student TESTIMONIALS.

DANIEL CHINCHILLA

I love what Michael and Tal B are doing with this school because it gives you such great insight into the beauty industry and the business part of it. And I feel like it also gives you a lead right into the industry when you graduate from school. It's a great, great thing and I wish, honestly, that I would have known about this school and that it would have been here about 10 or 13 years ago when I started.

MICHELLE ALMANZA

I started off as a cosmetologist, I was doing weddings, just kind of struggling a little bit to find some work. I'd always have that dream of being in Hollywood, you know, big life, the glitz and the glam, everything behind it. And it wasn't until I met Michael Vincent and Tal B that I really broke into the industry and in a big way. Shooting for FHM, Maxim, Esquire, Sports Illustrated. I started working on celebrities, just in the first month that I met them.

JULIE DINH

Hi, my name is Julie Dinh. I've been attending Michael Vincent Academy for about seven months now. I took the beauty course with the internship program. I got to work with Pia Mia, Ty Dolla Sign, DJ Mustard, even Big Boy from 92.3 and I love it. Thank you, Michael Vincent.

Of course, coming here to Michael Vincent Academy, all that was possible. Just after finishing up Beauty Artistry Program, I joined the Affiliate Program. I was able to work on set for many celebrities such as Wiz Khalifa, Ty Dolla Sign, YG, Travis Scott, Travis Barker, Nayo, Yonel, J Alvarez, Britney Spears, and many more. I have been able to work with the AFI Band, Kid Ink, Justin Bieber, DJ Khaled, Chris Brown, Future, Jeremih, Big Shot, the Ally Fashion Show and Ally Commercial. Some more artists: Young Thug, Travis Scott. I love working on set, it's an amazing experience and without Michael Vincent Academy, I wouldn't be able to experience that. Why MVA? They teach you everything. They just make sure that you're ready to roll and you could do a full face in 10 minutes. The school offered me a lot of opportunities to be like on sets. It's given me the opportunity to network with different people in the industry and it's really healthy to like work my way up, get my own clients. I got to work with Cardi B, G-Eazy, ASAP Rocky, Wiz Khalifa, Kenny E, DJ Carnage, Rich the Kid, Chris Brown, the list goes on forever. One of the most memorable moments on set for me was when I got to work with one of my favorite makeup artists and she actually came up to me and she saw how hard I was working, and she asked for my number to start booking me for gigs, and that really meant a lot to me.

IRIS GARCIA

After graduating, the Artistry course here, I joined the Affiliate Program in order to work on sets. This gave me the ability to improve my make-up skills. Working on sets, I was able to work with Cuber, Justin Bieber, DJ Khaled, Wiz Khalifa, so on and so on. I have three Cs of my life, Choices, Chances and Changes.
