WHY PINS OF BEER HELP YOUR LOCAL PUB

A pin is a smaller cask of beer (about half the size of a normal one), and it makes a big difference:

- **Fresher Pints** - smaller casks empty faster, so every pint tastes its best.
- **More Choice** - pubs can offer a wider range of beers without worrying about waste.
- **Supporting Pubs** - less spoilage means less money down the drain, helping your local stay thriving.
- **Safer for Staff** - lighter to move and easier to handle behind the bar.

So when you see beer being served from a pin, it's not just good news for your pint – it's good news for your pub too.

£121.99

GOLD DUST 4.5%

English Pale malts coupled with Challenger and Goldings hops provide the bitterness and aroma. The result is a highly distinctive light, golden ale similar in character to a full-bodied Czech lager. Contains Barley.

£101.49

ORGANIC BEST BITTER 4.1%

Organically grown malted barley is used to make the mash for this excellent beer. To provide the distinctive fully hopped flavour we add organically grown hops. The result is a unique, full-bodied best bitter with a refreshing aftertaste.

£95.49

RAVEN PORTER 5.5%

A rich, dark and full-bodied porter with deep liquorice and smooth toffee notes. Roasted malt brings a gentle bitterness, balancing the sweetness and leading to a warming, satisfyingly smooth finish.

£113.99

PLUM PORTER 4.6%
