Wisconsin Welcomes You!

On behalf of the people of the State of Wisconsin, welcome to America's Dairyland! You will discover many ways to enjoy your time here, whether you appreciate recreational or sightseeing opportunities on the two Great Lakes, the Mississippi River, or the more than 15,000 inland lakes. You have the chance to enjoy the magnificent outdoors no matter where you are. Our cities offer many cosmopolitan amenities - museums, theaters, ethnic restaurants, professional and college sports, entertainment venues, award-winning parks, historical sites, and shopping. Or, you may prefer touring the rustic countryside and spectacular state and national parks.

Wherever and whenever you visit Wisconsin, you will have a variety of lodging choices to make your trip as satisfying as possible. The Wisconsin Lodging Directory is an awesome resource to reserve the perfect accommodation to complement your visit.

A memorable adventure awaits! We look forward to hosting you.

Scott Walker
Governor, State of Wisconsin

Welcome to Wisconsin!

We are a state that truly specializes in hospitality. No matter your reason for visit, you will feel it when you get off of the plane, enter your first gas station, or check in at any one of our lodging properties. It is in our blood, and it is what we do. When you hear "Welcome to Wisconsin!" it means something.

People first visit our state and our lodging properties for many reasons, but often times that same reason is not why they come back. While you are here, take in the people, the attractions, the outdoors and the dining, and it will not be hard for you to find your next reason to come back. With hundreds of lodging properties across the state ready to fulfill your travel needs, the Wisconsin Hotel and Lodging Association and all of our member partners are happy you are here. "Welcome to Wisconsin!"

How to Make a Reservation

The Wisconsin Hotel & Lodging Association and the Wisconsin Bureau of Consumer Protection offer the following recommendations to help make your stay in our state enjoyable!

Reservation **policies** vary by property and travelers are encouraged to reserve in advance whenever possible to ensure space is available. Most properties require a valid credit card to hold a reservation and many require an advance deposit.

Ask about the property's **cancellation** policy and fee. Should you need to cancel, contact the property and ask for a cancellation number and record the time of the call and the name of the person with whom you spoke.

Upon making a reservation, many properties will assign a **confirmation** number and may follow up in writing. Ask the property to note the rate, length of stay and special requests they agreed to accommodate in the confirmation. If this is not possible, call in advance to re-confirm.

Room rates listed in this guide are subject to change without notice. Clarify your rate when the reservation is made. If you have a certificate or group rate, check for any special conditions or limitations.

If you have a preference, need or **special request** that makes a considerable impact on your stay (bringing a pet, requiring a rollaway bed, etc.), talk to the property about it when you make your reservation to assure your needs can be met.
