ABOUT THE COVER

A New Era of Youth Leadership

Sibol. In Filipino, the word means to sprout, to grow, to come to life, the moment a seed breaks through the soil and reaches toward the light. This year, we proudly chose SIBOL as the official batch name of the **Youth Leadership Excellence Awards 2026** of **JCI Isulan Sultan Chapter**.

But SIBOL is more than a name, it is the story of a rebirth. After a period of pause, the Youth Leadership Excellence Awards has come back to life through the renewed commitment of JCI Isulan Sultan. Like a seed that lay dormant only to spring forth once more, YLEA returns, stronger, more purposeful, and ready to honor a new generation of young leaders.

Our cover captures this very spirit. At its center stands a young leader, poised, resolute, and unafraid, draped in robes of gold and deep blue, the colors of nobility, wisdom, and excellence. He is the **Batang Sultan**: the young, rising embodiment of Sultan Kudarat himself, the legendary hero and brave leader from whom our province draws its name. In one hand he holds a sword, a symbol of valor and the readiness to stand for what is right. Around his neck hangs the YLEA medal, a mark not merely of achievement, but of responsibility.

Behind him rises the Sultan Kudarat Provincial Capitol, framed by Philippine flags. This is no distant, imagined kingdom, it is home. It reminds us that the leaders we honor today did not emerge from faraway places, but from our own schools, towns, and communities here in Sultan Kudarat.

In this image lies a beautiful truth: that every great leader was once young. Just as Sultan Kudarat began as a Batang Sultan, so too do the awardees of Batch SIBOL carry within them the makings of greatness. They are the pride of their families, the hope of their schools, and the promise of our province.

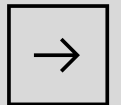

In a rapidly changing world, leadership is no longer defined by age, but by purpose, vision, and action. Through this cover, we celebrate the young men and women who dare to lead, not someday, but today, proof that greatness has no minimum age.

As you turn these pages, may you witness the rebirth of YLEA through Batch SIBOL. For in every one of them, the future of Sultan Kudarat is not on the horizon, it is already here, sprouting, rising, and ready to shine.

YOUTH LEADERSHIP EXCELLENCE AWARDS (YLEA)

Across communities and classrooms throughout the Philippines, a new generation of young leaders continues to rise—driven by excellence, shaped by service, and grounded in a deep commitment to creating meaningful change. Their stories reflect not only academic achievement, but also leadership in action, resilience in the face of challenges, and a genuine passion for serving others.

The **Youth Leadership Excellence Awards (YLEA)** is a flagship youth recognition program under JCI Philippines that celebrates outstanding young leaders who demonstrate excellence in leadership, service, and community impact. Established to identify, honor, and empower exceptional youth, YLEA provides a national platform that recognizes inspiring students from both public and private institutions who demonstrate exceptional academic performance, leadership potential, and meaningful contributions to their schools and local communities. Through this program, JCI Philippines seeks to inspire the next generation of Filipino leaders by acknowledging their achievements and the impact of their service.

More than an awards program, YLEA serves as a leadership development initiative aligned with the JCI mission of creating opportunities for youth empowerment, bringing together educators, community leaders, and youth advocates in recognizing the vital role of young people as catalysts for nation-building. At its core, it reinforces the belief that leadership is not defined by age, but by action, service, and impact.

YOUTH LEADERSHIP EXCELLENCE AWARDS (YLEA)

This year, we proudly present the **41st Youth Leadership Excellence Awards (YLEA) 2026**, anchored on the theme “**Batang Lider: Honoring Excellence, Shaping the Future.**”

In the spirit of this mission, and as part of its renewed commitment at the local level, JCI Isulan Sultan continues to honor deserving youth leaders of Isulan and Sultan Kudarat through the sustained implementation of YLEA in the community.

To support this renewed commitment, the chapter introduces “**Batang Sultans**”, a local initiative designed as a platform for sustaining and strengthening the implementation of YLEA. It provides opportunities to nurture the leadership potential of elementary and high school students while recognizing their efforts in creating positive change within their schools and communities. Through this initiative, JCI Isulan Sultan seeks to further develop young leaders by cultivating their capacity for leadership, service, and civic responsibility.

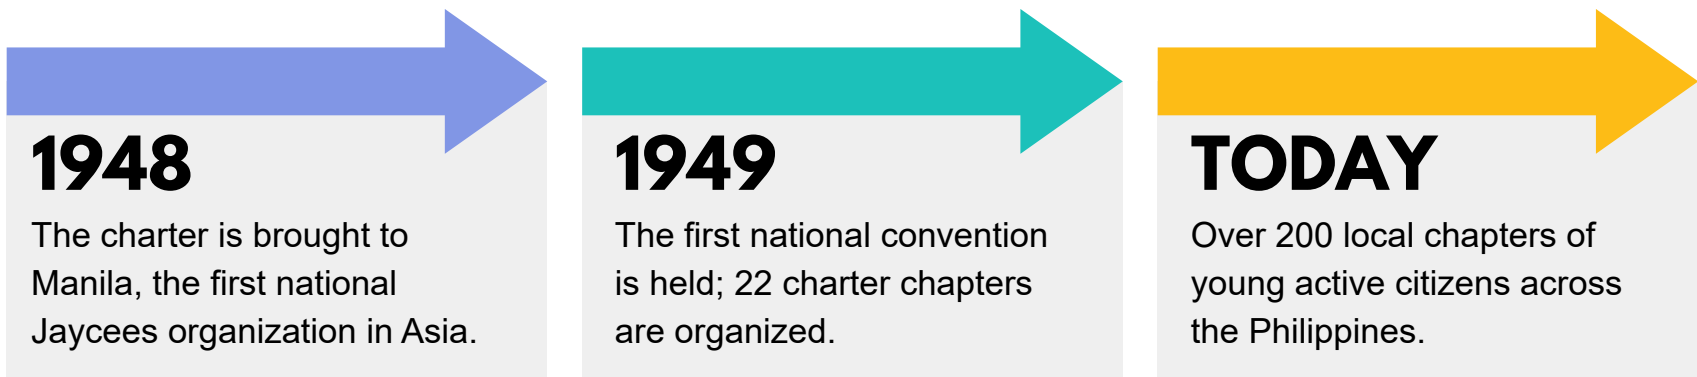

To commemorate this significant milestone, this year’s awardees will be known as **Batch SIBOL**, symbolizing growth, potential, and the beginning of a new generation of empowered youth leaders who are ready to rise, serve, and lead with purpose.

*Together, as one cohesive board,
we are ready to ignite **Passion**, serve with **Action**, and fulfill our **Mission**.*

IT IS TIME TO POWER UP!

OUR STORY: JCI ISULAN SULTAN

Founded in 1980 under the charter leadership of Benjamin Zamora Jr., the chapter was built on a simple but powerful belief: that young people, empowered to lead, can transform their community. Like any worthy journey, its path has not always been smooth. From 2007 to 2014, the chapter entered a season of hibernation, its presidency left vacant.

But a story of service is never truly over. In 2015, Pres. Carlo F. Apiado, together with fellow passionate leaders, breathed life back into JCI Isulan Sultan, and slowly, steadily, the chapter became active in the community once more.

What followed was a resurgence of purpose. From Bayanihan relief drives and youth leadership seminars to outreach for the marginalized and advocacy for inclusion, JCI Isulan Sultan turned its revival into stronger, tangible impact, touching lives in classrooms, communities, and even the corners of society often left unseen.

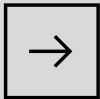

Today, in 2026, building upon the legacy of the leaders who came before, the chapter stands prouder than ever under the leadership of Pamela Mae Q. Panaguiton, the fourth female president of JCI Isulan Sultan. Her milestone leadership is more than a first; it is a testament to how far the chapter has come and a promise of how much further it will go in shaping leaders and serving the community it calls home.

Under her leadership, the chapter embraces the 2026 theme, “POWER UP: Empowered to Lead, United in Purpose.” Anchored in the PAMpowered Leadership Framework - Passion. Action. Mission. - JCI Isulan Sultan continues to develop empowered leaders who are driven to make a meaningful difference. Driven by Passion. Serving with Action. Guided by Mission. the organization remains committed to its enduring purpose of equipping young people to lead with courage, serve with compassion, and drive positive change within their communities.

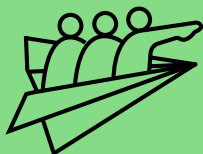

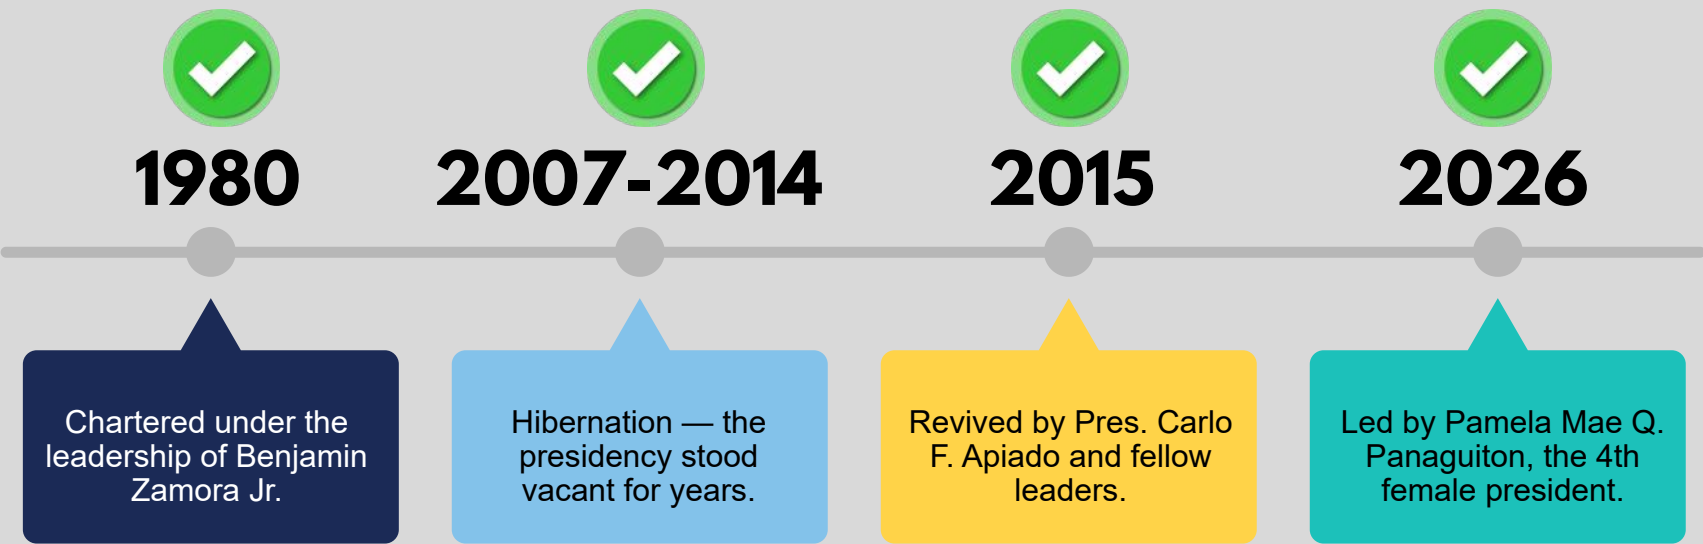

As it steps into this new era, the chapter carries forward a strong legacy of leadership and service, while inspiring a new generation to rise, lead, and transform lives—united in purpose and empowered to create lasting impact.

YLEA 2026: BATANG SULTAN

From the South, We Lead

To the outstanding members of Batch SIBOL, respected educators, proud parents, partners, and the JCI Isulan Sultan family,

Warm congratulations to each of you as you celebrate the inaugural Batang Sultans: Youth Leadership Excellence Awards (YLEA) 2026.

Today, we celebrate more than academic excellence or outstanding achievements. We celebrate young people who have chosen to lead with integrity, serve with compassion, and create meaningful impact in their schools and communities. These are the qualities that define true leadership.

As we proudly say in Southern Mindanao, "From the South, We Lead." This is more than a theme, it is a commitment. It reflects the kind of leadership we aspire to cultivate: grounded in humility, strengthened by service, and driven by the courage to make a difference wherever we are.

MESSAGES

YLEA 2026: BATANG SULTAN

To our awardees, being part of **Batch SIBOL** is both an honor and a responsibility. Just as a seed grows into a strong and fruitful tree, may this recognition inspire you to continue learning, serving, and leading with purpose. Leadership is not measured by titles or recognition but by the lives you uplift, the values you uphold, and the positive change you create for others.

Never underestimate the impact of your voice, your ideas, or your actions. Every meaningful movement begins with someone willing to take the first step. Your generation has the opportunity to shape communities that are more compassionate, innovative, and united.

To the parents, teachers, mentors, and everyone who has nurtured these young leaders, thank you for believing in their potential. Your guidance and unwavering support have laid the foundation upon which they continue to grow.

I commend **JCI Isulan Sultan** for creating a platform that recognizes and empowers the next generation of leaders. Initiatives like the Youth Leadership Excellence Awards embody the JCI mission of providing development opportunities that empower young people to create positive change.

May this recognition serve not as the culmination of your journey but as the beginning of a lifelong commitment to servant leadership.

Congratulations once again to all the awardees of **Batch SIBOL**. Continue to rise with courage, lead with heart, and inspire others through your actions.

Together, let us continue proving that **from the South, we do not simply dream of change, WE LEAD IT.**

From the South, We Lead.

PRESIDENT'S MESSAGE

YLEA 2026: BATANG SULTAN

A Vision Realized: Empowering the Next Generation of Leaders

Last year, a vision took root: to reactivate the JCI Philippines' Youth Leadership Excellence Awards (YLEA) in Isulan, Sultan Kudarat. We envisioned a platform that would honor students who create meaningful, positive impacts within their peers, schools, and communities— young individuals whose extraordinary actions help shape a brighter future for our locality and the greater province.

Throughout my journey with JCI, I have crossed paths with numerous YLEA alumni who continue to inspire me. Today, they serve our nation as doctors, public servants, educators, and successful entrepreneurs. Their diverse paths affirm a singular truth: being a YLEA recipient is a catalyst that opens doors to remarkable opportunities for growth, purpose, and lifelong leadership.

Fast forward to 2026, and that dream has become a proud reality. As the Local President of JCI Isulan Sultan, it is my distinct privilege to witness and champion the recognition of these exceptional youth leaders and their invaluable contributions to society.

PRESIDENT'S MESSAGE

YLEA 2026: BATANG SULTAN

As JCI Isulan Sultan renews its commitment to POWER UP and empower our organization, members, and stakeholders, we proudly continue our participation in the 41st Youth Leadership Excellence Awards (YLEA) 2026 of JCI Philippines, anchored on the national theme: "Batang Lider: Honoring Excellence, Shaping the Future."

To ensure this flame of leadership burns continuously, we are thrilled to introduce Batang Sultans - a local initiative designed to sustain and strengthen the impact of YLEA in Sultan Kudarat. This platform nurtures potential and celebrates the leadership of the next generation from elementary to high school. This year, we proudly launch its pioneer cohort: Batch SIBOL.

My warmest congratulations to all our 2026 YLEA Awardees! I also extend my heartfelt gratitude to our partners who steadfastly support the growth and development of our Batang Sultans - the Batang Lider of today and tomorrow.

JCI ACTION FRAMEWORK

Every great leader was once young.
Today, twenty young hearts of Sultan
Kudarat rise, not as leaders of someday,
but as leaders of today.

Go forth, Batang Sultan.
The future is yours to shape.
