USING GPS

Most map programs work better when abbreviated routes are written out (SR to State Route, CR to County Road, TR to Township Road). However, some GPS units will still not recognize them. This can be solved by using "Highway" instead of "Road".

FINDING LOCATIONS

In our rural area, a business with a Millersburg address may actually be located in Berlin, or a Sugarcreek address may be closer to Walnut Creek. We recommend reviewing our map, downloading the Wander app, or using GPS to avoid confusion.

SHARING THE ROAD

Sharing the road with buggies, bikes, and farm equipment is often new to tourists. To enjoy a safe trip in Amish Country, here are a few tips:

1. Use caution and avoid accelerating at the top of hills.
2. Be aware that Amish Country's winding roads can create blind spots.
3. Anticipate left-hand turns made by horse-drawn vehicles into fields and driveways. If a driver's arm is fully extended, this is a left-hand turn signal—not a signal for you to pass.
4. When passing on a rural road, keep in mind the road may be narrower than city streets. Loose gravel can be hazardous. Pass slowly only when safe and on a reasonably open stretch of road.
5. E-bikes can travel faster than they appear, sometimes up to 30 mph. Stay alert and give them extra space when driving nearby.

WANDER

Amish Country can be found on Wander, a free downloadable map featuring all our attractions. This is especially helpful in areas with limited cell phone service. We highly recommend downloading the Wander app with this QR code and searching for "Ohio Amish Country."

SHOPPING

A woman with grey hair tied back, wearing a dark blue long-sleeved shirt and a grey apron, is seated on a white wooden stool. She is focused on shaping a piece of light-colored pottery on a pottery wheel. The studio is filled with various pottery items, including mugs, bowls, and jars, some of which are finished and others in progress. A large window in the background shows a lush green landscape with trees. The overall atmosphere is warm and artistic.

Holmes County Pottery

Discover the timeless artistry of Holmes County Pottery, where every piece is crafted by hand using traditional methods and natural materials. Nestled in the countryside, this working studio and shop offers a rare glimpse into true craftsmanship. Visitors can watch the pottery-making process, explore shelves filled with mugs, bowls, jars, and functional pieces meant for everyday use, and take home a one-of-a-kind creation that reflects the spirit of Amish Country.

COMMUNITY

A photograph of two children from behind, wearing traditional Amish hats. The child on the left is wearing a purple shirt, and the child on the right is wearing a blue shirt. They are standing outdoors at what appears to be a fair or festival, with a blurred background of other people and structures.

Holmes County Steam Show

Celebrate the heart and heritage of Amish Country at the Holmes County Steam & Engine Show, a long-standing tradition that brings the community together each year. This lively event showcases historic steam engines, antique tractors, classic cars, and hands-on demonstrations that highlight the ingenuity and craftsmanship of generations past. Visitors can experience tractor pulls, live exhibits, and family-friendly activities while mingling with locals who share their stories, skills, and pride in preserving this unique slice of rural life. This show is a celebration of community, history, and the spirit of connection that makes Amish Country truly special.

The 2026 Holmes County Steam & Engine Show will be held September 24th-26th at Harvest Ridge, 8880 State Route 39, Millersburg, OH 44654.
