**Ideal for... School, Community & Charity Groups,
Corporate Team Building Events, Garden Parties,
Weddings & Country Fayres**

We know planning an event is time consuming for organisers, which is why **Pitchside Media** has launched a 'One-Stop-Shop' to help. **PSM** offer a wide range of retro based Fete & Gala games for children which can support an organisations own fund-raisers to provide a hive of activity on event days.

Not only do we provide the games, set them up and train your staff or volunteers how to operate the games, we even provide the prizes. We have seen the financial pressure many visitors to our events are under and with several children, they can quickly find a large dent in their finances. Therefore, we target the game fee and prizes to provide value for money entertainment.

Winners are provided with a ticket which they can exchange for prizes and as a rule, at least 50% of the game revenue is their profit. Generally we like to pitch the game fee at 50p, however, this is up to the hirer, after all, it is your event. At the end of the event, you only pay for the prizes you have given away. If you like, you can also offer your own prizes or mix and match with ours.

PSM will work with you and implement games suitable for your audience or theme and help you generate suitable marketing artwork to promote your event - our design service is 'FREE of CHARGE' once you have booked our games for your event. We also provide a competitive print service for flyers, posters or banners.

We are also able to help provide live music at your event. We work with many DJ's, Singers and Bands, many of which support charities and are likely to provide their services for free.

If you would like to know more, pick up the phone and call

Mal on 07791589520

he will be only to pleased to answer any questions you may have. :)

Coming Soon
for Summer 2026

Worm
Skittles
Game

The Coconut Shy

Foam Snowball
Knock 'em'
Down Game

Tin-Can-Alley

Treasure Hunt
Lucky Dip

Super Hero Crazy Golf

Complete with children sized putting clubs and a nine super hero featured putting station. This game is very popular and can be played on grass, hard surface or played indoors. The balls are either foam or plastic indoor practice golf balls.

As this is not a prize driven game, there is no minimum game fee, we would however, suggest making a golf club hire deposit, to ensure the golf sticks are returned after use. We suggest a maximum team of two so that you can get three teams playing at one time.

Remote Control Racing

Coming
Soon

BISHBASH RACEWAY

DINO MONSTER TRUCKS

All children love Dinosaurs and Monster Trucks, blend them together and you know you have a great game! The Monster Trucks race around a track with various obstacles and ramps they need to navigate to reach glory and take the checkered flag and win the race.

NEW

Battery Operated PUPPY Racing

NEW

These fluffy puppies will be a big hit with the children for sure!
There are four pups each with their own personality,
They line up and are released and there is no telling at what stage
of their walk towards the winning line will they stop and sit up and beg.
The children get so excited as they cheer their puppy along the track.

BESPOKE PHOTO PROPS

PSM also manufacture bespoke free-standing character based or branded selfie boards.

These products are ideal for promoting your brand, event or campaign message.

These social media photo-props are a great for generating views and reaching a wide audience.

We also supply a range of Prizes

The 50p Prize Structure

We are happy to discuss and amend a prize-to-fee structure with any hirer and adjust token values as required.

It is worth considering that these are financial challenging times for families and disposable income varies. Therefore, it is worth considering an affordable game fee to attract and include all families.

Generally, higher income families will spend more and a lower game cost is likely to see them enjoy more games, so the income revenue is likely to be higher than an increased game fee that is likely to put off lower income families.

Fete & Gala events are so much more than just a revenue generator. they also bring a community together, help organisations deliver a campaign message, promoting a brand or initiative and create an environment which is friendly, fun and generates a community spirit.

Example: We would generally provide a token which has a value of 50p and the more tokens an individual has, the better prize they can exchange them for.

PSM can provide a wide range of prizes on a sale or return basis. However, a hirer may also provide their own prizes or add some of ours as they wish.

A game of four players generates an income of £2.00 based on a 50p game fee and one token is provided to the winner. This then provides a £1.50 profit for the organisation. Some games are non-prize based and the total revenue from these games is all profit.

We also offer...

- Event Publicity Material
- Social Media Advertising
- Event PVC Banners
- Directional Street Signage
- Volunteer Branded Clothing
- Tickets & Staff Passes
- Sponsor Promotional Brochure
- Event Flags & Gazebos
- Health & Safety Notice Boards
