WeCare Foundation

Where Everyone Matters

Registered Section 21 NGO # 21/2019/2996

Project Senior Park

Your Support Matters, Every Contribution Counts

Dear Possible Donor

We are reaching out to you on behalf of Senior Park, a state-owned selfcare senior community. The residents of Senior Park are expected to pay their rent, buy prepaid electricity, pay their water consumption, plus all their daily food, toiletries & cleaning supplies. All with a mere N\$1600 (State pension) per month.

As you may know, many of our seniors have spent their lives building and nurturing our communities. Now, it is our turn to give back and ensure that they spend their golden years in comfort, with the care and dignity they deserve.

How You Can Help

To continue offering assistance with basic needs at Senior Park, we rely on the generosity of people like you. We are currently seeking donations to assist with weekly meals for 150 elderly, toiletpaper, toiletries & cleaning supplies. Every contribution, no matter the size, makes a significant difference in the lives of our residents.

Our current goal is to prepare a fully cooked meal plus dessert for every resident on Fridays, and serve each resident with cleaning supplies, toiletries and toilet paper once every 2 months.

Ways to Donate

Bank Transfer: WeCare Foundation, FNB Namibia, Branch Code 282-672, Account Number 642-775-588-04.

In-Kind Donations: If you would like to donate specific items, such as food, toiletries or cleaning supplies.

*Thank you for considering this request
With heartfelt thanks*

Let today be the day you
love yourself enough to no longer
just dream of a better life, let it be the day
you act upon it.

Everything you need to know:

For 9½ years we have been Namibia's leading digital marketing agency.

We specialize in high-impact email advertising, powered by our proprietary database and high-speed server infrastructure.

Why email advertising:

- Landmark industry data shows it is **40x more effective** at driving conversions than printed media or social networks. Widely cited studies found email advertising outperforms Facebook and X (Twitter) **combined**, by 4,000% when **acquiring new customers**.
- Email advertising delivers an unmatched **ROI (Return On Investment) of N\$36 for every N\$1 spent**, consistently outperforming paid search and social media ads.
- Unlike public social feeds, email is a personal, one-on-one channel. It allows your brand to **build genuine trust and secure lasting business relationships**.
- Email **bypasses shifting social media algorithms**, landing directly in the inbox to guarantee uninterrupted brand visibility without the risk of feed-filtering.
- Social media posts vanish in minutes due to crowded feeds and endless posts. Email gives your audience **a permanent, searchable reference point that keeps your brand top-of-mind**.

Why Us:

- **Owner-managed** with 20+ years of digital programming and development expertise, guaranteeing maximum operational efficiency and campaign performance.
- Reach a premier network of **40,000+ verified Namibian subscribers**. Our diverse nationwide database spans corporate executives, professionals, and private consumers, alongside a select group of international stakeholders invested in local business, property, and travel.
- To ensure sustained, high-level engagement, our list is **continuously audited and updated**. In strict compliance with data privacy regulations, we prioritize subscriber security by **capturing only email addresses**. We do not ask or save any other personal data.
- Distribute pre-approved, **premium content designed to cut through digital noise** and command audience attention.
- Reject generic AI automation in favour of **hands-on personal diligence**, bespoke strategy, and absolute attention to detail for every client. **Human-driven excellence!**
- Adhere to **high ethical email marketing standards**, strictly aligning our practices with global benchmarks such as the EU ePrivacy Directive and international data protection principles.
- We serve **both sides** of the market: providing elite distribution for advertisers and high-value content for our subscribers.
- **Uninterrupted brand visibility**. Our responsive, mobile-optimized emails use advanced data embedding for the images to load instantly and never disappear when an internet connection is poor or unavailable.
- For maximum audience engagement, our clients running multiple campaigns are **welcome to refresh or change their artwork** and content for each broadcast. **No repetitive content required**.
- **FREE bonus exposure**: Every advertisement campaign is automatically amplified across all our social media channels (**50,000+ monthly views**) and our weekly flipbook publications for free. We manage this distribution manually to protect the integrity of our clients' brands, using personal diligence instead of automated AI algorithms to ensure the message reaches high-value, relevant audiences.
- **To maximize engagement, social media posts are scheduled for the business day following each email campaign.**
- We facilitate targeted **social media boosts** built entirely around our client's budget and specific audience goals. Charged separately.
