2025 - 2026

Her Majesty Queen Sirikit The Queen Mother

In Humble Tribute to Her Majesty Queen Sirikit The Queen Mother

On the occasion of the 2025-2026 Academic Year, We, the students, faculty, and staff of SPIP, gather our hearts in profound gratitude and unwavering loyalty to honor Her Majesty Queen Sirikit The Queen Mother.

Throughout the decades, Her Majesty has been the "Mother of the Nation," a beacon of grace whose tireless devotion to the Thai people has transformed countless lives. From the preservation of our cultural heritage and traditional arts to her pioneering environmental conservation efforts, her legacy is woven into the very fabric of our identity.

As we turn the pages of this yearbook, we carry with us the inspiration of her compassion and her commitment to excellence. We strive to embody the values of service and integrity that Her Majesty has modeled for generations.

With the deepest respect and most humble gratitude,
The SPIP Community

Her Royal Highness Princess Bajrakitiyabha Narendiradebyavati

The SPIP community bows its head in profound sorrow as we honor the memory of Her Royal Highness Princess Bajrakitiyabha. As we reflect on the 2025–2026 academic year, we pay tribute to a life entirely devoted to justice, humanitarianism, and the uplifting of the vulnerable. Her visionary initiatives and distinguished service on the global stage brought hope, dignity, and second chances to countless lives. We extend our most heartfelt condolences to the Royal Family.

For our students and educators, Her Royal Highness remains an enduring beacon of inspiration. She exemplified that true nobility lies in dedicating oneself to public service and the betterment of others. As our community steps forward into the future, we pledge to carry her extraordinary legacy of compassion and resilience with us, ensuring her guiding spirit is never forgotten.

With the deepest respect and most humble gratitude,
The SPIP Community

SPIP 2026

Satit Prasarnmit International Programme

It is with great pride that we present the SPIP Yearbook for the 2025-2026 academic year. This book serves as a formal record of our students' hard work, academic achievements, and the strong community we have built together through this academic year.

Every student has shown remarkable dedication and character. As we look back on the highlights of this year from daily classroom accomplishments to our memorable school-wide events, it is clear how much our student body has grown. These meaningful moments were made possible through the shared effort and commitment of our entire school community.

We extend our sincere gratitude to the parents, faculty, and staff whose continuous support and guidance have helped our students thrive and reach their goals. To all our students, we are incredibly proud of everything you have accomplished this year. May these pages serve as a lasting reminder of your friendships, experiences, and time here. We wish you continued success in the years ahead.

On behalf of Srinakharinwirot University and Prasarnmit Demonstration School, it gives me great pleasure to present you with details of our International Programme.

We are extremely proud to have been the first government school in Thailand to offer such a programme, we are also proud to be a registered Cambridge International Centre and for our students to be achieving outstanding results in internationally recognised English in 2017.

Satit Prasarnmit International Programme aims to create confident learners who have a developing international perspective, and are thoroughly equipped to enroll on degree courses in International Programmes at Thai Universities or on degree courses at universities in countries across the English-speaking world.

I thank you for your interest and involvement, and look forward to welcoming you as parents and students of Satit Prasarnmit International Programme.

Asst. Prof. Chawalit Soongyai
School Director

This year has been filled with challenges, triumphs, and countless memories that we'll cherish forever.

To our students, you have grown in so many ways. You have tackled difficult subjects, formed lasting friendships, and discovered new passions. Each of you has shown determination and resilience, and for that, I am immensely proud of you.

To our teachers and staff, thank you for your unwavering dedication and support. You've inspired our students and created a nurturing environment where learning can flourish. Your hard work truly makes a difference.

To our wonderful parents, thank you for your unwavering support and involvement throughout the year. Your encouragement and commitment to your children's education have made a profound impact. You are our partners in this journey, and together we have nurtured a community that values learning and growth.

To our departing teachers, we want to express our heartfelt gratitude for your dedication, passion, and the countless hours you've invested in our students. Your impact has been immeasurable, and your teachings will leave a lasting imprint on the hearts and minds of your students.

As we say goodbye for the summer, I encourage you to take the time to rest, explore, and enjoy your break. Remember to cherish the moments with family and friends and come back refreshed, ready for new adventures in the coming year.

Let's carry the lessons we've learned this year into the future, knowing that every ending is just a new beginning.

Thank you all for a wonderful year, and I wish you a joyful and safe summer!

Dr. Sathibhoph Somtua

Deputy Director /
Headteacher of International Programme

This year, our extracurricular programs have been all about creating opportunities. It's the opportunity for our SPIP students to explore new interests and grow beyond the classroom.

Every activity we design is carefully planned aiming to meet their diverse needs and help them discover their passions.

It has been inspiring to see how students have embraced these experiences with enthusiasm, creativity, and a spirit of curiosity.

I'm proud of everything we've achieved together and excited for the journeys that lie ahead.

Mrs. Pruksapan Sawardsuk
Head of Co-curricular and ECAs

Satit Prasarnmit International Programme (SPIP) provides the atmosphere for study and creativity. At SPIP, we are committed to making every effort to take all SPIP students on a voyage of self-discovery and academic achievement.

All teachers at SPIP will not only be a source of wisdom and knowledge, but will also be role models and mentors. They are most willing to help students combine their scholastic success with the life skills essential for success.

The aim of SPIP is to develop among its students all-round abilities, as individuals as well as team players and critical thinkers, by exposing them to diverse fields of challenging activities.

Asst. Prof. Dr. Worapong Saengprasert
Senior Educational Supervision and Foreign Relations

I want you guys to remember two things from this academic year.

The first is "don't be the best, but do your best," which is a value I have seen in all the students here at SPIP this year, whether in the classroom, at sporting competitions, or school productions. You should be proud of yourselves.

Secondly, if you are leaving SPIP because you have graduated or due to moving to a new school. SPIP will always be a home for you, and that is "not goodbye, but see you later."

Mr. Luke Harris
Head of Planning and Curriculum Design

“

The grades mattered. The people mattered more. The experiences mattered the most. Don't forget which one you'll remember in twenty years. Best of luck to all the graduates and returning students.

”

Mr. Vitas Somvongsiri
Head of Academics and Operations

As this academic year draws to a close, I want to take a moment to reflect on the remarkable journey we've shared. This year has been filled with challenges, achievements, laughter, and growth—and through it all, you have shown resilience, kindness, and courage.

Pastoral care is about more than support—it's about community, compassion, and helping each other grow into our best selves. I've watched so many of you step up for one another, show empathy when it was needed most, and face personal hurdles with determination and grace. These are the moments that define character and shape who we become.

To our leavers: you take with you not just lessons learned, but friendships made and memories created. Carry your experiences here with pride—they are part of who you are and who you are becoming.

To those returning: I look forward to seeing how you continue to grow, challenge yourselves, and support one another in the year ahead.

Thank you all for being part of this community. It's been a privilege to walk alongside you.

Wishing you a restful break and a bright, fulfilling future.

Ms. Shirlene Pang
Head of Pastoral

Ms. Nuengruthai Pornsiwakulwong
Ms. Piyada Nuangjumnong
Ms. Jutarad Damrongsakul

PNS

As we reach the conclusion of another remarkable academic year, we wish to express our gratitude for your unwavering support and dedication.

Your continuous involvement and encouragement have truly served as the backbone of our school community. Whether through organizing events, volunteering your time, or partnering with us in your children's educational journeys, your contributions have made a profound impact. Together, we have cultivated an environment in which our students feel supported and empowered to flourish.

We extend our sincere thanks to you for being such an integral part of the SPIP family and for your steadfast commitment to making this year a resounding success. It remains a distinct privilege for us to collaborate with such a passionate and supportive parent network.

We wish you all a wonderful and restful summer break.

With our deepest appreciation,
SPIP Family

Field Trip Quest Board Game Cafe

Our Year 7 students recently had the opportunity to participate in an exciting trip to the Quest Board Game Café, organised collaboratively by the Maths and English Departments. The trip provided students with a unique learning experience outside the classroom, allowing them to develop their problem-solving, critical thinking, and mathematical skills in a fun and interactive English-speaking environment.

Through a variety of board games and team-based challenges, students practised communication, strategic thinking, and collaboration while applying concepts learned in both Maths and English lessons. The activities encouraged students to think creatively, work effectively with others, and build confidence using English in real-life situations.

Beyond the educational aspect, the trip also gave students the chance to relax, socialise, and strengthen friendships in an enjoyable setting. The positive atmosphere and engaging activities made the experience both memorable and rewarding for everyone involved, helping students continue to develop important academic and interpersonal skills in a meaningful way.

Year7

Year 7 Choir Performance

Our Year 7 Choir delivered a beautiful and memorable performance, showcasing their musical talent, confidence, and teamwork on stage. Through a selection of festive Christmas songs and musical performances, the students created a warm and joyful atmosphere that was enjoyed by everyone in the audience.

The performance reflected the students' dedication and hard work during rehearsals, as well as their passion for music and performing arts. From cheerful holiday melodies to harmonious group performances, the choir demonstrated excellent collaboration and stage presence throughout the show.

Beyond entertaining the audience, the performance also gave students the opportunity to build confidence, express their creativity, and strengthen friendships through music. Their enthusiasm and energy made the event a truly special and festive experience for the SPIP community.

Year 7 Residential Trip – Chonburi

Learning Beyond the Classroom
Our Year 7 Residential Trip to Chonburi was filled with exciting adventures, hands-on learning experiences, and unforgettable memories. Throughout the trip, students had the opportunity to step outside the classroom environment and develop important life skills through teamwork, exploration, and fun activities alongside their classmates and teachers.

The journey began with a visit to Space Inspirium, a learning centre focused on space and aerospace technology. Students explored interactive exhibitions and participated in activities that introduced them to the wonders of science, technology, and space exploration. They also took part in a geocaching workshop, encouraging problem-solving, teamwork, and critical thinking in an engaging environment.

On the second day, students visited Bang Saen Aquarium, where they learned more about marine life and aquatic ecosystems while observing a wide variety of sea creatures. Later, at Arun Farm Village, students participated in creative and environmental workshops, including mushroom planting, microgreen activities, and coaster painting. These hands-on experiences helped students better understand sustainability, agriculture, and creativity while working together in groups.

Another major highlight of the trip was the visit to Art in Paradise Pattaya, where students explored interactive 3D art installations and enjoyed taking creative photos together. The fun continued at Ramayana Water Park, where students spent time enjoying water activities, strengthening friendships, and creating joyful memories together outside the classroom. In the evening, students participated in the meaningful Queen Memorial Night, reflecting on the experiences they had shared throughout the trip.

Our Year 7 Residential Trip to Chonburi was filled with exciting adventures, hands-on learning experiences, and unforgettable memories. Year 7 Planetarium Trip

Year 7 students had an exciting opportunity to explore the world of science during their educational trip to the planetarium. The experience began with an impressive planetarium dome show, where students learned about stars, space, and the wonders of the universe through an immersive visual presentation.

Following the show, students explored the science exhibits around the planetarium, discovering a variety of interactive activities and displays. Highlights included a simulator that challenged students to protect the Earth from greenhouse gases, helping them better understand environmental issues and sustainability. Students also enjoyed experimenting with a machine that showed how much they would weigh on different planets in space, making the learning experience both fun and memorable.

The trip allowed students to engage with science in a hands-on and interactive environment, encouraging curiosity and deeper interest in space and scientific discovery. Throughout the day, Year 7 students showed great enthusiasm and excitement as they explored the exhibits and learned more about the world around them.

Year7

A journey of a thousand miles starts with one step.

Lunar New Year & East Asian Celebration

This year's Lunar New Year & East Asian Celebration was filled with vibrant traditions, exciting activities, and unforgettable performances representing the cultures of China, Japan, and Korea. The event created a lively and immersive atmosphere, allowing students to explore and appreciate different cultural traditions in a fun and meaningful way.

Throughout the celebration, students participated in a variety of interactive activities, including playing traditional Korean Gonggi games, practising Chinese Hanzi writing, and discovering their own unique names in Japanese. These hands-on experiences gave everyone the opportunity to learn more about East Asian cultures while enjoying the festive environment with friends and classmates.

Adding to the atmosphere, many students dressed in beautiful Chinese, Japanese, and Korean-inspired outfits, making the celebration feel even more colourful and authentic. The school was filled with excitement, laughter, and positive energy as students embraced the traditions and activities throughout the day.

One of the major highlights of the event was the incredible cultural performances, where students showcased energetic songs, dances, and performances inspired by each country. These performances captured the attention of the audience and brought the celebration to life, creating memorable moments for everyone involved.

Year8

Ayutthaya Residential Trip

Our residential trip to Ayutthaya was an immersive and memorable experience that allowed us to connect more deeply with the historical, cultural, and agricultural roots of Thailand. Throughout the trip, we explored a variety of meaningful locations and participated in hands-on activities that helped us better understand the country's rich heritage while also strengthening our friendships and teamwork.

We began the first day at the Golden Jubilee Museum of Agriculture, where we experienced traditional rice farming activities. This gave us a valuable insight into the hard work and dedication involved in food production, helping us develop a greater appreciation for the effort behind every meal. We later visited the Chao Sam Phraya National Museum, where we admired impressive gold artefacts from the 15th century and learned more about Ayutthaya's history as a prosperous and influential kingdom.

On the second day, we focused on Thai heritage and traditional arts. At the Khon Learning Centre, we explored the beauty and discipline behind traditional Thai Khon performances, including the detailed craftsmanship of the masks and costumes. We also visited the Sustainable Arts and Craft Institution, where we observed how traditional Thai craftsmanship and local wisdom continue to be preserved for future generations.

One of the highlights of the trip was our time at The Pine Resort on the third day, where we enjoyed a range of nature-based and water activities together. These activities allowed us to relax, bond as a group, and create many enjoyable memories outside the classroom. In the evening, we shared a meaningful Queen Memorial Night, which gave everyone an opportunity to reflect and spend quality time together.

On the final day, we participated in a Roti Sai Mai workshop, where we learned how to make the famous Ayutthaya dessert and practised wrapping the delicate sugar threads into thin crepes. The experience was both fun and memorable, bringing a sweet ending to an enriching journey filled with learning, cultural appreciation, and friendship.

National Science Museum Trip

On 26 November 2025, we visited the National Science Museum for an educational and exciting learning experience focused on the history, development, and wonders of technology. The trip gave us the opportunity to explore a wide range of fascinating exhibitions related to inventions, robotics, space exploration, and modern technological advancements.

Throughout the visit, we enjoyed many interactive games, simulations, and hands-on activities that made learning both engaging and enjoyable. The museum's informative displays and visual presentations helped us better understand how technology has evolved over time and how it continues to influence our daily lives in many different ways.

The experience also allowed us to gain a greater appreciation for the scientists, inventors, and innovators whose discoveries and ideas have shaped the modern world. By exploring real-life applications of science and technology, we were able to connect classroom learning with practical examples in an inspiring environment.

Year8

World Book Day

World Book Day was a fun and exciting celebration that brought stories and characters to life throughout the school. Students and teachers dressed up as their favourite book characters, filling the campus with creativity, colour, and imagination. It was wonderful to see such a wide variety of costumes inspired by classic novels, fantasy stories, superheroes, detectives, wizards, and many other beloved characters from literature.

One of the highlights of the day was the fashion show, where students proudly walked across the stage to showcase their costumes to the audience. The event created a lively and supportive atmosphere as everyone cheered for their friends and admired the effort and creativity behind each outfit.

A particularly memorable part of the celebration was the visit from David Owen, author of The Alex Neptune Series. During his talk, he shared his journey as a writer, explained how he developed ideas for his stories, and spoke about the inspiration behind his characters and adventures. Students also had the opportunity to ask questions and gain valuable insight into the writing process and the world of publishing.

The event encouraged a love of reading, creativity, and storytelling while giving students the chance to engage with literature in an enjoyable and interactive way. World Book Day was truly an inspiring and memorable experience for the entire SPIP community.

Year8

Halloween Photobooth

Our Year 9 students had the exciting opportunity to take part in a Halloween Photobooth event organised by the school, making it one of the most enjoyable and memorable activities of the term. This fun experience allowed us to celebrate Halloween in a creative and interactive way while spending quality time with friends outside of the usual classroom environment. The event encouraged students to express their personalities through costumes, props, and themed photography.

During the event, we explored a variety of Halloween-themed decorations, spooky backgrounds, and fun accessories that brought the festive atmosphere to life. Students had the chance to dress up, take creative group photos, and enjoy the exciting environment together. One of the highlights was seeing everyone's unique costumes and capturing funny, memorable moments with classmates. The photobooth also gave us an opportunity to build confidence, express creativity, and strengthen friendships through shared experiences.

The experience provided a refreshing break from regular school activities and helped create a stronger sense of community among Year 9 students. Beyond simply taking pictures, the event encouraged teamwork, laughter, and positive interactions, making it a meaningful social experience for everyone involved.

Overall, the Halloween Photobooth was a fun and memorable event that brought excitement to the school community and created lasting memories for Year 9 students. It reminded us of the importance of enjoying school life, building friendships, and participating in activities that make learning more enjoyable.

Year9

Residential Trip to Kanchanaburi

Earlier this year, Year 9 students had the opportunity to go on a residential trip to Kanchanaburi, making it one of the most memorable experiences of the school year. The trip gave us a chance to learn outside the classroom while spending quality time with our friends and teachers. It was an exciting experience that allowed us to explore new places, take part in different activities, and create unforgettable memories together.

During the trip, we visited several interesting places and participated in activities that helped us learn more about the history and culture of Kanchanaburi. One of the highlights was exploring important historical sites and learning about their significance. We also enjoyed spending time together, working as a team, and taking part in fun activities that brought everyone closer. The trip gave us the opportunity to become more independent and try new experiences.

As the trip went on, many students became more confident and built stronger friendships with one another. Living and travelling together helped us bond as a year group and made the experience even more enjoyable. It was a nice break from normal school lessons and gave us many fun memories to look back on.

In the end, the residential trip to Kanchanaburi was an exciting and valuable experience for Year 9 students. It allowed us to learn in a different environment, strengthen friendships, and enjoy new experiences that we will remember for a long time.

Sea Life Field Trip

Earlier this term, Year 9 students went on a field trip to Sea Life, where we had the opportunity to learn more about science in a fun and exciting way. The trip allowed us to explore different marine animals and understand how sea creatures survive in their environments. It was a great chance to learn outside the classroom while spending time with friends.

During the visit, we saw many different types of sea animals, including sharks, jellyfish, stingrays, and colourful fish. We learned about marine ecosystems, food chains, and how different animals adapt to survive underwater. One of the most interesting parts of the trip was seeing the animals up close and learning facts about their behaviour and habitats. It helped make science feel more real and easier to understand.

As the day continued, students enjoyed exploring the exhibits together and asking questions about the animals we saw. The trip also helped us understand the importance of protecting marine life and keeping oceans clean. It was both educational and enjoyable, making learning science much more interesting.

In the end, the Sea Life field trip was a fun and valuable experience for Year 9 students. It helped us learn more about marine science, explore new things, and enjoy learning in a different environment outside of school.

Year 9 Services in Action

This academic year, our Year 9 students demonstrated an outstanding commitment to community service through two highly impactful initiatives.

First, they collaboratively designed and produced a diverse range of teaching materials across various subjects, which were delivered to support the curriculum and students of a rural school. Furthermore, the cohort successfully led dedicated fundraising efforts during Charity Weeks, with all proceeds proudly donated to Chulalongkorn Hospital.

We highly commend our Year 9 students for their teamwork, empathy, and unwavering dedication to making a positive and lasting difference in the wider community.

Year9

DEATH EATER
TARGETS MU

Year 10 Biology Heart Dissection

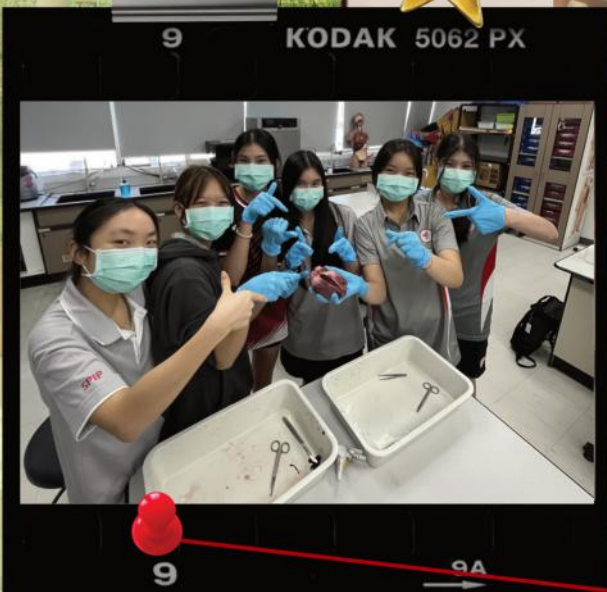

As part of their study of the circulatory system, our Year 10 Biology students took part in a hands-on pig heart dissection to deepen their understanding of the structure and function of the heart. During the activity, students carefully examined the different chambers, valves, and blood vessels, allowing them to better understand the vital organ that keeps organisms alive.

The dissection provided a valuable opportunity to connect classroom theory with real-life observation, helping students gain a clearer understanding of how the circulatory system functions. By exploring the internal structures of the heart firsthand, students were able to visualise concepts that are often difficult to fully understand through textbooks alone.

Throughout the practical session, students worked collaboratively in teams, supporting one another while carefully carrying out the dissection. The activity also encouraged patience, precision, and caution, as students learned the importance of handling the specimen carefully to avoid damaging major blood vessels and muscles.

Beyond being an educational experiment, the experience demonstrated how science can be both engaging and meaningful. The heart dissection not only strengthened students' biological knowledge but also helped develop teamwork, observation, and practical laboratory skills that will continue to benefit them in future studies.

Year10

A journey of a thousand miles starts with one step.

Farm de Lek Educational Trip

Year 10 IGCSE students studying Travel and Tourism, Global Perspectives, and Environmental Management had the opportunity to visit Farm de Lek for a valuable hands-on learning experience focused on sustainable farming and animal care. The trip allowed students to explore how farms operate while learning about environmental responsibility and sustainable agricultural practices.

During the visit, students learned how to care for a variety of farm animals, including rabbits, ducks, pigs, and many others. They observed the behaviour and diets of different animals and had the chance to feed and interact with them, helping them better understand the responsibilities involved in animal care and farm management.

Students also participated in practical workshops where they learned how to create plant pots using natural materials such as hay, tapioca, soil mix, and coconut husk. In addition, they discovered how pig feed is prepared using ingredients including water, morning glory, and rice bran. These activities gave students insight into sustainable farming techniques and the importance of reducing waste through the use of natural and reusable materials.

Year10

Year10

During the visit, students viewed works by renowned Thai artists such as Thawan Duchanee, Chalermchai Kositpipat, and Hem Vejakorn. Each floor of the museum followed a unique theme, allowing students to experience different artistic styles, techniques, and cultural influences. One of the most memorable sections was the fourth floor, which explored the concept of "Tribhumi" or "The Three Realms," with artworks inspired by Heaven, Earth, and Hell. A major highlight was the room dedicated to masterpieces by Thawan Duchanee, including the striking "Passage Across the Universe" bridge installation.

Although much of the museum focused on Thai art and culture, students also had the opportunity to explore international contemporary works displayed on the fifth floor. Artworks from countries such as Russia, the United States, and China were showcased, broadening students' perspectives on global artistic expression. Another highlight was the Richard Green room, which featured an impressive collection of European Victorian-era paintings.

Year 10 Residential Trip – Rayong

This year, the Year 10 students travelled to Rayong for a residential trip that was educational, enriching, and most importantly, unforgettable. Throughout the journey, we experienced a variety of activities that not only strengthened our friendships and teamwork, but also taught us valuable lessons about sustainability, environmental conservation, and creativity.

One of the highlights of the trip was our visit to the GPSC Learning Management Center, where we learned how waste can be transformed into renewable energy and discovered the importance of recycling in creating a more sustainable future. The visit gave us greater awareness of environmental issues and showed us how science and innovation can help solve real-world problems. Later, back at the hotel, we took part in a creative workshop where we designed our own T-shirts using environmentally friendly paints, combining art with sustainability.

During our visit to Koh Man Nai, we explored the Turtle Conservation Reserve and learned about the different species of sea turtles living in the sanctuary. We discovered how the reserve works to conserve, breed, and protect endangered turtles such as green turtles and hawksbill turtles. The experience helped us better understand the importance of marine conservation and protecting wildlife habitats.

Another memorable part of the trip was snorkelling at Koh Ta Lu, where we had the opportunity to observe beautiful coral reefs, colourful fish, and other fascinating marine life up close. Exploring the underwater environment gave us a greater appreciation for the beauty and importance of Thailand's marine ecosystems.

Towards the end of the trip, students worked together in teams to create imaginative outfits made entirely from recyclable materials and waste products. Each group showcased their creativity through unique and innovative designs, turning recycled materials into impressive fashion pieces while reinforcing the message of sustainability.

Year10

The Language and Cultural Exchange Programme at Meikei High School

The Language and Cultural Exchange Programme at Meikei High School gave students a great opportunity to experience school life and culture in Japan. The programme took place from 7 May to 18 July 2026, with three students joining the exchange programme:

During their stay in Japan, the students attended classes, joined cultural activities, and spent time with Japanese students both inside and outside the classroom. They learned more about Japanese culture, made new friends, and gained valuable international experience.

Overall, the programme was a meaningful and unforgettable experience that helped the students become more confident, independent, and open-minded.

Year10

Halloween Haunted House & Movie Theater

During SPIP's Halloween celebration on 31 October, the Year 11 Student Council proudly organised and managed two of the event's most exciting attractions: the Haunted House and the Movie Theater booth. These activities quickly became highlights of the celebration, creating a fun and immersive Halloween atmosphere for students and teachers alike.

The Haunted House was carefully designed and decorated with spooky props, dim lighting, eerie sound effects, and creative Halloween themes that transformed the space into a thrilling experience. Visitors walked through a series of scary rooms and interactive challenges prepared by the Student Council members, making the attraction both exciting and entertaining. The effort and creativity put into the decorations and planning brought plenty of screams, laughter, and excitement throughout the day.

Alongside the Haunted House, the Movie Theater booth provided a more relaxed but equally enjoyable experience, where students gathered with friends to watch horror movies together. The room was filled with laughter, reactions, and snacks shared among friends, creating a lively and enjoyable environment that captured the festive spirit of Halloween. The activities organised by the Year 11 Student Council not only added excitement to the celebration, but also brought students together through shared experiences and teamwork.

Year11

School Fair

The SPIP School Fair was one of the most exciting and lively events of the year, bringing students, teachers, and the school community together for a day filled with fun, laughter, and unforgettable memories. The school was transformed into a vibrant carnival atmosphere, with music, decorations, and cheerful energy present throughout the entire event.

Students enjoyed a wide variety of entertaining carnival games and activity booths, many of which quickly became crowd favourites. Popular attractions included สอน้อยตกน้ำ ตึกไข่ and ปากระป๋อง where students enthusiastically competed with friends, challenged themselves, and won small prizes. Everywhere around the fair, there were loud cheers, laughter, and smiling faces as everyone participated in the activities and enjoyed the festive environment together.

Behind the scenes, many students and Student Council members worked hard throughout the day to prepare, organise, and manage the booths. Although everyone felt exhausted after spending hours running activities and helping visitors, there was also a strong sense of happiness and pride seeing the event become such a success. The teamwork, dedication, and effort from students helped create a welcoming and enjoyable experience for the entire school community.

Ayutthaya Business Field Trip

Recently, students went on a business field trip to 2 factories in Ayutthaya. Firstly we visited the Yakult factory to learn about how Yakult is produced and distributed. During the visit, we observed the production process in a clean and organized environment and learned more about business operations and hygiene standards in the food and beverage industry. One of the most enjoyable moments was getting to drink free Yakult! which reminded many of us of their childhood memories because of its sweet and familiar taste. The trip was both educational and fun, allowing us to gain knowledge outside the classroom while enjoying time with their friends.

On the same day, we also visited Benchmark Electronics factory, where everyone literally had their jaws drop the moment we stepped inside because of how amazing it was! It was a highly advanced electronics manufacturing facility with a clean, modern, and futuristic environment. We observed how electronic components were carefully assembled using precise machines and skilled workers working together in a highly efficient system. The experience was eye-opening and gave us a deeper understanding of how complex electronic products are made.

Year11

Residential Trip at Khaoyai

We went on a residential trip to Khao Yai, a journey that felt like a perfect blend of learning, adventure, and unforgettable shared moments. From the very beginning, the atmosphere was filled with excitement as we left behind our usual school routine and stepped into days that brought us closer together as friends and classmates.

On Day 1, we visited Ban Wang Is Sot School for a meaningful morning volunteer activity, where we taught English to underprivileged students. We used creative and interactive methods such as games, songs, and group participation to make learning enjoyable and lively. In that moment, we realized that education is not only about teaching but also about connecting, encouraging, and sharing happiness. Seeing the students smile and respond with enthusiasm made the experience deeply touching and rewarding for all of us.

On Day 2, we explored Thong Somboon Club, where the day was filled with adventure and laughter from start to finish. We tried horse riding, go-karting, ziplining, and many other exciting activities that pushed us beyond our comfort zones. Every ride and every challenge brought screams, cheers, and endless laughter, making the day feel like a celebration of courage and joy. We weren't just having fun but we were creating memories that we would talk about long after the trip ended.

On Day 3, we went kayaking at Nam Phut Natural Spring, Ban Tha Chang, where nature surrounded us with calm beauty while our energy filled the water with excitement. What started as a simple kayaking activity quickly turned into a playful and unforgettable water battle, as we splashed and laughed endlessly with each other. Even though we ended up completely soaked, it only added to the fun, making the experience feel even more alive and unforgettable.

The highlight of our residential trip was definitely "Disco Night". As the lights dimmed and music filled the room, the atmosphere transformed into something magical. We danced together under colorful lights, singing, laughing, and enjoying every second without holding back. It was a night where happiness felt endless and time seemed too short. In that moment, surrounded by friends, music, and pure joy, we wished we could pause time and capture everything just as it was, because it was a memory we never wanted to let go of.

A journey of a thousand miles starts with one step.

Year 12 Residential Trip to Chiang Mai

Our Year 12 Residential Trip to Chiang Mai was a memorable and enriching experience that allowed us to explore new places, strengthen friendships, and learn more about Thai culture and community life. The journey began on 30 March 2026 with an exciting train ride departing from Krung Thep Aphiwat Central Terminal Station, marking the start of an unforgettable adventure together.

After arriving in Chiang Mai, we began our trip by visiting Art in Paradise Chiang Mai, where we explored creative interactive art exhibitions and enjoyed taking memorable photos together. We later travelled to Touch Star Resort, where we settled in and spent the evening bonding with friends and teachers.

One of the most meaningful parts of the trip was our visit to the Srinakharinwirot University Demonstration School Community of the Somdej Ya Learning Center in Mae Chaem. There, we connected with the local students by teaching basic English, organising fun games, and participating in volunteer activities. The experience allowed us to build friendships, work together as a team, and better understand the importance of giving back to the community. We also took part in a hands-on cultural activity where we learned how to create plates from large leaves, gaining insight into local wisdom and sustainable practices.

During the trip, we also experienced Chiang Mai's rich culture and traditions. One evening, we enjoyed a traditional Khantoke dinner at the Old Chiangmai Cultural Center, where we sampled authentic northern Thai cuisine in a lively cultural setting. We later participated in an Art & Craft workshop, painting traditional Bo Sang umbrellas made from bamboo and wood, which gave us the opportunity to appreciate local craftsmanship and creativity.

In addition to the cultural experiences, the trip also included exciting recreational activities. At XVENTURE, one of the largest sports parks in Chiang Mai, we took part in a variety of challenging and enjoyable activities that encouraged teamwork, confidence, and cooperation while creating many fun memories together.

Before returning home, we visited the Chiang Mai City Arts & Cultural Centre, where we learned more about the history, heritage, and traditions of Chiang Mai through informative exhibitions and displays.

Year12

Business Field Trip

Our Year 12 Business class had the opportunity to visit the INVESTORY Investment Discovery Museum at the Stock Exchange of Thailand (SET) with Mr. Brandon, making it one of the most engaging and insightful trips of the year. This enriching educational visit allowed us to deepen our understanding of finance and investing by exploring how the stock market operates, the role of financial institutions in the economy, and the importance of making informed financial decisions.

During the visit, we explored a wide range of interactive exhibits, games, and simulations that brought many classroom concepts to life. These activities helped us understand key ideas such as investment strategies, risk management, and the power of compound interest. One of the highlights was learning how to identify and avoid common financial pitfalls—often referred to as “money monsters”—such as overspending, poor budgeting, and risky investment choices. We also discovered practical ways to build financial stability, including budgeting effectively, diversifying investments, and analysing market trends.

The experience provided valuable insight into how real-world businesses operate and make financial decisions, helping us connect theory with practice in a meaningful way. Beyond the academic learning, the trip was also a great opportunity to spend time together outside the classroom, strengthening our friendships and creating lasting memories.

Overall, this hands-on experience emphasized the importance of financial literacy and equipped us with essential knowledge and skills that will support our future studies and real-life financial decisions.

Year12

HARRY POTTER:
IS HE THE

ONE?

Year 12 E-Sports Club

The E-Sports Club, led by our Year 12 Student Council, has been a vibrant and engaging space for students who share a passion for gaming, teamwork, and friendly competition. Throughout the year, members participated in a variety of popular games, including ROV and eFootball, allowing players to develop their strategic thinking, communication skills, and coordination in a fun and competitive environment.

The club provided opportunities for friendly matches, internal tournaments, and collaborative gameplay, encouraging students to work together, communicate effectively, and support one another as teammates. These activities not only strengthened gaming abilities but also helped students build confidence, leadership, and problem-solving skills in high-pressure situations.

Beyond competition, the E-Sports Club created a welcoming and inclusive community where students from different year groups could connect, relax, and bond over shared interests. The club became a place where friendships were formed, teamwork was strengthened, and students could take a break from academic pressures while still participating in meaningful activities. The Year 12 Student Council members played an important role in organising and managing the club, ensuring that sessions remained enjoyable, organised, and engaging for everyone involved.

Year12

KODAK 5062 PX

Wall of Hearts

As part of Valentine's Week, our Year 12 students and Student Council organised the heartwarming "Wall of Hearts" initiative to celebrate appreciation, kindness, and unity within the school community. Together, we spent meaningful quality time folding heart-shaped papers and carefully writing the names of every student and staff member, ensuring that everyone felt included and recognised. These hearts were then displayed on walls across every floor of the school, transforming the campus into a vibrant and uplifting space.

The preparation process was just as special as the final result. It gave us the opportunity to work closely together, support one another, and share moments of laughter, teamwork, and connection. Through this, we strengthened our bonds as a year group while contributing something meaningful to the wider school community.

Throughout the week, everyone was encouraged to find their own heart, and once discovered, they could exchange it for snacks and small prizes at the Year 12 common room. This created excitement and engagement across the school, bringing smiles to many faces.

More than just a fun activity, the Wall of Hearts reflected the true spirit of Valentine's Week - spreading positivity, appreciation, and a sense of belonging, while reminding us of the importance of taking time to connect and support one another.

Year 12

Congratulations to SPIP 11, the Class of 2026

Throughout your time at SPIP, you have grown into thoughtful and capable young adults. We have been continually impressed by your academic efforts and the strong character you have shown both inside and outside the classroom. You have set a wonderful example for the younger students who will follow in your footsteps.

As you leave us to begin your university studies, take pride in everything you have achieved. Carry forward the knowledge, skills, and friendships you have built here. We have every confidence in your potential and know that you will continue to succeed in whatever path you choose.

We are incredibly proud of you all. Wishing you the absolute best in your future endeavors!

Year13

The 2026 Graduation Dinner

On the evening of April 30th, we all gathered at Goji Kitchen, Bangkok Marriott Marquis Queen's Park for our Graduation Dinner. It was wonderful to see everyone there for a night of real celebration.

We spent the evening sharing incredible food, laughing over old stories, and talking about everything we've been through together over the years. It was a chance to just be with each other and let the reality of graduation finally sink in.

In between trips to the buffet, we passed the friendship books around the tables, scribbling inside jokes, quick memories, and heartfelt goodbyes on the blank pages. We took more photos than we could count, grabbing friends and teachers for one last group shot, wanting to freeze the moment before everyone heads off in their own directions.

It wasn't just a dinner, it was a celebration of us. It was the perfect way to wrap up our time at SPIP. As we look ahead to university and whatever comes next, we'll always look back on the warmth and joy of this night as one of our favorite memories together.

SPIP Wai Kru Ceremony & AAA Awards Celebration

The SPIP Wai Kru Ceremony & Academic Achievement Awards (AAA) Celebration was a meaningful and memorable occasion that brought our school community together in appreciation and recognition. We had the honour of taking part in the beautiful Wai Kru Ceremony, a cherished Thai tradition that reflects the deep respect and gratitude students hold for their teachers. Through this ceremony, we were reminded of the important role our teachers play in guiding, supporting, and inspiring us throughout our learning journey.

At SPIP, we continue to nurture an understanding of this cultural tradition, encouraging students to value respect, gratitude, and humility. A heartfelt thank you goes to the Thai Department for organising such a thoughtful and moving event that allowed us to truly appreciate this meaningful practice.

The celebration also recognised the outstanding achievements of our students through the Academic Achievement Awards. Congratulations to all award recipients—your hard work, dedication, and commitment to excellence have truly paid off, and we are incredibly proud of your accomplishments.

For those who did not receive an award this time, this is not the end but a motivation to keep striving forward. Every effort and step of progress matters, and with perseverance and determination, success will surely follow.

Overall, the event was a wonderful balance of cultural appreciation and academic recognition, inspiring us all to continue working hard while staying grounded in respect and gratitude.

What an incredible SPIP Open Day!

Our Open Day was a special opportunity for parents and visitors to explore our school, meet our dedicated teachers, students, and staff, and experience the warm and welcoming SPIP community. A huge thank you to our amazing teachers, students, and admin staff for their hard work in making the day such a success. We are also so grateful to all the parents and visitors who joined us. Your wonderful feedback means the world to us and inspires us to keep growing together.

OPEN
HOUSE

World Book Day 2026

World Book Day 2026 was a day filled with excitement and engaging activities for our students. We were honored to have the renowned author David Owen join us, sharing insights into his creative process and discussing the inspirations behind his popular books. His presence sparked a renewed interest in reading among the students, who left feeling inspired to explore new literary worlds.

Throughout the day, students enjoyed listening to an intriguing story during their classes, which fostered lively discussions and enhanced their understanding of literature. They also participated in a competitive quiz that tested their engagement and knowledge of the themes presented. The atmosphere was electric as students eagerly vied for top scores and prizes.

As the day came to a close, we proudly announced the winners of our bookmark design contest and the thrilling extreme reading challenge. The grand finale featured a vibrant fashion show, showcasing representatives from each KS3 tutor class dressed as their favorite book characters.

Congratulations to Noodee, Janjao, and Melody for their outstanding costumes, which highlighted their creativity and passion for storytelling, making World Book Day 2026 a memorable celebration for all.

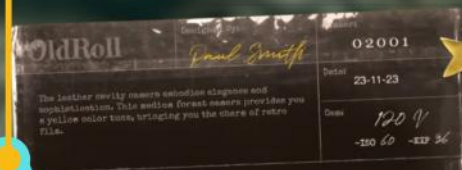

Math Interhouse 2026

On Friday, students from Years 7, 8, 9, and 10 participated in the exciting interhouse mathematics competition, showcasing their impressive problem-solving and arithmetic skills. Each team faced challenging problems, demonstrating creativity and teamwork.

Throughout the event, students engaged in a series of complex mathematical tasks that tested their critical thinking and collaborative skills. Each team demonstrated not only their individual knowledge but also their ability to work together effectively under pressure.

All teams performed admirably, but it was team Erawan that ultimately emerged victorious, securing the top position with their exceptional performance. Their hard work and collaboration paid off, earning them the well-deserved glory of first place.

Congratulations to team Erawan! for their outstanding achievement! This competition not only highlighted their mathematical talents but also fostered a wonderful spirit of camaraderie among all participants. We eagerly anticipate more thrilling competitions in the future!

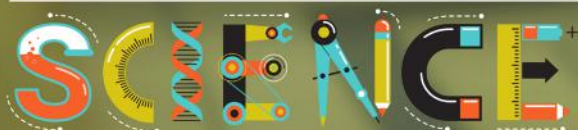

SSIP Science Bowl : Black Friday Edition

The SPIP Science Bowl: Black Friday Edition was an exciting and intellectually engaging event that highlighted how science is present in our everyday lives. With a creative theme inspired by Black Friday, the competition connected scientific concepts to real-world applications—from energy conversions involved in delivering products to the technologies behind modern devices.

The event featured fun and interactive elements, including themed power-ups such as BOGO, Early Bird Special, and Combo Deal, which added an extra layer of strategy and excitement to the competition. These boosts played a key role in supporting the outstanding performance of Erawan House, who claimed the champion title—congratulations on a well-deserved victory.

Many students found this year's questions more challenging, pushing them to think critically and apply their knowledge in new ways. This level of challenge not only tested their understanding but also encouraged curiosity and deeper exploration of the science behind everyday products and processes.

Overall, the event was a memorable experience that combined learning with fun, inspiring students to stay curious and continue discovering the science that surrounds them.

Model United Nations (MUN)

This year, SPIP students actively participated in Model United Nations (MUN) conferences, demonstrating strong communication, critical thinking, and diplomacy skills while representing the school on both national and international platforms.

At YSLCMUN, several SPIP students took part in the conference, with outstanding achievements from our delegates. Congratulations to Cooper (Y9), representing UNHRC, for winning the Best Delegate Award. Cookie (Y9) in UNHRC and Geene (Y9) in DISEC were also recognised with Honourable Mention Awards. We also commend Bambam (Y12), who served as Head Chair of UNHRC, along with Sufia (Y12), Punn (Y11), and Peter (Y9) for their active participation and excellent representation of SPIP.

At THAIMUN XIII, the largest MUN conference in Thailand, 11 SPIP students joined over 500 participants from countries including Korea, Myanmar, Nepal, and China. Over the course of three days, our students engaged in discussions on global issues, participated in debates, and built meaningful connections with peers from diverse backgrounds.

A special recognition goes to our SPIP delegation: Bambam (Y12) as Deputy Chair of WHO; Poonh (Y12) in HCC; Punn (Y11) in USCC; Nemo (Y11) in IOC; Mimi (Y11) in UNODC; Namsai (Y11) in ECOSOC; Notre (Y10) in Arab League; Cookie (Y9) in ICJ; Cooper (Y9) in WHO; Geene (Y9) in USCC; and Gamhom (Y9) in UNESCO.

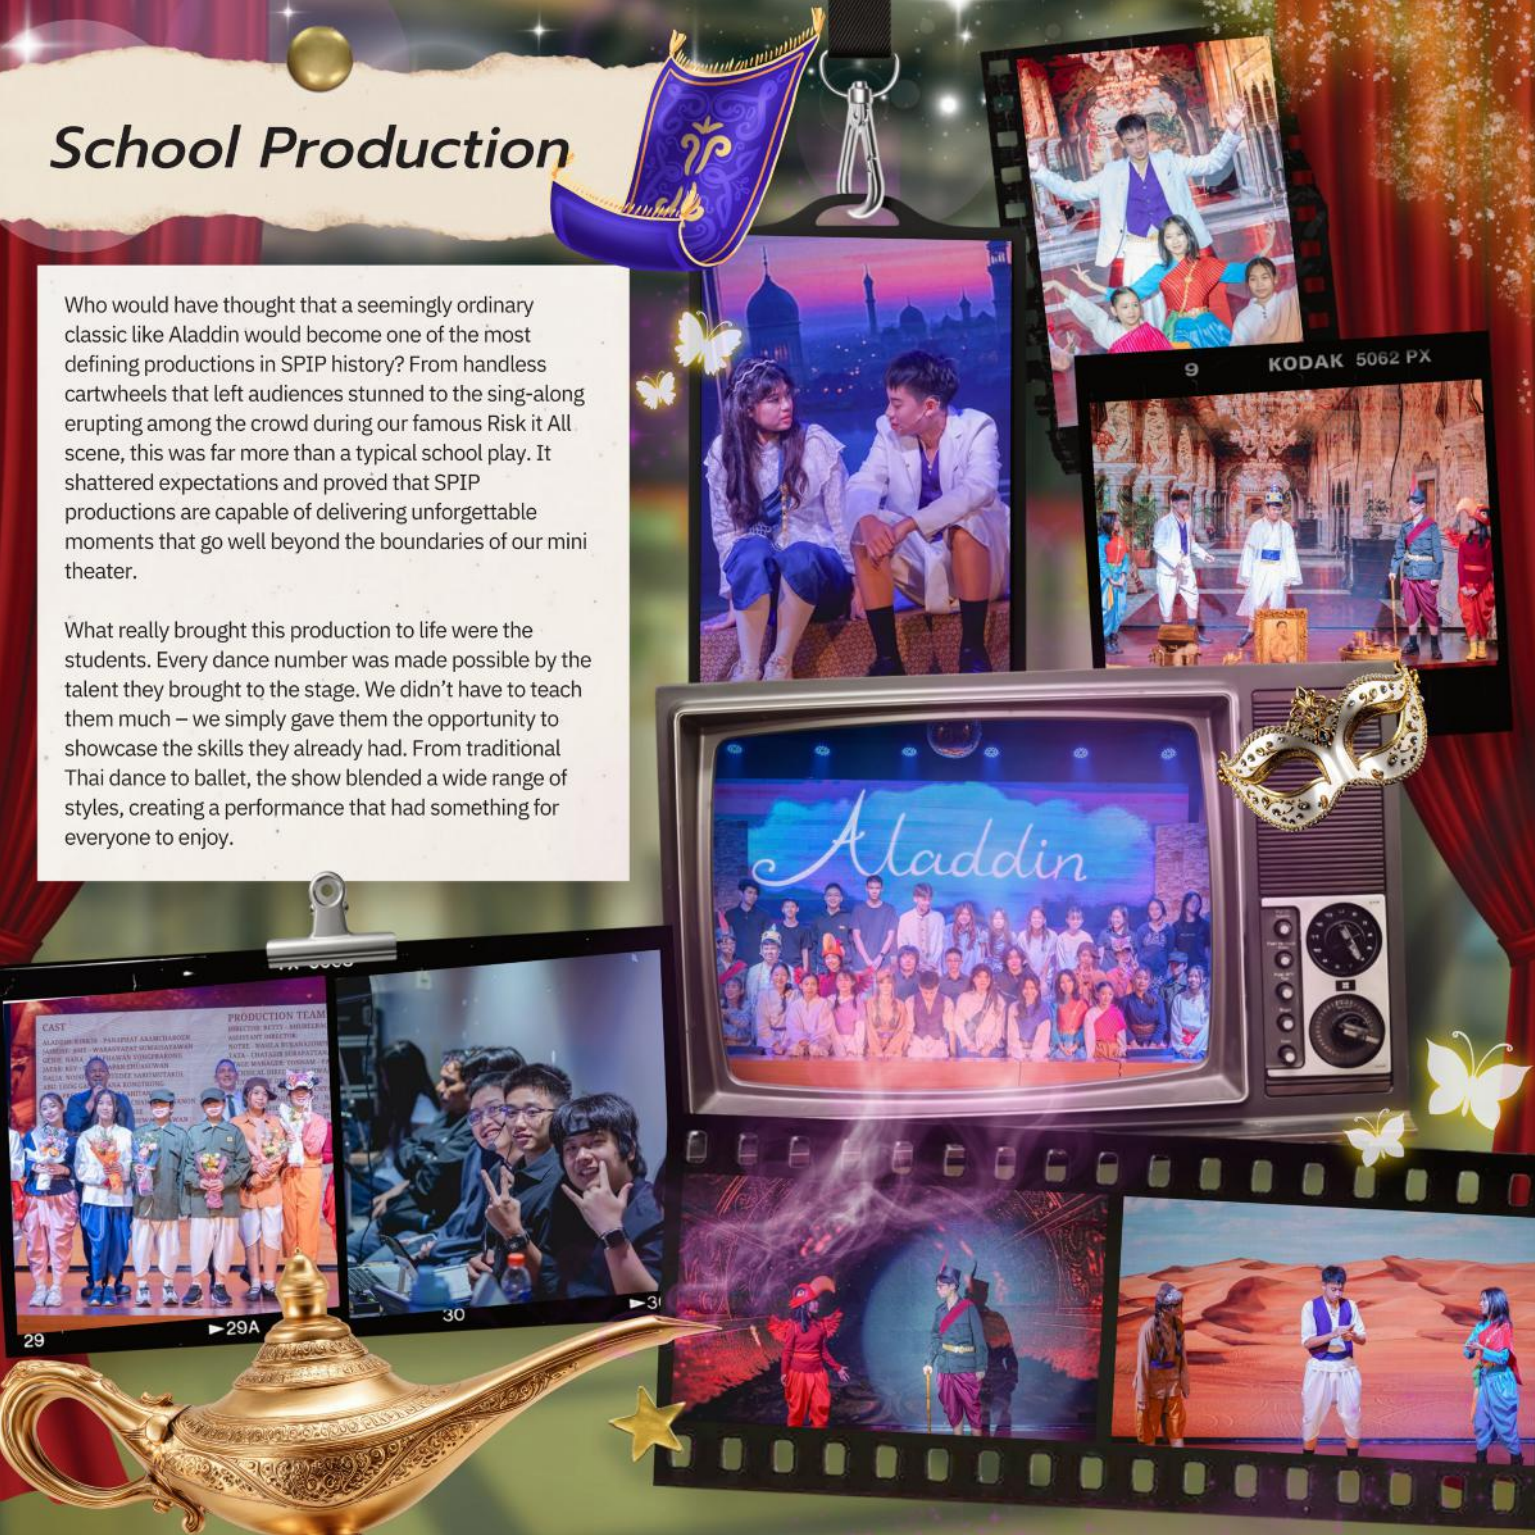

We would also like to extend our sincere thanks to Mr. Mark, our SPIPMUN advisor, for his guidance and support throughout these conferences. We are incredibly proud of all our delegates for their dedication and achievements, as well as for the unforgettable experiences and memories they gained through MUN.

School Production

Who would have thought that a seemingly ordinary classic like Aladdin would become one of the most defining productions in SPIIP history? From handless cartwheels that left audiences stunned to the sing-along erupting among the crowd during our famous Risk it All scene, this was far more than a typical school play. It shattered expectations and proved that SPIIP productions are capable of delivering unforgettable moments that go well beyond the boundaries of our mini theater.

What really brought this production to life were the students. Every dance number was made possible by the talent they brought to the stage. We didn't have to teach them much – we simply gave them the opportunity to showcase the skills they already had. From traditional Thai dance to ballet, the show blended a wide range of styles, creating a performance that had something for everyone to enjoy.

Christmas Assembly

The SPIP Christmas Assembly was a lively and memorable celebration that brought the entire school community together in a joyful and festive atmosphere. The day was filled with a variety of engaging activities, including exciting football games that encouraged friendly competition, a beautiful choir performance that captured the spirit of the season, a fun and highly anticipated lucky draw, and a delicious Christmas special lunch enjoyed by students and staff alike.

One of the most meaningful highlights of the event was the "Christmas Train" initiative. With the train described as "running on empty," students were encouraged to step forward as "heroes" by donating toys, clothes, and other items to support children in need. This initiative not only promoted generosity and kindness but also raised awareness about giving back to the community during the festive season. To add an element of excitement, participants also had the opportunity to win a pizza prize for their tutor group, making the donation drive both impactful and engaging.

In addition, the Student Council played an important role in organising activities such as Christmas Tree Wishes and Christmas movie sessions. These activities created opportunities for students to come together, share festive moments, and enjoy the holiday spirit in a relaxed and enjoyable environment.

AK PORTRA 400

90 F11.0 X P80/20 120

Cultural Exchange Program in Tsukuba, Japan.

The student cultural exchange program between Thailand and Japan has officially resumed, taking place from December 5 to 13, 2025. This year, 14 SPIP students, two Thai Mathematics students, and two teachers are traveling to Meikei High School in Tsukuba, Japan, for an immersive educational experience.

During the trip, students will participate in cultural workshops and presentations, benefiting from Meikei High School's renowned focus on science and research. Beyond academics, the program offers true cultural immersion as students live with local host families, gaining firsthand experience of Japanese daily life and traditions.

Ultimately, this exchange goes beyond traditional learning to focus on personal development and global readiness. By fostering mutual respect, meaningful connections, and essential intercultural communication skills, this invaluable experience promises to open new doors for our students and enhance their global awareness for years to come.

Halloween Celebration

SPIP celebrated Halloween with a vibrant and educational event filled with creativity, excitement, and festive spirit across the school. The day began with a variety of engaging activities organised by our Student Council and the Zero Waste Team, offering students the opportunity to take part in both fun and meaningful experiences.

Students enjoyed a wide range of activities, including a Halloween-themed photobooth, a haunted house escape room, and horror movie screenings, all of which added to the excitement and immersive atmosphere of the event. Creative activities such as pumpkin painting also allowed students to express their artistic talents while embracing the festive theme.

The celebration continued with a lively stage programme, where winners of several special events were announced. Congratulations to the Rocktober winner organised by the VPA Department, the Storytelling Contest winners from the English Department, and the Homeroom Window Decoration Contest winners. These competitions highlighted the creativity, effort, and teamwork of students across the school.

Throughout the day, students participated with enthusiasm and energy, creating a fun and inclusive environment that brought the school community together. The Halloween celebration was a memorable occasion that combined learning, creativity, and enjoyment for all.

Valentines

SPIP celebrated Valentine's Week with a range of fun and engaging activities organised by the Student Council, creating a lively and positive atmosphere throughout the school. During the week, students had the opportunity to purchase a variety of items such as flowers, stickers, flower balloons, LEGO items, and more. These stalls were popular among students and added to the festive spirit, allowing everyone to take part in the celebration.

One of the key highlights was the "Wall of Hearts" initiative, where heart-shaped papers with the names of all students and staff were displayed across every floor of the school. This created excitement as everyone searched for their own hearts and exchanged them for snacks and small prizes at the Year 12 common room.

SPIP Songkran 2026

Siam Bangkok City

สงกรานต์ยุคใหม่ หุ่นไฮสาดสุข

SPIP came alive with a beautiful blend of tradition and modern style as students dressed in Sabai & Denim and Thai contemporary outfits, celebrating Songkran in a truly unique way.

From the lively sounds of the Songkran orchestra to the elegance of Thai folk dance, the spirit of Thai culture was everywhere. Students also took part in the meaningful tradition of gently pouring water on teachers as a blessing for the Thai New Year.

The celebration continued with delicious Thai food, creative craft activities, fun traditional games, and of course... an exciting water fight that brought smiles and laughter to everyone!

A joyful day full of culture, creativity, and unforgettable memories

Happy Lunar New Year

Happy Lunar New Year!
Welcome to the Year of the Fire Horse

This year marks a great beginning for the Eastern Languages Department as we proudly hosted our very first Lunar New Year and Eastern Day Assembly. Students and teachers came together to celebrate Chinese, Japanese, and Korean cultures through beautiful performances, student-run craft booths, and fun traditional games.

It was truly a joyful day filled with culture, collaboration, and unforgettable memories!

ZeroWaste Project

Welcome to the ZeroWaste Project, a student-led initiative that has been continued and developed by SPIP students for five generations. The project aims to educate and inspire the SPIP community about current environmental issues, particularly climate change and global warming, while encouraging everyone to adopt more sustainable lifestyles and everyday habits.

Throughout the years, the ZeroWaste team has organised a variety of creative and educational activities designed to raise awareness in fun and engaging ways. During the SPIP Halloween event, students participated in the “Halloween Spooky Pencil Holder” activity, where recyclable and reusable materials were transformed into creative handmade crafts. At the School Fair 2026, the team also organised the “Separation Trash Collection” activity, helping students learn the importance of waste separation, recycling, and responsible disposal practices.

Beyond organising activities, the ZeroWaste Project encourages students to recognise how small actions can contribute to a more sustainable future. Through teamwork, creativity, and community involvement, members of the project continue to promote environmental awareness and inspire positive change within the school community.

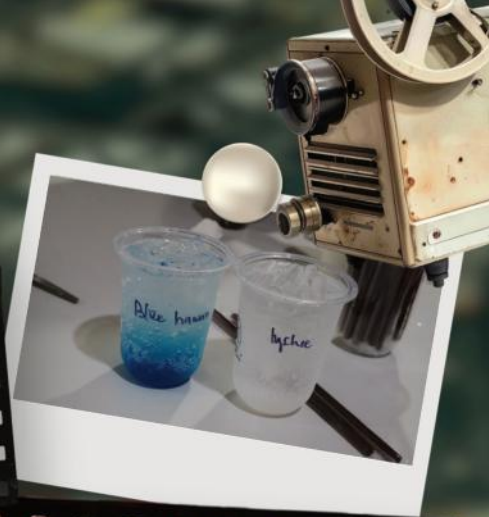

SPIP x VIE Project

The SPIP x VIE Project is a meaningful collaboration between SPIP students and the students and staff from VIE, created to encourage friendship, inclusion, and shared experiences through enjoyable activities and teamwork. Throughout the first term of the academic year, students from both schools came together to participate in a variety of engaging activities prepared by the project team.

These activities included colouring, UNO games, poster-making, and many other interactive sessions that allowed students to socialise, communicate, and build connections in a welcoming and supportive environment. The project created opportunities for students to spend quality time together while learning the importance of kindness, teamwork, and inclusivity.

One of the highlights of the collaboration was the lunch break shop organised by the project team. During school lunches, students worked together to operate a small business selling Italian sodas and delicious desserts baked by the VIE students. The shop became a popular part of the school day, giving students valuable experience in teamwork, communication, and responsibility while also supporting collaboration between both schools.

Rocktober

ROCKTOBER brought excitement, creativity, and school spirit to SPIP through a thrilling inter-house music video competition inspired by Halloween. Students from each house worked together to create unique Halloween-themed music videos, combining music, performance, costumes, and storytelling into unforgettable productions.

Throughout September, students formed bands, selected songs, and spent weeks preparing and rehearsing with their teammates. Each house collaborated closely to plan performances, develop creative concepts, and organise filming ideas, while senior students took on leadership roles as band managers to help guide performances and videography.

During October, the competition truly came to life as students filmed their performances and created their own music videos filled with spooky themes, dramatic costumes, creative editing, and energetic performances. From horror-inspired concepts to exciting stage presence and cinematic effects, each house showcased impressive creativity and teamwork.

ROCKTOBER encouraged students to step outside their comfort zones, express themselves through music and performance, and work collaboratively toward a shared goal. The event not only highlighted the artistic talents within each house, but also strengthened house spirit, leadership, and friendships across year groups.

Eastern Languages Interhouse Competition: East Asia Quiz

We are proud to celebrate our very first Eastern Languages Interhouse Competition. Representatives from each house showed teamwork, knowledge, and enthusiasm as they competed through exciting rounds on Chinese, Japanese, and Korean language and culture.

The quiz challenged students in many areas, including language, history, geography, lifestyle, entertainment, and general knowledge. It was wonderful to see our students learning, collaborating, and sharing their passion for East Asian cultures.

Congratulations to Yaksha, the first-ever champion of the East Asia Quiz! Well done to all participants.

**QUIZ
TIME!**

Sports Day!

Sports Day 2025 was a fantastic celebration of athleticism, teamwork, and house spirit, with SPIP students showing their commitment to pushing themselves stronger, faster, and further throughout the event. Students from all Houses competed with enthusiasm and determination in a wide range of events, including explosive sprints, resilient long-distance races, powerful throws, and exciting relay competitions.

The day was filled with energy, encouragement, and pride as students supported one another and gave their best in every challenge. Makara House once again demonstrated remarkable consistency and competitive spirit in their successful defence of the title.

Congratulations to all students for their courage, sportsmanship, and pride in representing their Houses, helping make Sports Day 2025 a memorable success for the whole SPIP community.

Swimming Gala 2026

Over two action-packed days, the four Houses Makara, Erawan, Singha, and Yaksha made serious waves in the pool, competing in an incredible 96 races. The competition was fierce and the atmosphere electric with every length pushing the limits.

In the end, history repeated itself as Makara rose to the top for a record sixth title, cementing their status as SPIP's most successful House. A reel spectacle from start to finish, where every stroke truly counted.

GBAC Swim Cup 2026

The SPIP Swim Team delivered an outstanding performance at the GBAC Swim Cup 2026, demonstrating dedication, discipline, and exceptional teamwork throughout the competition. Competing against 10 international schools, our swimmers showed remarkable determination and resilience, proudly representing the SPIP community and achieving impressive results across multiple age groups.

Through months of hard work and training, the team achieved the following accomplishments:

Champion – U13

1st Runner-up – U15

1st Runner-up – U19

A total of 62 medals won by the SPIP Swim Team
Overall 3rd Place among 10 international schools

These achievements reflected not only the athletic ability of our swimmers, but also their perseverance, commitment, and strong team spirit both in training and during competition. Every race showcased the effort and determination that the swimmers consistently brought to the pool.

SPIP would also like to express sincere appreciation to Ms. Nook, Ms. Laura, and Coach Kao for their continuous support, encouragement, and guidance throughout the event. Their dedication played an important role in helping the team achieve such memorable success.

SWIM

GBAC Basketball

It has been an exciting year for SPIP Basketball, with students across all age groups proudly representing the school with commitment, teamwork, and sportsmanship. Our basketball programme continues to grow, with U13, U15, and U19 teams for both boys and girls, providing many opportunities for students to develop their skills and love for the game.

The season began on 9 September 2025 when our U19 Girls' Basketball Team opened their GBAC league title defence in a thrilling and closely contested match against TSI. The team showed great determination and resilience, setting a strong tone for the season.

Throughout the year, our U13, U15, and U19 boys' and girls' teams competed in league matches and tournaments, consistently demonstrating teamwork, discipline, and pride in representing SPIP. Each game provided valuable experience and helped our athletes continue to grow in confidence.

SPIP was also proud to host the GBAC U13 Girls' Basketball Tournament. The event reflected the values of opportunity, mutual respect, and a shared enjoyment of sport, with a fantastic atmosphere created by coaches and student-athletes alike.

We are incredibly proud of all our basketball players and coaches for their hard work and achievements throughout the year.

GBAC Football

It has been an exciting and memorable season for SPIP Football, with our teams proudly representing the school through their commitment, teamwork, and passion for the game. Across every age group, our student-athletes demonstrated determination, resilience, and sportsmanship while continuing to develop their skills and confidence on the field.

On 26 February 2026, the SPIP U13 Boys' Football Team competed against SISB in an exciting and competitive match. Our young players gave their very best, showing excellent teamwork, strong effort, and determination from start to finish. Their enthusiasm and positive attitude reflected the bright future of SPIP football.

On 25 February 2026, the SPIP U15 Girls' Football Team faced RIS in another spirited competition. The team played with confidence, determination, and great sportsmanship, supporting one another throughout the game and displaying the values of teamwork both on and off the field. We are grateful to everyone who came to cheer on the team and create such a positive atmosphere.

On 24 February 2026, the SPIP U19 Boys' Football Team competed against SISB in an exciting match filled with energy and intensity. Our players showed dedication, leadership, and strong teamwork, representing SPIP with pride and maturity throughout the game.

We are incredibly proud of all our football players for their hard work, commitment, and growth this season. Their efforts continue to strengthen the SPIP sporting community and inspire others to develop a lifelong love of sport.

GBAC Badminton

On 10 March 2026, SPIP students proudly represented the school at the GBAC Badminton Tournament, competing with enthusiasm, determination, and pride. Throughout the event, our players demonstrated excellent skill, teamwork, and sportsmanship while giving their very best in every match.

The tournament provided a wonderful opportunity for students to challenge themselves, build confidence, and gain valuable competitive experience against other schools. Our athletes supported one another throughout the day, showing resilience and a positive team spirit both on and off the court.

We are incredibly proud of all participants for their dedication, effort, and commitment to representing SPIP so well. Congratulations to every player on an excellent performance and a memorable tournament experience.

GBAC Volleyball

It has been an exciting and rewarding season for SPIP Volleyball, with our teams consistently demonstrating teamwork, determination, and excellent sportsmanship in every competition. Across all age groups, our student-athletes have shown great commitment and passion, continuing to develop their skills and grow in confidence on the court.

On 22 April 2026, the SPIP U15 Boys' and Girls' Volleyball Teams competed against TSI. Our young athletes displayed impressive energy, teamwork, and resilience throughout the matches, reflecting their steady progress and dedication to improvement.

On 26 February 2026, the SPIP U19 Volleyball Team competed against SISB, delivering a strong and spirited performance. The team showed determination, unity, and great team spirit, representing SPIP with pride.

SPIP was also proud to host the GBAC U19 Girls Volleyball Tournament once again. This year's event was a tremendous success, becoming the most well-attended tournament to date, with seven member schools represented. It was inspiring to see so many student-athletes come together, highlighting the continued growth of the sport and our shared goal of fostering a lifelong love of volleyball.

School Fair

The SPIP School Fair was a tremendous success, bringing together students, teachers, and the school community for a day filled with excitement, creativity, and laughter. The event featured a wide variety of fun activity booths and games, creating a lively carnival atmosphere enjoyed by everyone.

A huge thank you goes to our SPIP Council team members, who worked incredibly hard to design, organise, and run the activity booths with creativity and enthusiasm. Their dedication and teamwork played a major role in making the event both entertaining and memorable for all students.

One of the highlights of the fair was the Dunk Tank, where Mr. Luke and Mr. Jojo bravely volunteered despite the cold weather, bringing endless laughter and excitement to the crowd. Their willingness to join in the fun created many unforgettable moments and added even more energy to the celebration.

The event also featured a beautiful Thai Traditional Costume Showcase, where SPIP students proudly represented the school with confidence and elegance. The showcase celebrated Thai culture and tradition while highlighting the effort and pride students put into their performances and presentations.

Service Conference 2026: Service-Learning - It Takes a Community!

On 23 March, SPIP students attended the Service Conference 2026 at NIST International School, themed "Service-Learning: It Takes a Community!" Joining peers from international schools worldwide, our students engaged in collaborative sessions that explored the true impact of service, how to build strong community partnerships, and ways to embed service into daily life.

A highlight of the day was the Service-Learning Carousel, where students exchanged innovative ideas and shared experiences with a diverse global network. This inspiring event provided our students with fresh perspectives and actionable ideas to strengthen future Service in Action projects at SPIP. We extend our thanks to NIST for hosting such a meaningful and enriching conference!

SPIP Riders

SPIP Riders 2026 was a meaningful initiative that brought the SPIP community together to support an important charitable cause while raising awareness about helping those in need. During a special school assembly, we had the privilege of welcoming Greg Lange from Bangkok Community Help Foundation, who shared inspiring information about the organisation's work and impact within the community.

Students learned about how the charity has supported vulnerable people across Bangkok, including providing over 5,000,000 meals to the homeless community. In addition, the organisation has played an active role in responding to emergencies throughout Thailand, including flood relief efforts and support during border-related crises. The presentation helped students better understand the importance of community service, compassion, and helping those facing difficult circumstances.

The event also highlighted the generosity and support of the SPIP community. Our PTA kindly began the fundraising efforts with a generous contribution in support of SPIPRiders 2026, encouraging students and families to become involved in the initiative.

With the cycling event taking place on Saturday, 17 January, the project inspired students to recognise how collective effort and small acts of kindness can create a meaningful impact on the lives of others. The event reflected the strong spirit of generosity, social responsibility, and community support within SPIP.

Buddy System

The Student Council organised a fun and meaningful “Buddy System” activity that brought students from different year groups closer together through small acts of kindness and friendship. Throughout the week, students participated in an anonymous buddy system where they secretly gifted candies, snacks, and thoughtful messages to one another, creating excitement and anticipation around the school.

For Year 7–9 students, buddies reached out anonymously and surprised them with treats and encouraging gestures, making the experience enjoyable and heart-warming. Meanwhile, Year 10–13 students took on the role of caring for their junior buddies while also receiving support and encouragement from senior buddies themselves. This system helped strengthen connections between students across different age groups and created a welcoming and supportive environment within the school community.

The “Buddy Reveal” became one of the highlights of the week as students eagerly waited to discover who their buddies were. The final reveal brought laughter, excitement, and many memorable moments as students finally met the people behind the anonymous gifts and messages.

More than just a fun activity, Buddy Reveal encouraged kindness, inclusivity, and friendship throughout the school. It allowed students to step outside of their usual social circles, build new relationships, and create positive memories together, making the event a meaningful and enjoyable experience for everyone involved.

SPIP Prom Night Party

The Great Gatsby Class of 2026

The SPIP Prom Night Party for the Class of 2026 was a glamorous and unforgettable evening inspired by the elegance and luxury of The Great Gatsby. The venue was beautifully decorated with sparkling lights, golden accents, and vintage-inspired decorations, creating an atmosphere filled with excitement, celebration, and timeless memories.

Students arrived dressed in stunning formal attire, bringing style, confidence, and energy to the night. Throughout the evening, classmates enjoyed music, dancing, delicious food, and countless opportunities to take memorable photos together. The celebration gave everyone a chance to relax, have fun, and appreciate the friendships and experiences shared throughout the years at SPIP.

One of the most special parts of the evening was seeing everyone come together to celebrate the journey they had experienced as a class. From laughter on the dance floor to emotional conversations and shared memories, the night reflected the strong bonds and unforgettable moments that had been created over the years.

Final Assembly & Market Day

The final assembly marked the end of the 2025-26 school year, bringing together students and teachers to reflect and celebrate. Several teachers who will be leaving SPIP shared their goodbyes, offering advice and recalling small, meaningful moments from their time here. Their words were sincere—some lighthearted, others more emotional—and students listened quietly, understanding the significance of these farewells.

Next came the announcement of the house competition results. Makara finished in first place, after a consistent year of strong performances. Yaksha was close behind in second. Erawan took third, and Singha came in fourth, but every house was recognized for their participation and effort.

After the assembly, Year 10 students ran their Market Day stalls, selling snacks like cookies, nachos, Buldak ramen, and drinks. It was a chance to put their enterprise skills into practice, and the relaxed atmosphere made it a pleasant way to wrap up the year. Students and teachers browsed the stalls, chatting and enjoying the last day before the end of year exams and summer break.

Student President

Before this year ends, I just want to say thank you. Serving as a student president for the Academic Year 25-26 has been one of the most memorable experiences of my school life. What started as a responsibility slowly became a journey full of lessons, challenges, laughter, and unforgettable memories.

To everyone who joined our events, supported our activities, and trusted our team — thank you for being part of every moment. Your energy and participation were what brought life to everything we created. To my team, thank you for all the effort you put in behind the scenes. People may only see the final result, but I've seen the late nights, the stress, the problem-solving, and the determination that went into making things happen. I'm truly grateful to have worked alongside such talented and hardworking people.

I especially want to thank Taihong, Cha-aim, Minnie, and Perm. Thank you for always being there through both the easy and difficult moments. Every one of you made this experience more meaningful in your own way. A heartfelt thank-you also goes to Mr. George Thodsaphon and Miss Piakpoon for your constant support, guidance, and encouragement throughout the year. Thank you for believing in us and helping us grow into better leaders and better people. This year taught me that leadership is not about doing everything alone — it's about learning, trusting others, overcoming challenges together, and growing through every experience.

As this chapter comes to an end, I would like to take a moment to reflect on one of the most memorable experiences we shared together. One of the most unforgettable moments this year was our School Fair, where I truly saw everyone give their all to make the event a success. From the preparation to the final day, the hard work, teamwork, and energy from everyone involved created memories that I will always cherish. I would especially like to thank my fellow Year 12 classmates for always stepping up, supporting one another, and helping in every way possible. I'll carry all these memories and lessons with me for a very long time. Thank you for everything.

With love and gratitude,
Grace Pitchapa Dansirikul

PNS

The Parents and Teachers Association (PNS) has continued to play an important role in encouraging our students to become more actively involved in school life. Whenever the opportunity arises, we come together to support and foster meaningful connections across different student groups and co-curricular activities, helping to cultivate a more united and inclusive school environment.

We would like to express our deepest gratitude to every member of the PNS for their dedication and generous support throughout the year. Your efforts, no matter big or small, have never gone unnoticed. From assisting with school events and activities to providing guidance and encouragement behind the scenes, your involvement has been a steady and valued part of the SPIP community. It is through your commitment that many opportunities have been made possible for our students to grow, connect, and thrive. The time, energy, and attentiveness you give display a true partnership between families and the school. With this, SPIP has become more than just a place of learning—it becomes a community enriched with collaborative activities and mutual respect.

Once again, thank you for being such an integral part of our journey. We look forward to achieving even more together in the future.

Creating a yearbook is a true labor of love, and this collection of memories would not exist without the hard work, creativity, and dedication of so many individuals.

We extend our deepest gratitude to the Yearbook Committee, student contributors, photographers, and the editorial team for their countless hours spent planning, writing, and designing these pages. A special thank you goes out to our teachers, school staff, and the Parent Network for your unwavering support, for organizing the events we documented, and for helping us capture the true spirit of our school community.

Finally, thank you to every student who shared their smiles, stories, and achievements with us this year. This book is a celebration of all of you, and we hope these pages bring you joy and fond memories for years to come.

Thank you for being a part of the story. —
Student Council 2026
