# VISION

An educational institution whose entire activities are guided by Islamic values based on the Qur'an and Al-Hadith, which aims to nurture righteous children with noble character and optimal achievements

# MISSION

- Preaching through education and supporting parents in raising righteous children.
- Implementing an educational process that optimizes student's potential.
- Fostering a Qur'anic generation with leadership qualities and life skills, based on IT and entrepreneurship.

## WINNERS

# KAFAH CURRICULUM

**Kafah Curriculum**, a combination of the National Curriculum, Al Falah's Islamic values and Cambridge Curriculum.

- **National Curriculum** — Deep Learning, encourages meaningful, active, and student-centered experiences.
  - **BCCT Learning Model** — Beyond Centers and Circle Time approach tailored to children's developmental needs.
  - **Active & Independent Learning** — Students learn actively and independently based on their interests and talents.
  - **Exploration & Creativity** — Learning through exploration, creative activities, and hands-on experiences.
- **Islamic Values** — Introduction to Aqidah, worship, good character, Qur'anic reading, and memorization.
- **Foreign Languages** — Early exposure to English and Arabic.
- **Collaboration & Responsibility** — Developing togetherness, cooperation, and students' responsibility in learning.
