Our Impact - FY 2025-2026

In the FY 2025-2026, Nirmaan has made substantial progress in advancing impactful initiatives across various sectors. Our efforts have reached over 730,600+ individuals, driving sustainable change and creating lasting improvements in holistic education, economic empowerment, health and wellbeing, environment & sustainability, rural development, disaster relief & rehabilitation and community development.

Below is an overview of our accomplishments during FY 2025-2026:

Focus Area	No. of Projects	Impact Numbers
Holistic Education	327	493,535
Economic Empowerment	76	57,767
Health and Wellbeing	10	110,240
Environment & Sustainability	23	48,508
Rural Development	38	16,909
Disaster Relief & Rehabilitation	10	3,332
Community Development	13	343
Total	500+	7,30,634

Volunteering Impact

The dedication and tireless efforts of our volunteers have been instrumental in driving the impactful success of Nirmaan's initiatives. Over 20,000+ volunteers played an instrumental role in supporting various projects and activities across all sectors:

Engagement Indicator	Value
Total No. of Unique Volunteers	20,832
Total No. of Volunteering Hours	64,500
Number of Volunteering Activities	753

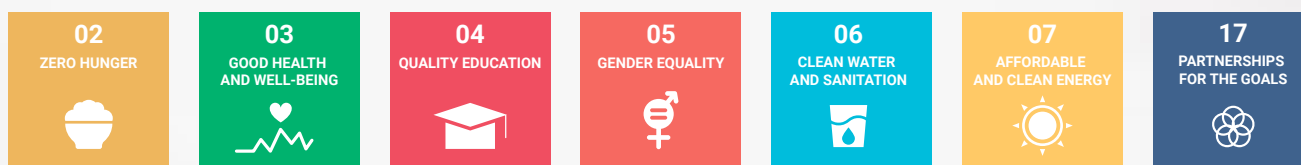

As we continue to scale our efforts, the following pages will provide detailed proposals for future initiatives and scalable programs designed to drive transformative change., presenting opportunities for collaboration and support.

Together, we can continue making a difference.

HOLISTIC EDUCATION

SDG ALIGNMENT

Every child deserves access to quality education, yet many face significant barriers, such as inadequate infrastructure, the digital divide, teacher shortages, and limited resources. Nirmaan’s flagship education programs are designed to address these challenges directly, offering inclusive, value-based education that prepares children for the future.

Explore our flagship programs in Education:

S.No	Flagship Program	Objective	Duration	Beneficiaries	States in Operation
1	School Transformation Program	Infrastructure improvements, Academic performance, Holistic development of children.	3 Months	500-2000	Telangana, Andhra Pradesh, Karnataka
			12 Months		
			15 Months		
2	Digital Classrooms (with infra and content)	Immersive and interactive learning, provide personalized experience, Make education more accessible and convenient.	3 Months	500-5000	Telangana, Andhra Pradesh, Karnataka
3	Digital Classrooms (Support needed in existing Schools)		12 Months		
			3 Months		
			12 Months		
4	Digital Labs	Prepare students for future technologies, equip them with computer skills, and Provide practical exposure through mini projects.	3 Months	250-7000	Telangana, Andhra Pradesh, Karnataka, NCR, Odisha, Maharashtra
5	Digital Labs (Support needed in existing Schools)		12 Months		
			3 Months		
6	STEM Robotics	Inculcate skills such as design mindset, physical computing, rapid calculations, etc., Gain and apply relevant “real-world” knowledge, and teach future	3 Months	250-7000	Telangana, Andhra Pradesh, Karnataka
			12 Months		
			15 Months		

Join us in revolutionizing education. Partner with Nirmaan to support transformative programs that break barriers, provide inclusive learning opportunities, and build a future where every child can thrive. Together, we can empower young minds and create lasting change.

Career Guidance

Every child deserves the opportunity to dream big and achieve their full potential. Our programs are designed to empower students with mentoring, STEM education, and sports opportunities, helping them bridge the gap between aspirations and achievements. By providing the right guidance, resources, and encouragement, we aim to foster innovation, curiosity, and holistic development, enabling students to realize their potential and shape a better future.

Check out the table below to explore our initiatives and their projected impact:

Sl. No	Project Name	Objective/Description	Duration	Impact Projected	Location
1	Career Guidance Workshop	choices through psychometric tests, inspiring sessions, and awareness of scholarships and colleges. This 3-visit workshop also includes a toll-free helpline for ongoing career guidance.	3 months	35,000 students	Maharashtra, Tamil Nadu, NCR Delhi & Assam
			12 months		
			15 months		
2	Tele Helpline	disadvantaged students and dropouts, enabling them to make informed educational and career decisions while accessing monetary support.	3 months	50,000 students	Andhra Pradesh, Maharashtra, Tamil Nadu
			12 months		
			15 months		
3	Mobile Career Lab (MCL)	application assistance, and career decision support, MCL eliminates barriers to access by bringing services directly to the students in their villages.	3 months	50,000 students	Andhra Pradesh, Maharashtra, Tamil Nadu
			12 months		
			15 months		
4	Career Saathi Program	disadvantaged students through mentorship, scholarships, employability training, and more, creating a ripple effect of economic empowerment and societal growth.	3 months	3,500 students	Maharashtra, Tamil Nadu, NCR Delhi & Assam
			12 months		
			15 months		
5	Sports Program	approximately 2,500 students. The initiative includes regular sports activities, inter-school competitions, and state-level events to promote physical well-being.	3 months	2,500 students	Telangana
			12 months		
			15 months		
6	STEM Mentorship Program	students. This includes developing STEM models, hosting inter-school science events, and celebrating National Science Day to foster a love for science.	3 months	1,500 students	Telangana
			12 months		
			15 months		

Support our mission to equip students with the skills and opportunities they need to succeed. Together, we can mentor young minds, inspire innovation through STEM, and promote holistic growth with sports, creating lasting impacts in their lives and communities.

ECONOMIC EMPOWERMENT

SDG ALIGNMENT

Economic empowerment is the cornerstone of sustainable development, enabling individuals and communities to achieve financial independence and improved quality of life. Our Economic Empowerment Projects are designed to equip youth, women, and marginalized groups with skills, resources, and opportunities to enhance employability, foster entrepreneurship, and create sustainable livelihoods.

Below is a list of our impactful initiatives under Economic Empowerment:

Sl. No.	Focus Area	Project Name	Objective/Description	Duration	Impact Projected	Location
1	Rural youth employment	Mobile Employment Van	Empower youth through job guidance, career counseling, and grooming sessions for professional etiquette and interview readiness. Provides connections to skill centers for upskilling and ensures placement support.	3 Months	100-3000	Andhra Pradesh, Telangana, Karnataka
				12 Months		
				15 Months		
2	Technology skilling for BPL youth	Advanced Technology Skill Centers	Establish centers offering AI, cybersecurity, and data analytics training with placement support. Provides mentorship for job readiness.	3 Months	100-2000	Hyderabad, Bangalore, Pune, Mumbai, Jaipur
				12 Months		
				15 Months		
3	Vocational training for all	Holistic Vocational Skilling Centers	Provide training in tailoring, carpentry, hospitality, EV maintenance, and bag-making for underprivileged individuals. Includes certification and placement support.	3 Months	150-2500	Hyderabad, Visakhapatnam, Nagpur, Lucknow
				12 Months		
				15 Months		
4	Women empowerment through skilling	Women Vocational Training Hub	Comprehensive training for women in tailoring, beautician skills, EV driving, and entrepreneurship. Modules include financial literacy and digital marketing.	3 Months	100-2500	Hyderabad, Visakhapatnam, Chennai, Coimbatore
				12 Months		
				15 Months		
5	Eco-friendly job creation	Sustainable Green Jobs Initiative	Train youth in solar energy installation, sustainable agriculture, and eco-tourism. Includes certification and guaranteed job placements.	3 Months	100-1500	Rural Telangana, Andhra Pradesh, Rajasthan, Karnataka
				12 Months		
				15 Months		
6	Rural youth employment	Mobile Employment and Skilling Vans	Deploy vans to underserved areas, offering job guidance, skill-building workshops, and entrepreneurship training. Provides placement and upskilling support.	3 Months	500-4000	Andhra Pradesh, Telangana, Maharashtra, Bihar
				12 Months		
				15 Months		
7	Entrepreneurship development	Women Entrepreneurs Accelerator	Develop women entrepreneurs with training in business planning, digital marketing, mentorship, and financial support for startup growth.	3 Months	100-500	Hyderabad, Karnataka, Tamil Nadu, Gujarat
				12 Months		
				15 Months		
8	Technology skilling and startups	Startup Incubation Program for Youth	Support youth in launching tech startups through bootcamps and incubation programs. Includes mentorship, funding access, and industry networking.	3 Months	50-100	Hyderabad, Bangalore, Mumbai, Pune
				12 Months		
				15 Months		
9	Rural livelihood creation	Sustainable Agri-Entrepreneurship Program	Train youth in agri-tech, organic farming, and market linkages for self-employment. Ensures sustainable livelihoods in rural communities.	3 Months	100-300	Rural Telangana, Andhra Pradesh, Madhya Pradesh
				12 Months		
				15 Months		

We invite you to partner with us in creating a lasting impact. Whether you contribute through funding, collaboration, or volunteering, your support will directly transform lives and build empowered communities.

Let's work together to empower individuals, foster economic growth, and ensure a sustainable future for all.

HEALTH & WELL-BEING

SDG ALIGNMENT

Our health initiatives are designed to impact lives in rural, urban, and tribal areas, providing access to vital services that ensure well-being and empower individuals. From specialized health camps to mental health awareness, our comprehensive approach addresses a wide spectrum of healthcare needs, particularly for vulnerable populations. Each project is aimed at creating sustainable, positive change, helping individuals live healthier lives and contributing to a more robust, resilient community.

Explore the impactful health initiatives below:

Sl. No	Project Name	Impact Projected
1	Multi Speciality Health Camps	300 min
2	Breast & Cervical Cancer Screening Camp & Vaccination	100 Women's
3	Anemia Free Community Program	100 Members
4	CPR Sessions	40 per Session
5	Upgrading of Anganwadis & PHCs	72,000 per year
6	Menstrual Hygiene & Mental Health Session	60 Females per Session
7	Infrastructure Donations to Government Hospitals	720 per year
8	Mobile Unit Vehicle	4,000 per year
9	Blood Donation Camps	Each Donor can help 3 Members
10	Mental Health Awareness Session - Student Volunteers	100 volunteers per college
11	Mental Health Workshops - Corporates	100 per corporate
12	Nirmaan Mental Health Helpline	
13	Community-Based Campaigning Projects (Mobile Addiction & Suicide)	100 per community
14	Mental Health Camps for School Students	150 students per school
15	Providing Treatment Services for Special Children	15-20 students per school
16	Curriculum based educational aids for teaching and self learning at medical and nursing colleges in Aspirational districts	500-1500

Be a part of our mission to improve healthcare access for all! Every contribution directly impacts the health and well-being of hundreds of individuals, creating a healthier and more resilient community. Donate today to make a difference!

ENVIRONMENT & SUSTAINABILITY

SDG ALIGNMENT

Our ESG initiatives focus on sustainability, community well-being, and ethical growth, addressing critical global challenges like climate change, social equity, and responsible governance. Each project is designed to create lasting impacts—empowering communities, restoring ecosystems, and fostering inclusive development. Together, we are building a future that prioritizes people, planet, and prosperity.

Comprehensive overview of our ESG projects:

- **Eco - Plantation Drives**
Mass Plantation, biodiversity R&D and adoption of theme parks
- **Sustainable Waste Management**
Efficient dry, wet and liquid waste management
- **Kitchen Gardens**
Promoting organic farming and healthy living
- **Urban Beautification**
Revitalizing public spaces with vibrant parks and creative wall art
- **Solar Energy Solutions**
Sustainable solar installations
- **Community Engagement**
seed ball making, paper bag crafting and bird feeder installations
- **Sustainable Agriculture**
Empowering communities through organic farming in Dantewada

Comprehensive Water Management

- **Lake Rejuvenation Program**
Cleaning, restoring and beautifying lakes
- **Solar Borewells & Interventions**
Enhancing water access and sustainable energy in rural areas
- **Rainwater Harvesting & Farm Ponds**
Enhancing water access and sustainable energy in rural areas

Join us in shaping a sustainable and equitable tomorrow! Your support can help amplify the impact of our ESG initiatives, creating greener cities, stronger communities, and a more resilient world. Donate now or collaborate with us to be a part of this transformative journey!

RURAL DEVELOPMENT

SDG ALIGNMENT

Our **Village Adoption Program** aims to empower and uplift underdeveloped villages by providing essential infrastructure, resources, and programs that cater to the holistic well-being of the community. By addressing critical needs such as education, healthcare, water supply, sanitation, and sustainable livelihoods, we are committed to creating self-reliant and resilient rural communities.

We specifically design projects for Tribal & Particularly Vulnerable Tribal Groups(PVTGS)

Key Interventions include

1. Construction of Community cum Mid-Day Meal Shed
2. Archery Equipment Support
3. Promotion of Adult Literacy
4. Animal Drinking Water Tank
5. Borewell for Drinking Water
6. Drinking Water Tanks
7. Street Lights Installation
8. Cattle Sheds
9. Community Toilets
10. Construction of Farm Ponds

We offer tailored adoption programs to bring sustainable development to villages:

S.No	Program Type	Duration	Budget
1	Village Adoption	1 Year	₹30-35 Lakhs
2	Village Adoption	2 Years	₹60-70 Lakhs
3	Village Adoption	3 Years	₹90 Lakhs - ₹1 Crore

Join hands with us to create empowered rural communities. Every contribution drives sustainable development and transforms lives.

TECH/AI FOR GOOD

In a rapidly evolving digital world, technology and AI have the potential to bring about transformative change. Our "Tech/AI for Good" initiatives harness the power of innovation to address key challenges in society. By leveraging tech, we aim to create sustainable solutions that enhance the well-being of marginalized communities and promote social good.

Explore our impactful programs and how you can be part of this change.

Sl. No	Focus Area	Project Name	Objective/Description	Duration	Projected Impact
1	Environment	AquaInsights	Problem Statement: Lake conservation efforts often lack long-term sustainability due to the absence of real-time monitoring. Value Proposition: A dashboard for tracking lake conditions, enabling real-time interventions for sustainable outcomes.	10 months	Lake & Urban water body conservation
2	Mental Health	MindMatters	Problem Statement: Students face high mental health challenges during competitive exam preparation, without a platform to express their feelings. Value Proposition: A platform to share thoughts and receive AI-driven interventions for mental well-being.	12 months	100,000 students and women supported
3	PwD Welfare	Bhavita Portal	Problem Statement: PwD individuals face difficulties accessing appropriate support. Value Proposition: A platform connecting PwD individuals, guardians, and homes with compassionate donors to meet their needs.	12 months	150 homes, increased support for PwD communities
4	Tech for Social Good	SIP (Social Impact Platform)	Problem Statement: Delays in CSR project implementation due to poor communication and tracking. Value Proposition: A centralized platform to track updates and progress on CSR projects, ensuring timely completion and accountability.	12 months	Improved CSR project tracking and implementation
5	ESG	Waste Management Tool	Problem Statement: Inefficiencies and lack of real-time data in India's waste management systems. Value Proposition: AI-powered tool to optimize waste management, enhance recycling efforts, and ensure regulatory compliance.	12 months	Enhanced waste management efficiency and sustainability
6	Tech for Social Good	E-Commerce Platform for Artisans	Problem Statement: Local artisans lack access to markets. Value Proposition: An online platform for artisans to sell handmade products, with features like online ordering and delivery, and no platform charges.	12 months	Empowerment of SHGs, global market access for artisans

Partner with us to create innovative solutions that have a lasting social impact. By supporting our "Tech/AI for Good" programs, you're helping bridge the gap between technology and the communities that need it most.

DISASTER RELIEF & REHABILITATION

SDG ALIGNMENT

Nirmaan's Disaster Response focuses on providing immediate relief and long-term rehabilitation to affected communities. The program operates across key disaster-prone regions, including Telangana, Andhra Pradesh, Odisha, Assam, Kerala, Karnataka, and Himachal Pradesh, ensuring that help reaches those who need it most.

Explore our Disaster Response initiatives:

Sl. No	Focus Area	Project Name	Objective/Description	Location
1	Disaster Response	Relief Kits	Provide essential supplies like food, water, hygiene products, and basic medications to disaster-affected individuals.	Telangana, Andhra Pradesh, Odisha, Assam, Kerala, Karnataka, Himachal Pradesh
2	Disaster Response	Rehabilitation	Long-term rehabilitation including shelter, livelihood support, and infrastructure rebuilding for affected families.	Telangana, Andhra Pradesh, Odisha, Assam, Kerala, Karnataka, Himachal Pradesh

Join us in providing relief and helping families rebuild. Partner with Nirmaan to make a lasting impact in disaster-affected communities. Together, we can offer hope and a path to recovery.

Community Development

SDG ALIGNMENT

We are committed to driving meaningful change by addressing pressing social challenges across various sectors, including women's empowerment, Persons with Disabilities (PwD), LGBTQ+ inclusion, and community development. These initiatives, through targeted vocational training, livelihood support, and infrastructure development, aim to uplift underprivileged communities, create equitable opportunities, and foster sustainable growth.

Key Projects Overview

Sl. No.	Project Name	Objective/Description	Duration	Impact Projected	Location
1	VTC (Women)	Empowering women through vocational training and livelihood support (job placements/market linkages).	3 Months	100 - 1000	Telangana, Maharastra, Karnataka, Andhra Pradesh, Tamil Nadu
			12 Months		
			15 Months		
2	Entrepreneurship Development Program (Women)	Promoting entrepreneurship among women by providing necessary tools, training, and support.	3 Months	100 - 1000	Telangana
			12 Months		
			15 Months		
3	Youth Employment Program for PwD	Exclusive training for PwDs in Web and Mobile Applications, ITES, and Retail Sales, followed by job placements.	3 Months	125	Telangana, Karnataka, NCR, Tamil Nadu
			12 Months		
			15 Months		
4	Entrepreneurship Development for PwDs	Providing PwDs with startup equipment (e.g., Xerox machines, tailoring tools, etc.) for business establishment.	3 Months	100-400	Telangana, Karnataka, NCR, Tamil Nadu
			12 Months		
			15 Months		
5	Entrepreneurship Development for LGBTQ+	Extending entrepreneurship support to empower LGBTQ+ with sustainable livelihoods.	3 Months	75-250	Telangana, Karnataka, NCR, Tamil Nadu
			12 Months		
			15 Months

			12 Months		
			15 Months		
7	Women in Tech	Exclusive training for Women in Web and Mobile Applications, ITES, and Retail Sales, followed by job placements.	3 Months	100-1500	Anywhere in India
			12 Months		
			15 Months		
8	Impact Hiring	Bridging underprivileged youth with socially minded corporates	3 Months	100-1500	Anywhere in India
			12 Months		
			15 Months		

Join us in empowering lives and creating inclusive, sustainable communities. Your contribution can help women gain independence, provide opportunities for marginalized groups, and uplift entire communities. Act now—your support can transform lives and futures.

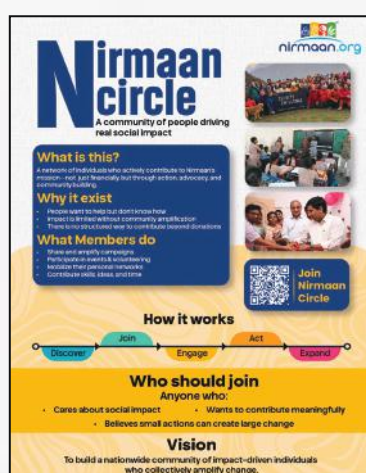

Individual Social Responsibility (ISR)

Individual Social Responsibility (ISR) is an opportunity for each of us to contribute to creating a more equitable and thriving society. It's about leveraging personal strengths and resources to give back, make a difference, and empower those in need. Through the transformative projects, whether in education, economic empowerment, or healthcare, you can directly impact the lives of underprivileged individuals and communities.

Explore the projects below and see how your contributions can help shape lives for the better:

Sl. No	Focus Area	Project Name	Objective/ Description	Duration	Impact Projected	Location
1	Education	Gift a Childhood	Supporting underprivileged children with the tools and education needed to pursue their dreams and build a brighter future.	1 year	4000 children supported per year	PAN India
2	Education	Career Saathi Program	Mentorship and support for meritorious but economically disadvantaged students, ensuring successful employment and long-term economic stability.	1 year	600 students impacted per year	PAN India
3	Education	School Transformation Program in Rural Areas	Adopting government schools and transforming them into model schools by improving infrastructure, academic performance, and holistic development.	3–5 years	300 children per school	Telangana, Andhra Pradesh, Maharashtra, etc.
4	Education	Digital Lab Program in Government Schools	Bridging the digital divide by equipping schools with digital labs, enhancing technological literacy, and preparing students for future-ready careers.	3–5 years	300 children per school	Telangana, Andhra Pradesh, Maharashtra, etc.
5	Economic Empowerment	Together for Inclusion	Empowering Persons with Disabilities (PwDs) by providing them with skills, tools, and support to thrive and achieve their dreams.	1 year	1000 PwDs supported year on year	Telangana, Karnataka
6	Economic Empowerment	Project Bhagyalakshmi for Women Entrepreneurs	Supporting financially disadvantaged women with upskilling, grants, and mentorship to foster entrepreneurship and economic independence.	1 year	50 women	Telangana, Karnataka
7	Health	Breast & Cervical Cancer Screening & Vaccination	Providing education, screening, and vaccinations to women and girls in underserved communities to reduce the impact of breast and cervical cancer.	1 month	100 girls per village	Telangana

Supporting these programs is an opportunity to embrace Individual Social Responsibility (ISR) and make a meaningful contribution to building a better society. Together, we can drive change, uplift underprivileged communities, and create lasting opportunities for a brighter tomorrow. Take the first step today, your contribution truly matters.
