Printing Tips LOL Notes: Fall Edition

Share a Smile, Spark a Laugh!
Brighten Someone's Day.

Choose Your Paper:

- White Cardstock (90–110 lb or 230–300 gsm): Great for durability & easy writing.
- Matte Photo Paper: Offers rich color & a smooth, writable surface.
- Glossy Photo Paper: Bright & bold finish, but harder to write on.
- Premium Inkjet/Presentation Paper: Softer feel, quality print, lightweight option.

These printing options make for longer-lasting notes.

Please take a look at the important note below.

Printing Tips:

- Use the 'Best' or 'High Quality' print setting on your printer.
- Load one sheet at a time for thicker papers to avoid jams.
- Let ink dry completely before cutting or stacking.
- Use a paper trimmer or scissors along dotted lines for clean edges.
- Always print a test page to check alignment.

ABOUT ME

FAMILY & EXPERIENCE

My family & I live in the beautiful Ozark Mountains of Missouri. For well over 15 years, my husband & I have had success as entrepreneurs. Before that, my husband was self-employed as a general contractor & I was mainly a homeschool mom to our 2 kids, who are now well over 25 🤔! To date, we have 2 grandchildren we adore, & my husband & I just celebrated our 35th anniversary. There have been so many moments of celebration! But alas, we've also known great loss. We understand what it is to have lack & to have plenty. Through all of life's ups & downs, we choose to celebrate while we can & to cherish the people we love the most. At the heart of it all is being intentional—making our moments *meaningful & memorable*.

GETTING PERSONAL

Faith & family are at the core of my life. These are the things that fill my heart & drive my ambitions. I love encouraging & helping others. After many, many years of wanting to, I decided to just go for it & I became an ordained minister. At first, I didn't even tell most of my family — I did it for me.

As God would have it, a couple of years later, that decision came full circle when I was asked to step up for a family member's heavenly home-going service, as well as joyful wedding celebrations for friends & family. I even planned & hosted a few weddings, including one at our own property. Each occasion left me humbled & honored to serve. Truly, I wasn't sure how to do it all, but with my experience in hosting everything from small gatherings to very large events. I knew with God's help, I could do anything!

That's the same encouragement I hope to pass on to you: if I can do it, so can you. Now let's get back to what special occasion you're ready to celebrate — & have fun planning it too!
