ABOUT US

Santusti Fashions was established in 2015 and is a handcrafted fashion and lifestyle brand dedicated to bringing the beauty of Indian artistry to modern consumers. We specialize in unique terracotta necklace sets and earrings.

Our creations are inspired by Indian art, lightweight, eco-friendly, and uniquely yours. With a 2-year diploma in Textile Designing, our founder Shilpi Srivastava blends colour theory, pattern development, and surface decoration to create innovative terracotta jewellery collections that complement contemporary fashions.

We offer customized handmade creations with quality craftsmanship, timely delivery, and affordable pricing. Our minimum order quantity is 50 sets, with flexible pricing based on order volume.

Every piece is carefully handmade by skilled artisans, making each creation unique and full of character.
