Message from the Secretary

Isang makabuluhang araw sa ating lahat.

As we conclude this school year, we do more than close a chapter. We honor the strength that carried our learners, teachers, and families through months of hard work, sacrifice, and hope.

Sa ating mga mag-aaral, this year was not always easy. May mga araling mahirap intindihin at mga pagsubok na tila nakakapagod. Yet you stayed the course and learned to rise after setbacks. That resilience will matter far beyond the classroom.

Our schools became second homes where friendships were formed and confidence slowly rebuilt. Hindi lamang kaalaman ang natutunan ninyo, kundi disiplina, malasakit, at tibay ng loob—mga katangiang huhubog sa inyo bilang mga kabataang handang manguna nang may kakayahan at mabuting pagkatao.

Behind every learner's success stands a community. To our teachers, thank you for teaching not only lessons but courage. To our parents and families, your support made every achievement possible. Education is truly a shared responsibility.

This year, we continued strengthening the foundations of basic education—from sharpening the Revised K to 10 Curriculum and expanding Senior High School pathways, to sustaining programs that help learners recover essential skills and better supporting our teachers. Under the leadership of President Ferdinand R. Marcos Jr., we remain committed to building an education system that prepares Filipino learners for the future.

As we celebrate the End-of-School-Year rites, we are reminded of the aspiration that guides our efforts this year: •Filipino Graduates: Prepared to Lead with Competence and Character." This reflects the kind of learners we strive to nurture—young Filipinos who are not only academically prepared but also guided by integrity, compassion, and a strong sense of responsibility to serve others.

To our learners moving forward, especially our graduates, this is only the beginning. Dalbin ninyo ang sipag, disiplina, at malasakit na hinubog sa inyo. Knowledge will open doors, but character will define your path.

We are proud of you. We believe in you. And we will continue building a stronger future for every Filipino learner.

Maraming salamat po.

SONNY ANGARA
Secretary
Department of Education

Message from the Regional Director

Congratulations, Graduates and Completers of Batch 2025-2026!

As you step into this new chapter beyond graduation, remember that education is not merely about filling your mind with knowledge; it is about the kind of person you become through it. True success lies in the harmony between what you can do and who you are-a reflection of our theme: "Filipino Graduates: Prepared to Lead with Competence and Character."

As you move forward, strive to become citizens who contribute meaningfully to society. Competence may help you build your careers, but character is what builds strong communities. Use your knowledge and skills not only to pursue personal success, but also to nurture others and create opportunities for those around you.

Stay inspired in your pursuits and resilient in the face of life's inevitable challenges. Let your competence be the strength that carries responsibility, and your character the foundation that gives your achievements meaning. When difficulties arise, let your resilience remind the world that strength is not simply enduring the storm, but learning to navigate it with courage and wisdom.

By leading with integrity and purpose, you help shape a future that is not only capable, but also compassionate and just.

Once again, congratulations, graduates and completers. As you rise in your chosen paths, remember that your growth uplifts not only yourselves, but the communities and generations that follow.

For every learner, we rise!

RAMIR B. UYTICO, EdD, CESO III
Regional Director
DepEd - Negros Island Region

Message from the Schools Division Superintendent

Mine is a congratulatory message of greeting every graduating learner of this year for a successful struggle of education rigors.

Your success is not your own but all, the family, the community and the country.

An achievement of societal impact. Again, education continues to be a social institution for society's benefit.

My second point for all of you is for you to contextualize your learning. Not all enjoys the benefit of convenience but adjustments and coping mechanisms have to be resorted and applied.

AI or artificial intelligence, has penetrated our ways of thinking and doing - a caution to apply and utilize it in conditions and situations that will not devoid human beings its true nature and modify its biological content.

Lastly, my emphasis on the authentic dimension of living. Still the sun rises in the east and sets in the west. A day has twenty-four hours, an hour sixty minutes and a minute has sixty seconds. A law of limitations and boundaries has to be set up, and that is the Law of Nature.

I may sound philosophic but pedagogy has it.

Hats off to everyone for the success.

Welcome to the real world.

God speed.

SALVADOR O. OCHAVO JR., EdD, CESO V
Schools Division Superintendent
DepEd - SDO Silay City

Message from the School Principal

Today is a momentous celebration that transcends the simple distribution of diplomas. It is a profound testament to your growth, resilience, and unwavering spirit. As we gather to honor your transition from these familiar halls to the expansive horizons of high school, I am filled with immense pride. You have not only achieved a milestone; you have laid the groundwork for your future—and the future of our nation.

This year's theme, "Filipino Graduates: Prepared to Lead with Competence & Character," serves as a powerful blueprint for your journey ahead. It highlights the two pillars of true leadership that we have endeavored to instill within you during your years at Guimbala-on Elementary School. **Competence** - through your hard work and determination, you have gained the knowledge and skills necessary to navigate a rapidly changing world. You have proven that you can meet academic challenges with excellence and adapt to new ways of learning. **Character** - beyond your grades, it is the integrity you show when no one is watching, the kindness you offer to a struggling classmate, and the perseverance you display in the face of adversity that truly defines you.

In the context of our evolving society, a leader without character is hollow, and a leader without competence is ineffective. By marrying the two, you become the transformative force our country needs. You are more than just students; you are the next generation of Filipino leaders, dreamers, and changemakers. As you move forward, remember that leadership is not a title—it is an action.

"True success is not measured solely by the medals pinned to your ribbons or the certificates in your hands, but by the strength of the character you build and the values of 'Makadiyos, Makatao, Makakalikasan, at Makabansa' that you uphold." Be courageous in standing up for what is right. Be compassionate in your dealings with others. Be competent in your pursuit of mastery, whether in the arts, sciences, or trades. Most importantly, remain united in your efforts to uplift your community.

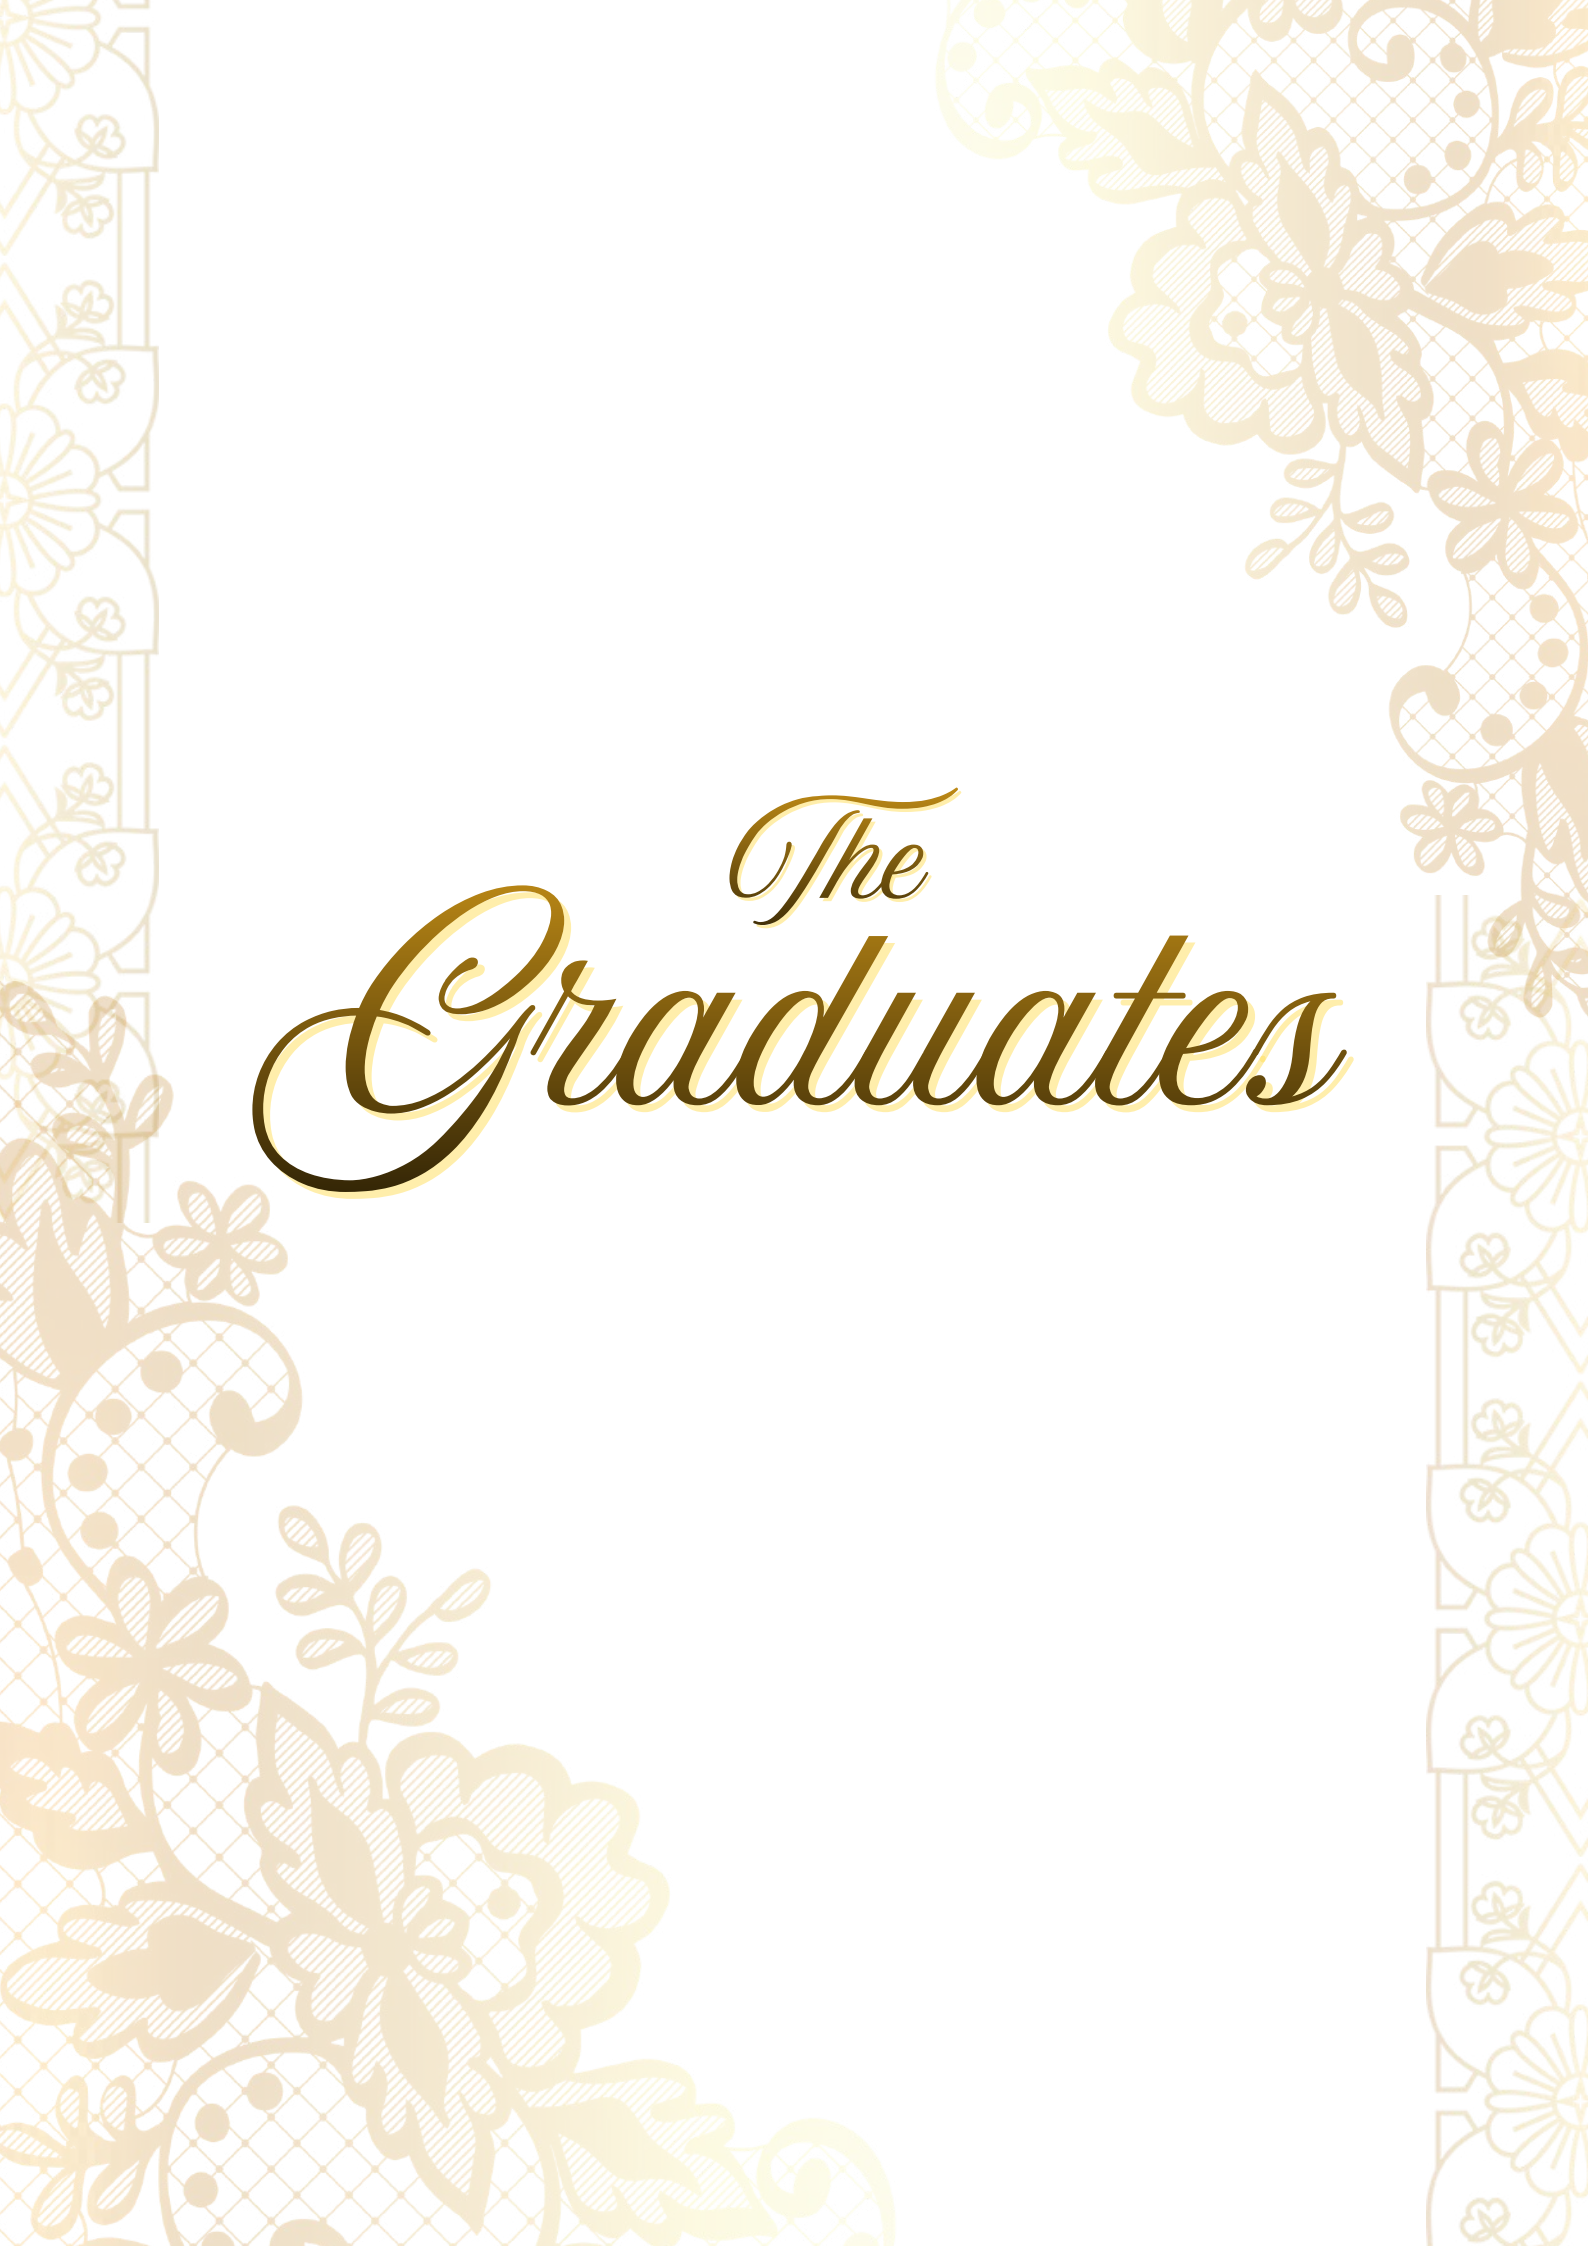

As you step out of Guimbala-on Elementary School, be proud of every hurdle you have cleared. You are ready. You are capable. You do not walk this path alone; you carry with you the hopes of your parents, the guidance of your teachers, and the enduring spirit of our school.

Go forth and lead with excellence, serve with a pure heart, and dream with a vision that encompasses the well-being of all.

Congratulations, Graduates of 2026! Lead the way!

EULAME G. PERALTA
Elementary School Principal II

A decorative border in a light gold color frames the page. It features a repeating pattern of stylized flowers, leaves, and vines. The design is more intricate in the corners, with larger floral motifs and a grid-like pattern in the top-right and bottom-left corners.

Oh, the Place You'll Go!

Congratulations!

Today is your day!

You're off to great places!

You're off and away!

You have brains in your head.

You have feet in your shoes.

You can steer yourself
any direction you choose.

You're on your own.

And you know what you know.

And YOU are the one who'll decide where to go.

You'll look up and down streets.

Look them over with care.

About some you'll say
"I don't wish to go there."

With your head full of brains
and your shoes full of feet,

you're too smart to go down a not-so-good street.

And you may not find any you'll want to go down.

In that case, of course, you'll head straight out of town.

It's opener there, in the wide open air.

Out there things happen, and frequently do,
to people as brainy and footsy as you.

And when things start to happen, don't worry, don't stew.

Just go right along, you'll start happening, too!

Graduation Song

BEST DAY OF MY LIFE

by American Authors

[Intro]

(Woo, woo-ooh, woo)

[Verse 1]

I had a dream so big and loud
I jumped so high, I touched the clouds
Woah-oh-oh-oh, oh, oh-oh, oh
(Woah-oh-oh-oh, oh, oh-oh, oh)
I stretched my hands out to the sky
We danced with monsters through the night
Woah-oh-oh-oh, oh, oh-oh, oh
(Woah-oh-oh-oh, oh, oh-oh, oh)

[Pre-Chorus]

I'm never gonna look back, woah
I'm never gonna give it up, no
Please don't wake me now
(Two, three, four)

[Chorus]

(Woo, woo-ooh, woo)
This is gonna be the best day of my life
(Woo, woo-ooh, woo) My li-i-i-i-i-i-ife
(Woo, woo-ooh, woo)
This is gonna be the best day of my life
(Woo, woo-ooh, woo) My li-i-i-i-i-i-ife

[Post-Chorus]

(Woo, woo-ooh, woo) Woo
(Woo, woo-ooh, woo)

[Verse 2]

I howled at the moon with friends
And then the sun came crashing in
Woah-oh-oh-oh, oh, oh-oh, oh
(Woah-oh-oh-oh, oh, oh-oh, oh)
But all the possibilities
No limits, just epiphanies
Woah-oh-oh-oh, oh, oh-oh, oh
(Woah-oh-oh-oh, oh, oh-oh, oh)

[Pre-Chorus]

I'm never gonna look back, woah
I'm never gonna give it up, no
Please don't wake me now

[Chorus]

(Woo, woo-ooh, woo)
This is gonna be the best day of my life
(Woo, woo-ooh, woo) My li-i-i-i-i-i-ife
(Woo, woo-ooh, woo)
This is gonna be the best day of my life
(Woo, woo-ooh, woo) My li-i-i-i-i-i-ife

[Post-Chorus]

(Woo, woo-ooh, woo)
(Woo, woo-ooh, woo)

[Bridge]

I hear it calling outside my window
I feel it in my soul (Soul)
The stars were burning so bright
The sun was out 'til midnight
I say we lose control (Control)

[Interlude]

(Woo, woo-ooh, woo)

[Chorus]

(Woo, woo-ooh, woo)
This is gonna be the best day of my life
(Woo, woo-ooh, woo) My li-i-i-i-i-i-ife
(Woo, woo-ooh, woo)
This is gonna be the best day of my life
(Woo, woo-ooh, woo) My li-i-i-i-i-i-ife

[Outro]

(Woo, woo-ooh, woo) This is gonna be, this
is gonna be, this is gonna be
The best day of my life
(Woo, woo-ooh, woo)
Everything is lookin' up, everybody up now
(Woo, woo-ooh, woo)
This is gonna be the best day of my life
(Woo, woo-ooh, woo) My li-i-i-i-i-i-ife
