SPRING TREATMENT

— *Preparing Victoria for the Season Ahead*

Every season brings an opportunity to give our course the care it needs to perform at its best.

Our annual Spring Treatment allows the turf and playing surfaces to be carefully maintained, helping to improve soil health, encourage healthy growth and prepare Victoria for the months ahead.

The short closure gives our course team the opportunity to carry out this important work while allowing the treated areas time to recover before play resumes.

A little work now helps keep Victoria playing beautifully for the season ahead.

victory and pride.*

ALLERTON LEAGUE

vs CAMELOT GOLF CLUB

8.5 – 3.5

VICTORY OVER CAMELOT

The Allerton League finished the season in style with another excellent victory over Camelot Golf Club.

The growth of this team has been outstanding and we are incredibly proud of how far they have come.

Well played, boys!

PREMIER LEAGUE

Our Premier League side hosted Durban Country Club at Victoria Country Club. While the scoreboard didn't go our way, the team showed great commitment throughout the season and will return stronger next year.
