FACIALS

Delara Ultimate Glow Experience

65 JD

Featuring Guinot Hydradermie, 60 minutes. Expect deep hydration, renewed radiance, and a visibly youthful luminous complexion - all tailored just for you whether you have dehydrated, oily, sensitive, mature, sun damaged or pigmented skin.

Delara Intense Hydra Ritual

60 JD

Featuring Guinot Hydra Summum, 50 minutes. Experience deep intense hydration with the luxurious facial ritual. Guinot's Hydra Summum replenishes moisture, smooths fine lines, and restores your skin's youthful bounce leaving your skin silky soft, radiant, and beautifully renewed.

Delara Radiance Renewal Ritual

55 JD

Featuring Guinot pH Double Peeling Facial, 50 minutes. Skin renewal peeling treatment that stimulates collagen and reduces wrinkles and pigmentation leaving your skin fresh and luminous.

FACIALS

Delara Hydra Renew Ritual

100 JD

Featuring a double facial; Guinot Hydradermie and Guinot pH Double Peeling Facial, 90 minutes. Combining Guinot's renowned Hydradermie deep cleaning and hydrating technology with a gentle yet powerful pH controlled double peeling treatment. This exclusive ritual exfoliates, smooths, hydrates and revitalizes your skin in one luxurious session.

Delara Supreme Hydration Ritual

110 JD

Featuring a double facial; Guinot Hydradermie and Guinot Hydra Summom Facial, 90 minutes. Treat your skin to the ultimate moisture and radiance experience. This luxurious ritual combines Guinot's signature Hydradermie technology for deep cleansing and ionized hydration with the Hydra Summom's supreme moisture infusion.

Delara Lifting Facial one/8 sessions

65/360 JD

LifHydra lift by Guinot rejuvenates and tones the skin by stimulating facial muscles, giving an instant firming and lifting effect for a more youthful appearance. For full treatment, you need 8 sessions twice a week, then 4 sessions one a week then 2 sessions every 2 weeks then once a month,

FACIALS

Yellow peel

50 JD

A type of chemical peel that uses retinoic acid along with phytic acid, kojic acid & vitamin C to exfoliate the skin, stimulate cell turnover, and improve skin texture, tone & pigmentation issues such as acne scars and sun damage.

Cimel peel

220 JD

Professional resurfacing treatment that uses a blend of active ingredients such as trichloroacetic acid, kojic acid, and retinoic acid to exfoliate the skin deeply, stimulate cell renewal, and reduce pigmentation, acne scars, and fine lines, leaving the complexion smoother, brighter and more even toned. It involves peeling at the clinic along with a take home product to use at home.

Delara Caviar Facial

65 JD

Indulge your skin in pure luxury with our caviar facial. Rich in proteins, vitamins, and omega-3 fatty acids. This exquisite treatment deeply nourishes, hydrates, and revitalizes the skin, boosting elasticity and radiance.

BRIGHTENING

Yellow peel

50 JD

A type of chemical peel that uses retinoic acid along with phytic acid, kojic acid & vitamin C to exfoliate the skin, stimulate cell turnover, and improve skin texture, tone & pigmentation issues such as acne scars and sun damage.

Cimel peel

220 JD

Professional resurfacing treatment that uses a blend of active ingredients such as trichloroacetic acid, kojic acid, and retinoic acid to exfoliate the skin deeply, stimulate cell renewal, and reduce pigmentation, acne scars, and fine lines, leaving the complexion smoother, brighter and more even toned. It involves peeling at the clinic along with a take home product to use at home.

Intimate area and underarm lightening

110 JD

this treatment involves sessions in the clinic in addition to take home products to be used personally to get the full effect of the treatment.

BEAUTY MACHINES

Diamond and Micro-Crystal Facial

50 JD

Experience luminous skin with our diamond and micro-crystal facial. This advanced treatment gently exfoliates using diamond tip technology and micro-crystals to remove dead skin cells, smooths texture, and reveal a brighter, more youthful complexion.

Hydra-facial

65 JD

Refresh and renew your skin with our hydra-facial - a deep cleansing, hydrating treatment that exfoliates, extracts impurities and infuses nourishing serums, perfect for all skin types.

PlatinumCare Radio-Frequency Facial

65 JD

Indulge in advanced skin rejuvenation with our PlatinumCare Radio-Frequency facial. This cutting edge treatment uses gentle radio-frequency energy to stimulate collagen, tighten skin, and smooth fine lines for a lifted, youthful look.

BEAUTY MACHINES

Bipolar Radio-Frequency Body Shaping

55 JD

Reshape and contour your body with our Bipolar Radio-Frequency body shaping treatment. This non-invasive procedure uses targeted radio-frequency energy to heat deeper layers of the skin, stimulating collagen, tightening loose areas, and helping reduce stubborn fat for smoother, firmer, and more sculpted results

Cavitation Slimming Treatment

55 JD

Sculpt your silhouette with our Cavitation slimming treatment. This non-invasive procedure uses ultrasound technology to target and break-down stubborn fat deposits, helping to reduce inches and smooth body contours. Perfect for shaping problem areas, and achieving a slimmer more toned appearance without surgery.

Cryosculpting/Fat Freeze

100 JD

Say goodbye to stubborn fat with our fat freeze treatment. Using controlled cooling technology, this non-invasive procedure targets and eliminates fat cells, sculpting your body without surgery. Perfect for reducing unwanted fat and revealing a smoother more controlled silhouette.
