CHRISTMAS 2026

Christmas is my favourite time of year; the toast before dinner, the laughter around the table and the bottle someone brings that becomes the story of the evening. It's why each year; we look forward to putting together our Christmas collection.

Andrew and I have spent months tasting, choosing and negotiating to bring you a collection we're extremely proud of. There are some cracking wines and genuinely great offers this year, **saving up to 35%**. Whether you're looking for bottles to enjoy over Christmas, something special for the big day, or a gift to your team or clients to say thank you.

We also know that choosing wine for Christmas can sometimes feel a little overwhelming, so we've tried to make it easy. From our Christmas Crackers; delicious, great-value bottles for festive drinking, through to our Fine Wines and Cellar Selections for something a little more special. Every wine has been chosen with you the customer in mind.

We've done the hard work, the tasting, the negotiating and the deliberating, so you don't have to. And while so much of life has moved online, we certainly haven't. If you'd like some advice, please pick up the phone and talk to us. We love speaking to our customers and helping you find the right wine for you.

Most importantly, we hope these wines bring people together and make your Christmas that little bit more special.

Finally, as a family business, your support genuinely means a huge amount to all of us. Thank you for choosing Bon Coeur, for recommending us to friends and family, and for continuing to be part of our story.

From all of us at Bon Coeur, we wish you and your family a very Happy Christmas.

Order Early...

We are encouraging all our customers to try and plan ahead; so, please do order early to avoid disappointment. Whilst we do have our own drivers, we do rely in many areas on third party couriers, and we envisage a very busy holiday period.

Please note there is no minimum order required, all prices are quoted by the single bottle and includes UK duty & VAT. E & OE.

Free standard UK mainland delivery is available for retail orders over £250. Free "click and collect" is available from Moor Park HQ. For further information or to place your order, get in touch with the Private Client Team.

Wine Shop

If you're local, or simply passing, why not come and visit us at our wine shop, Cellar 21, where Matthew and the team can help you find the perfect wines and spirits this festive season. Greeted with a warm welcome, take your time browsing our shelves, grab a coffee, and even "try before you buy" with some superb seasonal wines we'll have open in-store.
