2026/27

UNWRAPPING HAPPINESS SINCE 1966

CELEBRATING 60 YEARS OF THOUGHTFUL GIFTING

Welcome to Spring/Summer 2026

I'm delighted to welcome you to our **Spring/Summer 2026 catalogue**. This season brings a fresh new collection, and I'm so pleased to share it with you. As a gift company, our focus has always been on creating products with personality — pieces that feel distinctive, joyful and easy to give. Our tagline, *unwrap happiness*, captures exactly what we hope each collection brings: thoughtful gifting made simple, with products that help celebrate life's everyday moments and special occasions alike.

I always love introducing something new, and this release includes beautiful tableware in fabulous colours, along with pieces we haven't offered before. I'm especially excited by the new pepper mills, salad servers and cheese knives, all designed to mix effortlessly with our Australian-made napery. The latest designs bring together touches of Australiana, Christmas and everyday fun, and we've also refreshed our outdoor range with new pieces and finishes for the season ahead.

This year is especially meaningful as we celebrate **60 years in the gift industry**. It is a milestone I feel incredibly proud of, not only for what it represents in business, but for the passion, creativity and enduring relationships that have shaped our journey over so many years.

My mum, and founder of Annabel Trends, Annie, has always been a great inspiration to me. She taught me the value of taking risks, trusting your instincts and having the confidence to try something different. That spirit continues to shape our brand today, and it is at the heart of how we approach each new collection — with creativity, curiosity and a genuine love of bringing fresh ideas to life.

To all of our customers, thank you for your support over the years. Your loyalty has meant so much to us, and it is because of that support that we are able to celebrate this very special anniversary. I'm excited for what this new season brings and look forward to continuing to create collections that make gifting easy, joyful and full of personality.

I hope you enjoy exploring the collection as much as we have enjoyed creating it.

With love, colour and joy,

Sally x

ACKNOWLEDGMENT TO COUNTRY

We acknowledge the traditional owners of this land, water and sky, who have thrived and lived sustainably with the land we now call Australia for more than 60,000 years. We pay our respects to Elders of the past and present for their strength, knowledge and leadership. We acknowledge the stories, traditions and living cultures of Aboriginal and Torres Strait Islander peoples on this land, the oldest and longest continuing culture on the planet. Aboriginal art and its sacred symbols are intrinsically linked to the longest continuing culture in the world, a form to preserve stories, traditions and culture. The story-telling and symbols represented in this contemporary art collection does not represent all Aboriginal culture groups or peoples.

Aboriginal people are a diverse group of hundreds of nations, and clans within those nations, each with their own unique traditions and beliefs, languages, knowledge systems, lore and art.
