& check inside for proofs
of a flat earth.

PhD geophysicist/seismologist declares the earth to be flat

x.com/SheepDogLegend/status/1800152525464813619

Flat Earth Intel (using military science to determine shape of Earth)

- Sun is 3,000-4,000 miles from Earth
- Sun is most likely projected
- Sun is ALWAYS 90° to every person/place/thing, every second of every day, within the prime meridian zone
