake.

Each study unit in this course has been carefully constructed to contain not only Biblical and theological insight but also spiritual instruction that can only be properly assimilated through time, prayer, repetition and reflection.

Because of this, each unit is designed to require 30 to 40 HOURS OR MORE of personal study.
