FAQ

1. How To Place An Order

ANSWER: Navigate to the homepage and click the buy button for the item u want ,the button will show a tick which shows that your item has been added to the cart and again the shopping cart icon on the top left corner of the screen will also turn purple .You can continue to add items to your cart by scrolling left or right on the category of items u require.To select from different categories scroll down or up depending on position.Once u have completed your order you can proceed to check out by clicking the shopping cart on the top right corner.U can also check out by pressing the drawer icon on the top left corner and selecting Shopping cart
