About the Author

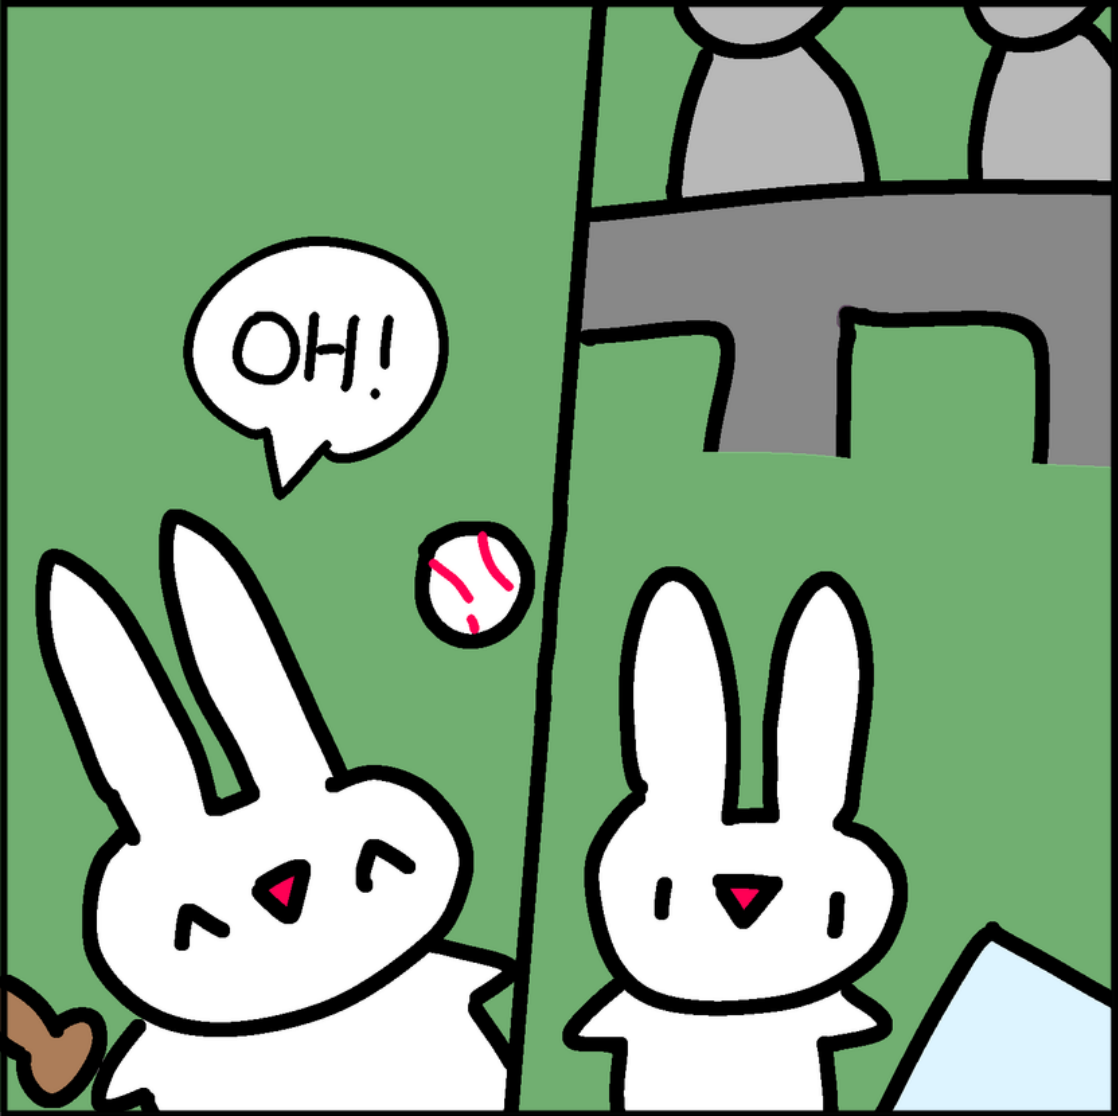

Hello! My name is 고우성
I'm a first middle school
student. I like watching
baseball, studying English, and
playing the violin. I wrote this
story because I wanted to let
you know the fun of baseball.
Thank you for reading my book.
I hope you enjoy it.

(I had a hard time drawing
all the pictures in this book!)

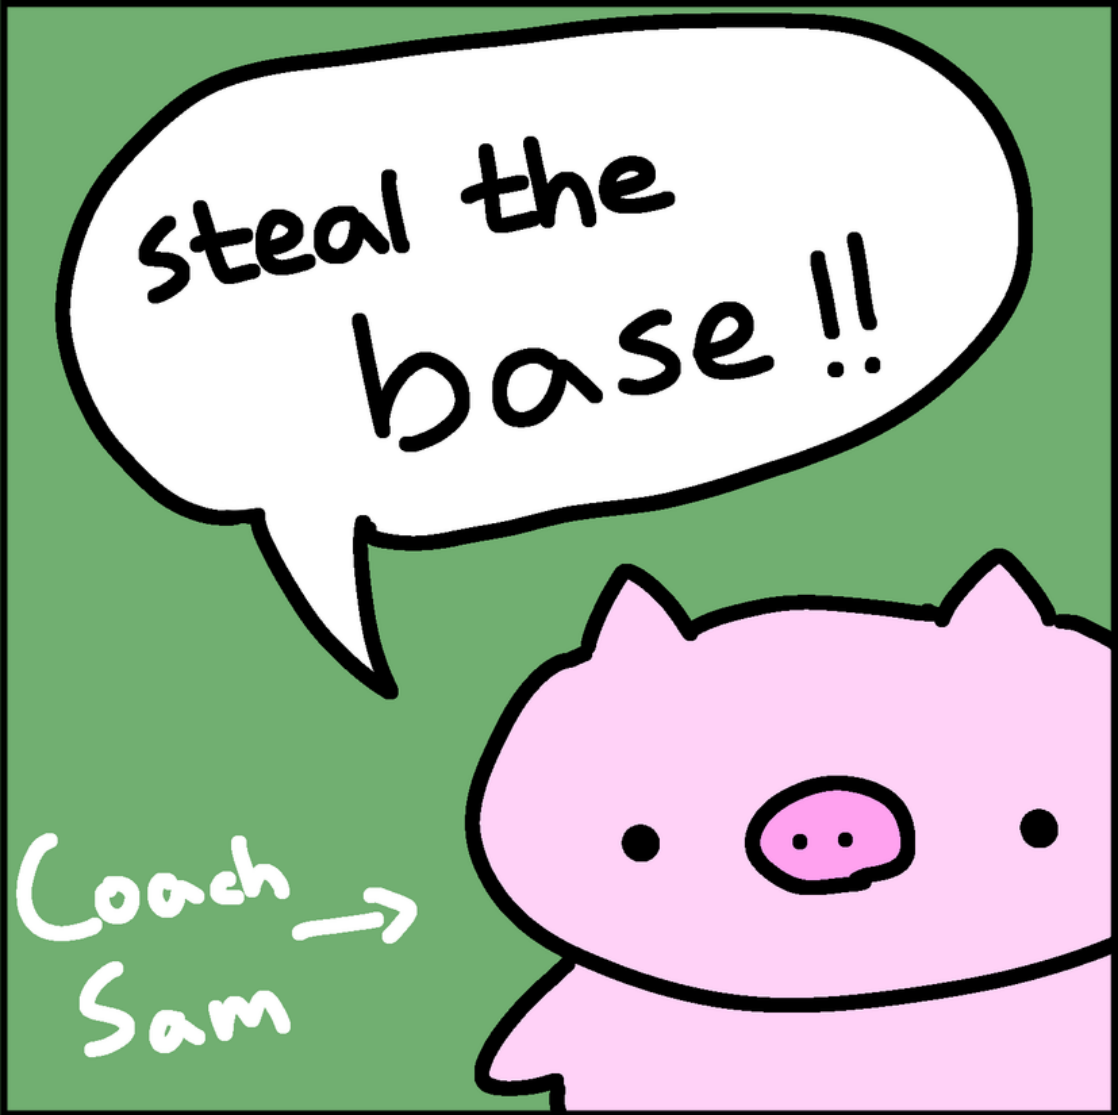

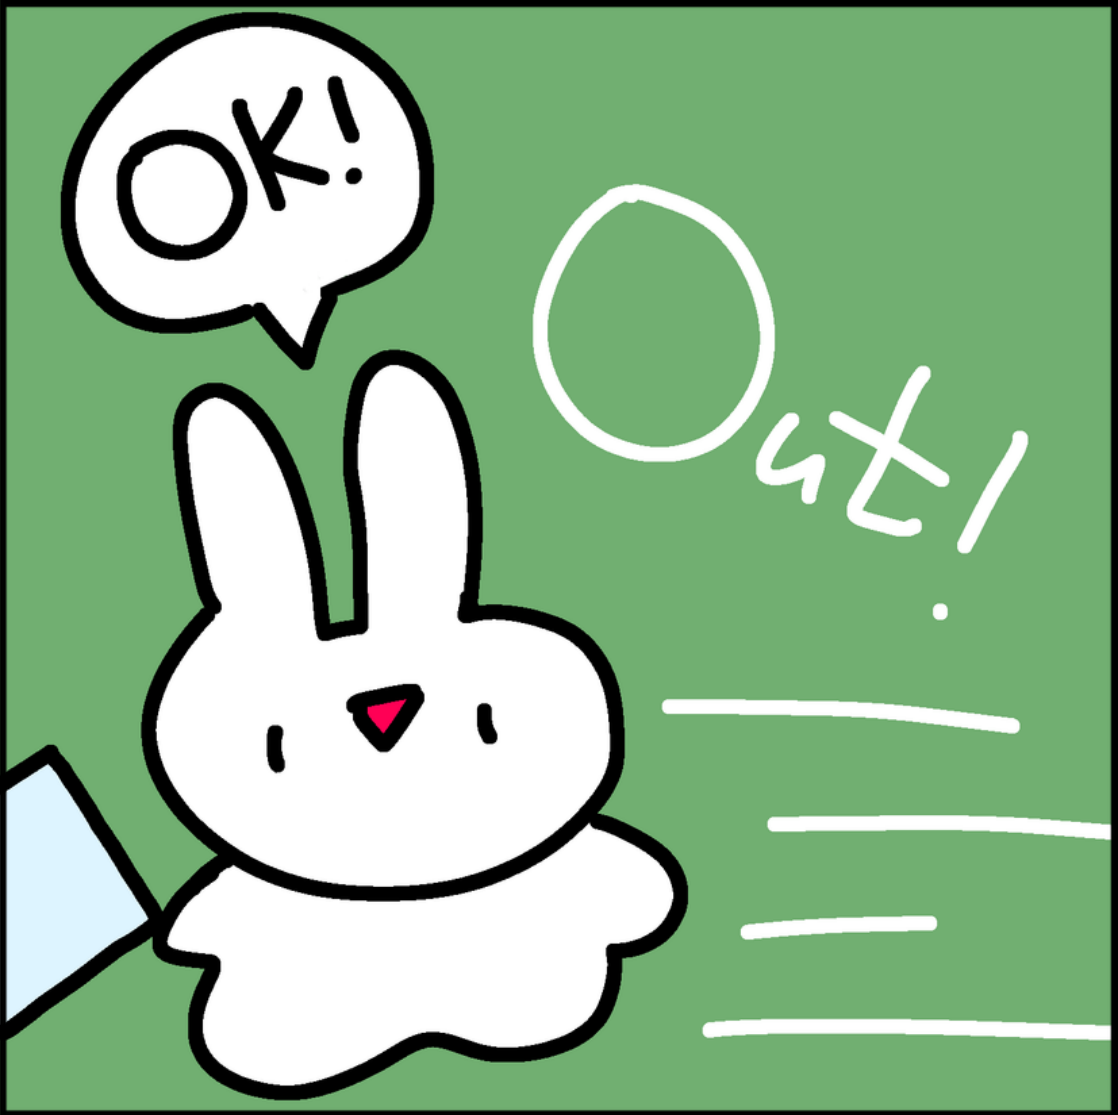

**Ollie likes baseball
But he **doesn't** know
the rules.**

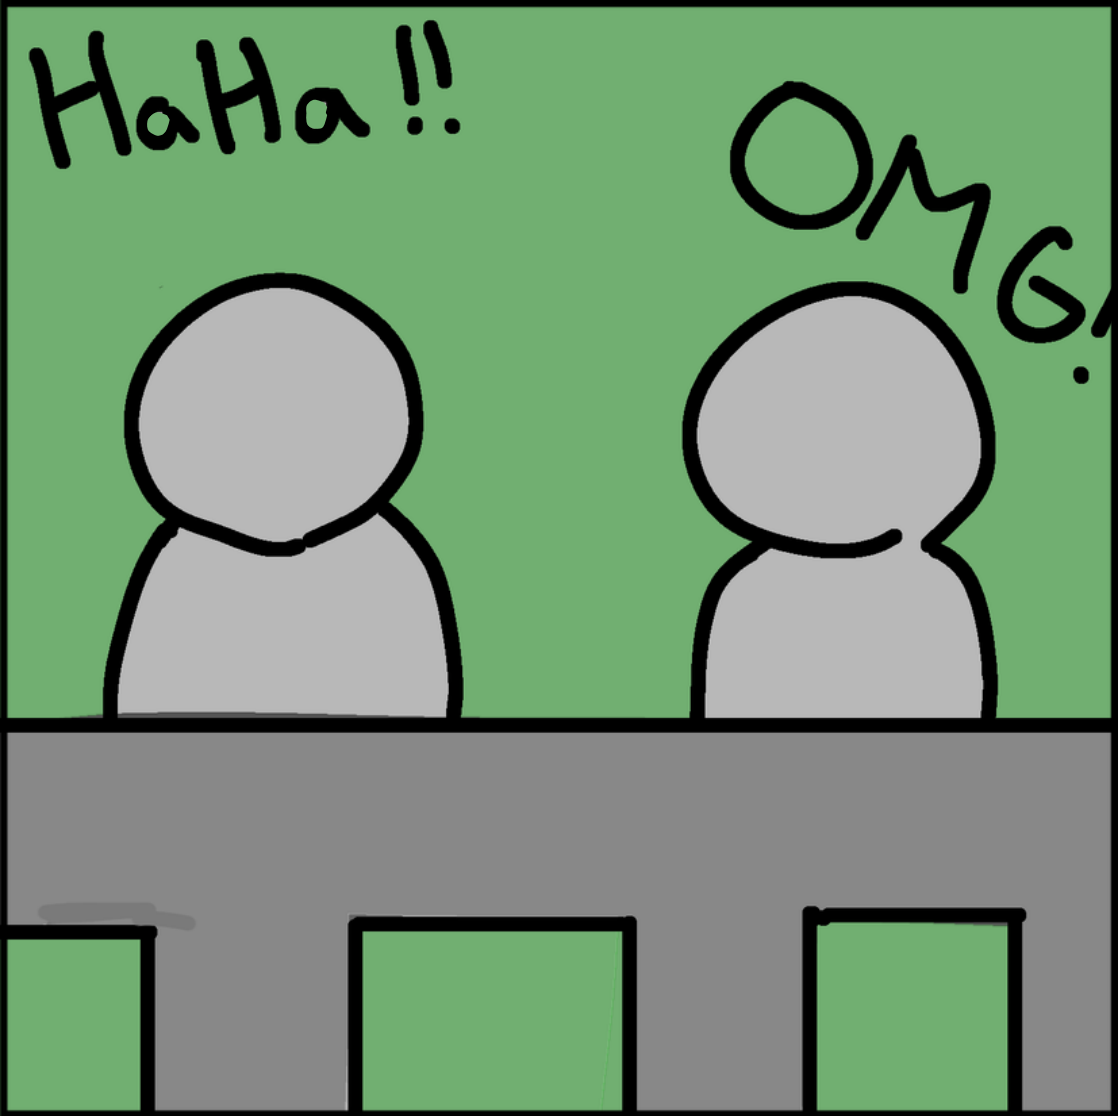

Ollie hit the ball and go to the first base

**The coach Sam
tell Ollie to steal
a base.**

Ollie steals real base!!
Oiiie is out.

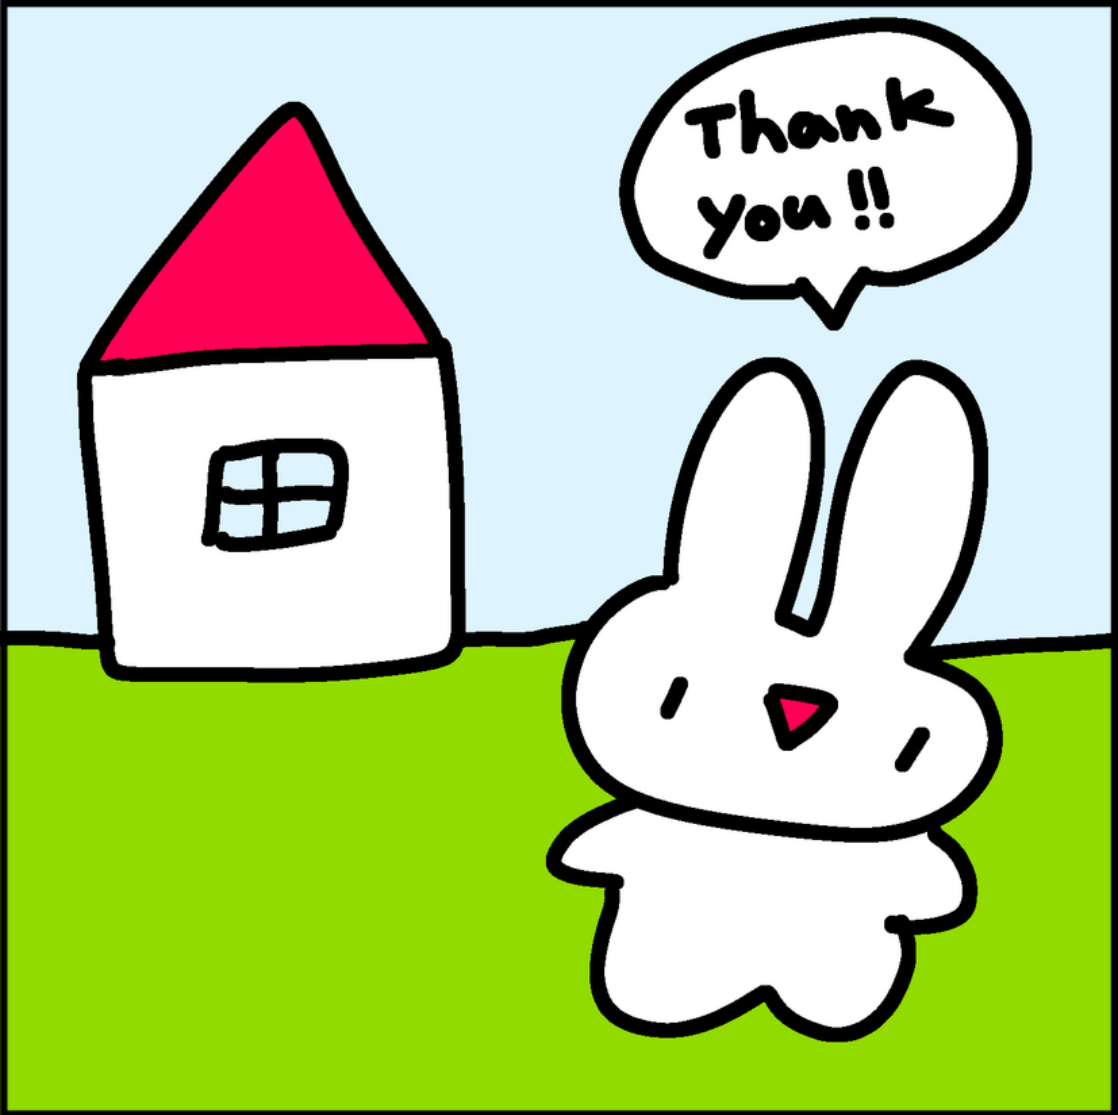

Everyone laughs!!

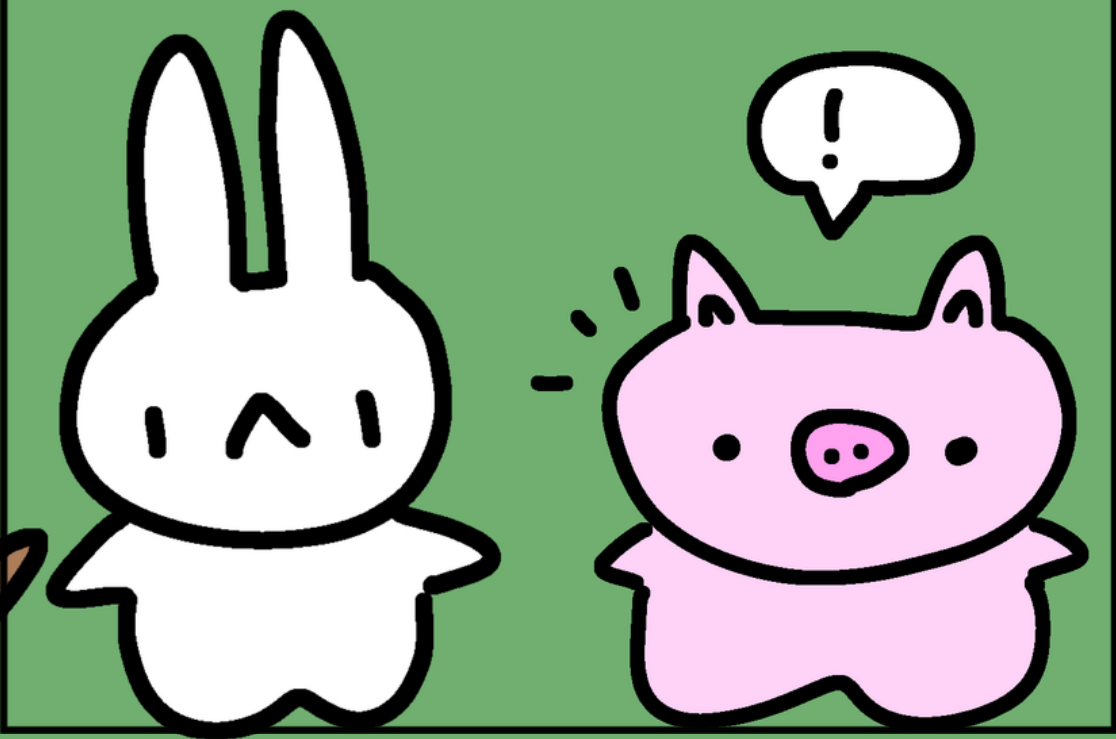

**In the next at – bet,
Ollie hits a home run!!**

**The coach tells him
to go home.**

**And Ollie goes to his
real home! Everyone
laughs again!**

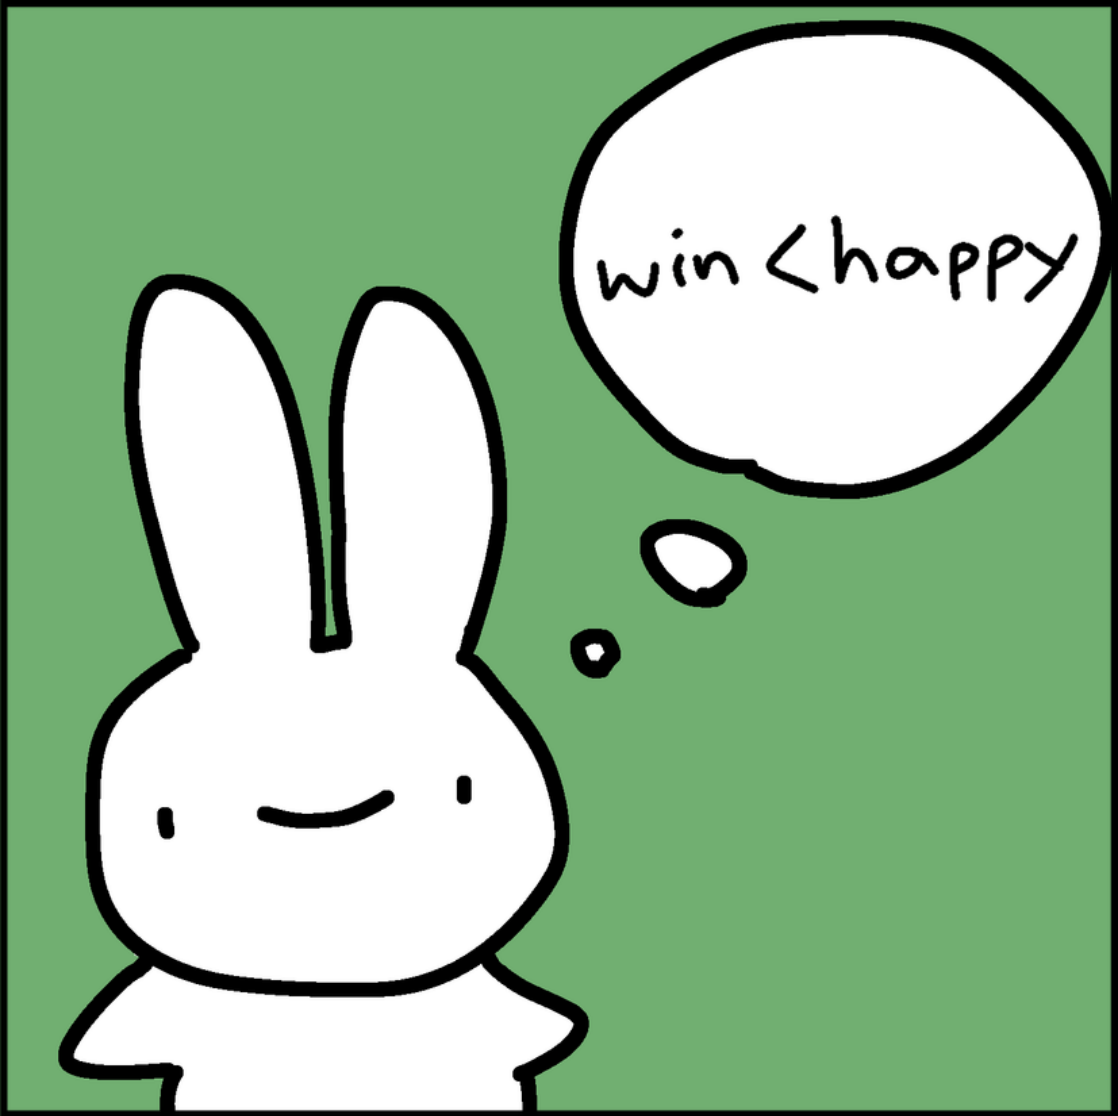

**Ollie is sad that he
made so many
mistakes.**

You made many mistakes, but
You made our team laugh!

**The coach encourages
Ollie.**

**Ollie found it more
important than the
result of the game.**
