“VITAMINS FOR YOUR VISION”

WHO WE ARE

At Avocado Advertising, we help brands make a lasting impression through thoughtful premium corporate gifts.

We work with businesses to select gifts that reflect their brand and show appreciation for the people who matter to them. From practical everyday items to memorable promotional products, our range helps build meaningful connections with clients, teams, and partners.

Our offering also includes customizable apparel, trophies, gift sets, and NFC-enabled products. We take the time to understand each client's needs and deliver quality solutions that align with their vision.

We believe a sustainable gift is one that is made to last, valued, and used over time. By choosing durable, practical products, businesses can give gifts that keep their brand top of mind long after they are received.

At Avocado Advertising, we're committed to growing with our clients and building lasting relationships through reliable service and carefully chosen products.

Ai-VISION

AV-TC001

Smart glasses with AI features such as chat, assistant, language interpretation & translation, and meeting recording. Equipped with UV400 lenses to protect against harmful UV rays. The lenses are removable and can be replaced according to your eye grade. Includes Bluetooth functionality with a MEMS microphone to connect to your mobile phone for music and calls. Clear lens and sunglasses options are available.
Product Size: 15.5 × 5.3 × 3.6 cm (folded).

FINDMY

AV-TC002

A slim, eco-friendly recycled PU leather passport holder with secure storage and built-in tracking compatible with Apple Find My and Google Find Hub, combining smart security, modern design, and travel convenience in one compact accessory.

ORBIT FINDY TAG

AV-TC003

A sleek, round on-the-go tag designed for everyday convenience. Featuring Dual Find technology, it works seamlessly with Apple Find My and Google Find Hub, helping you track your belongings with ease. The simple and clean welded design makes it ideal for use anytime and anywhere.

MINI TAG

AV-TC004

A stylish and functional accessory designed to keep your belongings identifiable. This tag combines minimalist design with durability, making it perfect for bags, luggage, or tech accessories. It features integrated tracking compatible with major smartphone finding networks. Product Size: 3.8x21.5x0.7cm.

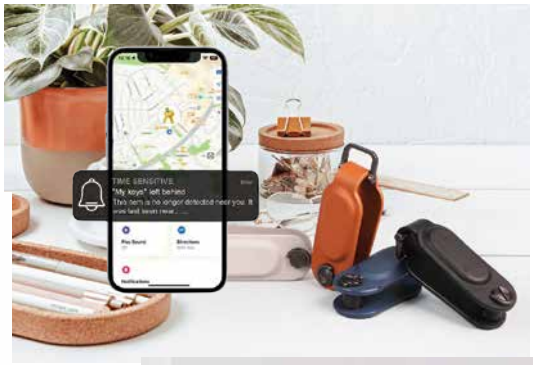

SQKEYFIND

AV-TC005

SQKEYFIND is a compact recycled PU key organizer with built-in tracking compatible with Apple Find My and Google Find Hub, offering smart, eco-friendly key management in a sleek and portable design

ROUNDYFIND

AV-TC006

A compact, round key organizer made from durable recycled PU, featuring built-in tracking compatible with Apple Find My and Google Find Hub, combining smart technology, minimalist design, and eco-friendly functionality in a premium black box package.

KEYSPOT

AV-TC007

A compact and lightweight anti-loss locator and finder that easily attaches to keys, bags, wallets, or other valuables, helping you keep track of your essentials with Bluetooth 4.2 connectivity, a loud ≥85 dB buzzer, ZFINDER app compatibility, a replaceable CR2032 battery lasting 3–6 months, and an effective range of up to 15 meters.

SMARTFY TAG

AV-TC008

A sleek, minimal tracker with a premium matte finish. Features a dual tracking system compatible with Apple Find My and Android Google Find Hub, with no additional app required. Includes a keyring for easy attachment to keys, bags, or luggage. Powered by an easily replaceable CR2032 battery with a lifespan of up to one year.
Product Size: 4.2 × 4.2 × 0.8 cm.

GPS TRACKER

AV-TC009

GPS Tracker Air Tag & NFC Digital Business Card A sleek, multifunctional device that combines smart tracking with a digital business card. Ultra-thin and compact, it fits easily in wallets or attaches to your belongings. Compatible with iOS and Android, it works with Apple Find My and Google Find My Device for seamless tracking.

FINDY TAG

AV-TC010

Findy Tag is an MFI-certified worldwide item tracker that pairs with Apple's Find My network, similar to an Apple AirTag®. It offers a simple way to keep track of your belongings—just attach it to your keychain, wallet, luggage, backpack, or any compatible accessory, and track it globally via the Apple Find My app. Superior to standard Bluetooth trackers, Findy Tag is MFI-certified and Apple-approved for global tracking. Slim and AirTag-compatible, it fits seamlessly into various AirTag accessories. Never lose your important items again!

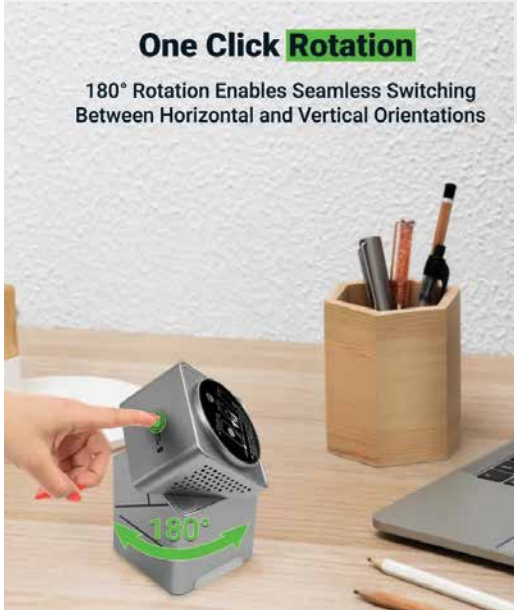

SPINFLOW

AV-TC011

A sleek silver 3-in-1 rotating magnetic wireless charging station with 15W fast charging, dedicated power zones for earbuds and smartwatch, Qi compatibility, and MagSafe support for iPhone 12 and later, combining smart performance with adjustable viewing convenience.Packaging: Paper Box
Product Size: 8 × 6 × 2.8 cm.

HUBMAX

AV-TC012

Featuring a sleek gunmetal finish, this high-capacity 10-in-1 wireless charging station serves as a modern, centralized hub for all your connectivity and power needs. It combines MagSafe-compatible wireless charger with multiple ports, including three USB 3.0 slots, HDMI, and Type-C connections supporting up to 100W PD charging. For added versatility, it also includes a 1000Mbps LAN port, SD and TF card readers, and a dedicated host connection, all housed in a compact and durable design.

MOONMAX

AV-TC013

Crafted with a sleek gunmetal finish wireless charger, this high-capacity 10-in-1 charging station serves as a comprehensive connectivity hub for any modern workspace. It features MagSafe-compatible wireless charging alongside an extensive array of ports, including three USB 3.0 slots, HDMI for external displays, and multiple Type-C connections with 100W Power Delivery support. This versatile device also ensures high-speed networking via a 1000Mbps LAN port and provides easy data access through integrated SD and TF card readers.

.

SYRANI

AV-TC014

This compact 3-in-1 magnetic wireless charger features integrated RGB ring lights and is designed to simultaneously power your phone, earbuds, and smartwatch. It folds flat to accommodate both MagSafe-compatible and standard wireless charging devices, making it a versatile addition to any setup.

MAG 3 in 1

AV-TC015

3-in-1 unique design magsafe wireless charger for mobile, airpods and apple watch. Input Type-C: 9V/3A; Output: 15W/10W/7.5W/5W.
Product Size: 13.9x8x3.45cm..

COMPACT FOLD

AV-TC016

Compact foldable 3-in-1 MagSafe wireless charger with adjustable viewing angles. Designed to charge smartphones, AirPods, and Apple Watch simultaneously. Includes a 1-meter Type-C to Type-C cable, making it ideal for desktop or travel use.

DESK CHARGE

AV-TC017

This recycled PU (RCS-certified) desktop organizer tray features a foldable 3-in-1 MagSafe wireless charger delivering 5W + 5W + 2.5W output to power your phone, AirPods, and Apple Watch in one sleek, space-saving design.

BENT N CHARGER

AV-TC018

This 3-in-1 wireless charger is crafted from recycled PU and ABS material, providing a sustainable and efficient charging solution for multiple devices. It weighs 0.253 kg and is designed to keep your tech essentials powered and organized in a sleek, compact form. Product Size: 151 x 23 x 126 mm

FOLDYMAG

AV-TC019

This sleek 3-in-1 wireless charger delivers 15W fast charging for smartphones, dedicated watch charging compatible with both Apple and Samsung, and a 5W charging pad for AirPods. Designed as a compact, foldable stand, it is ideal for both home and travel use. Crafted from recycled PU material, it combines functionality with a clean, modern look.

TECKEY

AV-TC020

This compact 3-in-1 foldable MagSafe charger is designed for flexible viewing angles and effortless snap-on charging. Compatible with the Qi wireless charging standard, it offers a portable multi-device solution with a customizable 40 x 70 mm printing area for branding.
Product Size: 125.22 x 65.97 x 12.5 mm

ALAUA

AV-TC021

A foldable 3-in-1 MagSafe-compatible wireless charging station with adjustable 3-level LED night lamp, 20W adapter included, advanced safety protection (temperature, over-charge, over-current, over-voltage, and foreign object detection), delivering fast and efficient charging for smartphone, smartwatch, and earbuds at home, office, or travel.

Product Size: 10x10x8.17cm. Packaging: Kraft Paper Box

SPEEDY CHARGER

AV-TC027

This multifunctional 3-in-1 fast-charging stand is a sleek docking solution designed to power an iPhone, Apple Watch, and AirPods simultaneously, supporting Qi-standard charging with 75% efficiency and a 4–8mm charging distance. Operating at 110–205 KHz with an input of DC 9V/2A or DC 5V/3A, it delivers 15W for phones, 5W for earphones, and 2W for watches, and can be customized with an engraved logo featuring a premium lightup logo effect for enhanced branding.

WERTEX

AV-TC028

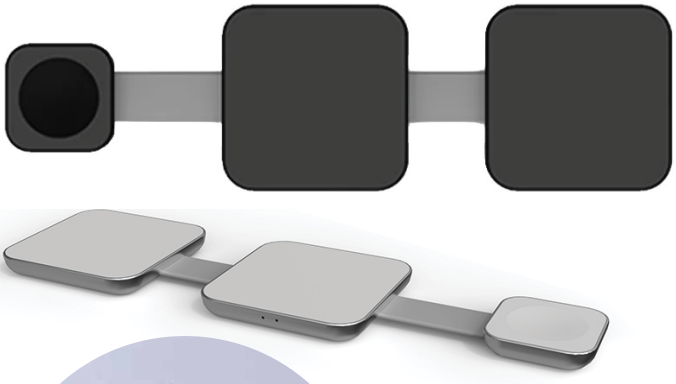

The Foldable LightUp 3-in-1 Wireless Charging Station is a compact and portable charging dock with lightup logo featuring 15W fast wireless charging for smartphones, 3W for Apple Watch, and 2.5W for AirPods (Max Output: 15W + 3W + 2.5W), with input support of 5V/2A and 9V/2A, a customizable light-up logo panel, foldable space-saving design, 1-meter USB-A to Type-C cable, and sleek black finish—ideal for office use, travel, and premium corporate gifting.
Product Size: 165 x 140 x 15 mm

WIRELESS TRIFOLD

AV-TC029

Charge your phone and earbuds with the compact TriCharge 3-in-1 Wireless Charger. It supports 18W USB-C PD or QC 3.0 fast charging, with up to 15W wireless output, 3W for AirPods, and 5W via Type-C + USB ports. Featuring a sleek, durable design, it's ideal for daily use at home or on the go.

TRIONT

AV-TC030

This portable 3-in-1 wireless charger is crafted from a premium blend of aluminum alloy and leather. It provides high-speed 15W power for mobile phones, alongside dedicated outputs for headphones and smartwatches, all via a convenient Type-C interface and included fast-charging cable.

BENT N CHARGER

AV-TC031

This 3-in-1 wireless charger is crafted from recycled PU and ABS material, providing a sustainable and efficient charging solution for multiple devices. It weighs 0.253 kg and is designed to keep your tech essentials powered and organized in a sleek, compact form.
Product Size: 151 x 23 x 126 mm

LIGHT UP CLOCK

AV-TC032

Streamline your space with this sleek, multi-functional tech hub crafted from black ABS plastic. It features a powerful 15W wireless charger (QC 18W input required), a Bluetooth 5.1 speaker (3W output, 20Hz–20KHz, 75dB SNR, 1% distortion), and a digital 12-hour alarm clock, all highlighted by a striking white LED light-up logo. Measuring just 97x122x91 mm and weighing 0.332 kg, this compact device comes safely packed in an imprinted white carton box complete with a charging cable and user manual.

LAMP CHARGER

AV-TC033

This multifunctional desk lamp optimizes your workspace with an adjustable 3-level brightness light, a built-in 15W wireless charger, a digital dual-alarm clock, a convenient pen holder, and dual USB-A & USB-C outputs for multi-device charging. Combining modern aesthetics with sleek practicality, it features customizable branding options in cork or black finishes to perfectly match any professional setup.

CLOCK CHARGER

AV-TC034

This multifunctional 3-in-1 desktop hub is crafted from durable ABS and PC material, combining a fast wireless charger with an integrated LED night light and digital display. It provides 15W fast wireless charging for compatible devices while featuring built-in alarm, temperature, and date displays for full desktop utility.
product size: 168 x 118 x 111 mm.

BAM LIGHTUP

AV-TC035

This stylish, sustainably sourced bamboo wireless charger stand delivers 15W fast charging via an included Type-C cable (requires a QC 2.0/3.0 adapter). It features built-in dual coils for reliable portrait or landscape charging, an adjustable viewing angle, and a personalized LED light-up logo for brand visibility. Compact, portable, and equipped with built-in safety protections against overcharging and overheating, this minimalist stand is universally compatible with all Qi-enabled smartphones and earbuds.

ECOSTAND

AV-TC036

This bamboo wireless charger is crafted from natural materials, offering a stylish and sustainable way to power your devices. Designed for efficiency and stability, this unit weighs 0.150 kg and provides a versatile multi-device charging solution for any workspace. Product Size: 85 x 70 x 135 mm

STYLE BAMBOO

AV-TC037

This stylish 2-in-1 charging stand is crafted from natural bamboo and aluminum housing with lightup logo. Optimized for MagSafe-compatible smartphones and wireless earbuds, it delivers dual outputs of 15W and 5W to keep your essential devices powered in an elegant, multi-device setup.

JOGGER

AV-TC038

This 3 in 1 bamboo charger features a foldable, compact design compatible with Qi-standard smartphones. It utilizes safe and reliable WPC technology to deliver a 15W quick charge for mobile devices in a sustainable, portable form factor.
Product Size: 6.15 x 6.15 x 1 cm

DEWAR

AV-TC039

Engineered from durable ABS & PC, this foldable, compact (125.22×65.97×12.5mm) 15W dual-coil wireless charger stand charges Qi-compatible devices vertically or horizontally at 5W/10W/15W outputs (Inputs: 5V/2A, 9V/1.67A). It operates at 110–205KHZ with a 65% conversion rate and a $\le$8mm receiving distance, all while protecting battery health via an Intelligent Temperature Guard System. Complete with a customizable, backlit light-up logo, this sleek bracket delivers cutting-edge charging for any workspace.

ANZIONT

AV-TC040

This executive 15W wireless charger is crafted from RCS-certified recycled genuine leather and post-consumer recycled ABS. Compatible with all modern wireless-enabled devices, it features four anti-slip pads for stability and comes presented in an eco-friendly recycled kraft paper gift box.

BAMFLAT AV-TC041

This Bamboo 10W Wireless Charging Pad is a sleek and eco-friendly wooden charger that supports Qi-enabled smartphones, delivering fast 10W wireless charging in a slim, lightweight design (90 × 90 × 9 mm), and can be customized with laser engraving for premium corporate gifting or promotional use.

ELSTRACT AV-TC042

This eco-friendly 15W fast charger is crafted from RCS-certified recycled plastic and sustainable FSC-certified bamboo. Compatible with all modern wireless devices, every purchase contributes to global clean water initiatives, making it a sustainable gift that gives back.

ZEENA

AV-TC043

DIGI POWER

AV-TC061

This slim, 10,000mAh pocket-sized power bank features an integrated cable and a clear digital display for precise power monitoring. It delivers high-speed performance with a PD 30W Type-C port for both input and output, alongside a 22.5W QC 4.0 USB-A port and 18W Micro-USB input for rapid recharging.

10,000 mAh

SURGIO

AV-TC062

This 10,000mAh dual-cable power bank features a sleek design with integrated Lightning and Type-C cables for universal compatibility. It is equipped with a digital LED display that provides real-time battery percentage tracking, ensuring you always know exactly how much power remains.

WALLET POWER

AV-TC063

This 15,000mAh MagSafe power bank is crafted from recycled PU material, combining a high-capacity battery with a functional card wallet and phone stand. It supports PD 20W fast charging via Type-C and USB-A outputs, alongside a powerful 15W wireless output, providing a complete all-in-one charging solution for modern mobile devices.

15,000 mAh

OVOLT

AV-TC064

Featuring a high-capacity 20,000 mAh battery power bank, this ABS power bank is engineered to charge both laptops and mobile devices. It includes a built-in 65 cm retractable PD 45W cable alongside a 30 cm Type-C cable, supporting QC 22.5W fast charging and real-time monitoring via a TFT smart display.
Product Size: 17.1 x 5.54 x 2.72 cm.

20,000 mAh

LCD POWER

AV-TC065

This stylish 20,000 mAh power bank features a compact design with an integrated digital LCD screen for real-time power monitoring. It supports 22.5W fast charging via PD and QC 3.0, offering dual USB outputs and a Type-C port to efficiently power multiple devices simultaneously.
Capacity: 20,000 mAh / PD 22.5W.

20,000 mAh

ROBUST

AV26-TC066

This high-capacity 20,000 mAh power bank is constructed from durable ABS plastic and features integrated Type-C and Lightning cables for universal compatibility. Its robust battery ensures multiple full charges for smartphones and tablets, making it an essential all-in-one solution for heavy users and travelers. Material: ABS Plastic.

20,000 mAh

CHOTTA BANK

AV-TC067

This ultra-slim 6,000 mAh power bank is designed for high-impact branding, featuring a customizable light-up logo area. Its portable, pocket-sized frame makes it a trending choice for promotional gifting, providing a sleek and functional way to keep devices powered on the go. Capacity: 6,000 mAh.

YASN

AV-TC068

This 6000mAh MagSafe power bank with built-in stand offers convenient wireless charging in a compact, travel-friendly design, making it ideal for daily use and premium corporate gifting, and comes complete with a Type-C to Type-C cable in the box.

REIBURG

AV-TC069

Sustainable 5,000mAh solar power bank crafted from 25% RCS-certified recycled plastic. It features 15W magnetic wireless charging and a high-quality mono-crystalline solar panel with an adjustable stand to optimize sunlight exposure, all packaged in an eco-friendly recycled kraft gift box.

5000 mAh

CARD POWER

AV-TC070

This 5000mAh Card Holder Power bank is a patented, multi-functional accessory that seamlessly blends high-speed charging with secure storage. Crafted from a premium mix of ABS and aluminum alloy in a sleek black finish, it features a built-in card holder that fits up to 5 cards, making it an essential everyday carry for professionals and travelers alike. Capacity: 5000mAh / 18.5Wh.

5000 mAh

ZPOWER- PRO

AV-TC071

5000 mAh

Engineered for portability, this sleek 5000mAh power bank features a modern design and includes a Type-C to Type-C cable for immediate use. Weighing only 137g, it packs significant power into a compact frame, offering 20W Type-C output alongside 15W wireless charging. This versatile charger is also optimized for smaller devices, providing dedicated power for earbuds and smartwatches, ensuring all your essential tech stays powered throughout the day. Product Size: 7.5x6.8x1.75cm.

5000 mAh

SMALL BANK

AV-TC072

This ultra-compact 5000mAh mini power bank is built with a single high-performance 21700 cell, encased in a durable ABS and PC housing. Designed for travel, it features integrated cables and a pocket-sized form factor that delivers reliable 5V/2A input and output for quick mobile charging.

MINI POWER

AV-TC073

This 2000mAh ABS power bank is designed for emergency use, featuring a built-in Type-C cable and a dedicated 2.5W wireless output for Apple Watches. Its ultra-compact 6.6x4.3x1.4cm frame makes it a highly portable solution for quick backup power. Product Size: 6.6x4.3x1.4cm.

2000 mAh

TIRCHY

AV-TC074

This versatile 5-in-1 accessory combines a mini fan, 1800mAh power bank, mobile stand, flashlight, and mirror into a single portable unit. The fan features three adjustable speeds—slow, medium, and fast—while the compact 11.9cm frame ensures it is handy and easy to carry for daily use or travel.
Product Size: 11.9x3.7x3.7cm.

SEPHYR

AV-TC075
