ABOUT ENERGY REGULATORY INSIGHTS 2026

Malaysia's energy sector is entering a period of profound transformation. As economies accelerate renewable energy deployment, expand digital infrastructure such as data centres, modernise electricity grids and strengthen energy security, effective regulation has become a critical enabler of sustainable economic growth.

Energy reform today extends beyond market design and regulatory compliance. It shapes investor confidence, supports infrastructure development, safeguards consumers and creates the conditions for innovation and regional collaboration.

Organised by the Energy Commission, Energy Regulatory Insights 2026 (ERI 2026) brings together policymakers, regulators, industry leaders, financial institutions, academia and international organisations to explore how regulatory reforms can become a catalyst for investment, competitiveness and long-term economic prosperity.

Under the theme "**Energy Reform, Powering Growth,**" ERI 2026 serves as a strategic platform to strengthen regulatory collaboration, foster market development and inform investment decisions that accelerate Malaysia's energy transition and long-term economic growth.

KEY FOCUS AREAS

- 1 COMPETITIVE AND PROGRESSIVE ENERGY MARKETS**
Driving market reforms, transparent regulations and effective governance to strengthen competitiveness, investor confidence and consumer trust.
- 2 INVESTMENT AND INFRASTRUCTURE FOR ENERGY TRANSITION**
Accelerating investments, financing strategies and infrastructure development to enable a secure, resilient and sustainable energy transition.
- 3 FUTURE-READY AND CONNECTED ENERGY SYSTEMS**
Advancing digitalisation, smart grids, regional integration, energy efficiency and emerging technologies to power the next generation of energy systems.

ENERGY REGULATORY INSIGHTS

ENERGY REFORM, POWERING GROWTH

ENERGY REFORM, POWERING GROWTH

A strategic platform for advancing regulatory excellence, regional collaboration and investment confidence.

EVENT HIGHLIGHTS

- 2-day international forum on energy regulation
- Plenary Sessions, Insight Dialogues and Regional Regulators'
- Dialogue Featuring by Government, regulators, industry leaders and international organisations

AGENDA : DAY 1

AGENDA : DAY 1

TIME	SESSION	LOCATION	SPEAKER (S)	HIGHLIGHTS
8.00am – 8.45am	Registration & Refreshments	Foyer		
9.00am – 9.15am	Welcoming Address and ERI 2026 Keynote	Grand Ballroom	YBhg. Datuk Seri Asri Hamidon <i>Chairman of the Energy Commission</i>	• Welcome delegates and set the strategic direction for ERI 2026 • Reinforce ST's commitment to regulatory excellence • Reflect on Malaysia's regulatory achievements. • Set the vision for the next phase of energy reform
9.15am – 9.30am	Special Address from the Minister of Economy	Grand Ballroom	YB Tuan Haji Akmal Nasrullah Haji Mohd Nasir, <i>Minister of Economy</i>	• Drive sustainable economic growth through energy reform. • Strengthen investment confidence and competitiveness. • Advance Malaysia's energy transition
9.30am – 9.45am	Special Address from the Minister of Energy Transition and Water Transformation (PETRA)	Grand Ballroom	YAB Datuk Amar Haji Fadillah Haji Yusof, <i>Minister of Energy Transition and Water Transformation (PETRA)</i>	• Outline Government priorities for energy reform. • Reinforce the role of regulation in national development.
9.45am – 10.15am	ERI 2026 Launch	Grand Ballroom	YAB TPM Datuk Amar Haji Fadillah Haji Yusof, <i>Deputy Prime Minister and Minister of Energy Transition and Water Transformation</i> YB Tuan Haji Akmal Nasrullah Haji Mohd Nasir, <i>Minister of Economy</i> YBhg. Dato' Sri Haji Mad Zaidi Mohd Karli, <i>Secretary General, Ministry of Energy Transition and Water Transformation (PETRA)</i> YBhg. Datuk Seri Asri Hamidon, <i>Chairman of the Energy Commission</i> YBrs. Puan Siti Safinah Salleh, <i>Chief Executive Officer of the Energy Commission</i>	Officially launch ERI 2026. (Gimmick) 1. Celebrate ST's 25-year regulatory journey 2. EECA Communications Plan Launch at ST Pavilion
10.15am – 10.45am	Refreshments & Booth Visit	Foyer		

AGENDA : DAY 1

TIME	SESSION	LOCATION	SPEAKER (S)	HIGHLIGHTS
10.45am – 11.15am	Plenary Address 1 – Energy Outlook: Trends and Developments	Grand Ballroom	Zaharin Zulkifli, <i>Deputy Director (Section Head) – Economic Statistics and Research, Energy Commission</i>	• Provide the landscape of energy outlook • Highlight the role of ST in energy outlook
11.15am – 12.30pm	Plenary Dialogue 1 – Powering Growth Through Energy Reform	Grand Ballroom	Moderator : Aszmy Mahmood Yusof Mohamed, <i>Principal Assistant Director, Gas Planning & Development, Energy Division, Ministry of Economy</i> Panellists: • Rumaizi A. Halim, <i>Director – Market Regulation and Planning, Energy Commission</i> • Dr. Peerapat Vithayasrichareon, <i>Senior Energy Analyst, International Energy Agency (IEA)</i> • Gurbuz Gonul, <i>Director, Country Engagement and Partnerships, International Renewable Energy Agency (IRENA) (TBC)</i> • Bank Negara Malaysia (TBC)	• Build consensus on the role of energy reform in economic growth. • Identify policy priorities to strengthen investment confidence. • Share international perspectives on reform implementation.
12.30pm – 2.00pm	Networking & Lunch	Foyer		
2.00pm – 2.30pm	Plenary Address 2 – The Future of Energy Technologies and Regulatory Challenges	Grand Ballroom	Dr. Azlina Mohammad Jais, <i>Deputy Director (Section Head) – Innovation and Technology Partnership, Energy Commission</i>	• Explore potential of new energy technologies • Highlight the potential mechanisms to enable them.
2.30pm – 3.45pm	Insight Dialogue 1 – Balancing roles in Managing Future Electricity Market	Grand Ballroom	Interlocutor : Ir. Ts. Mohd Helmi Zaihan, <i>Deputy Director (Section Head) – Energy Market, Energy Commission</i> Discussants: • Marlinda Mohd Rosli, <i>Director – Economic Regulation and Consumer Policy, Energy Commission</i> • Lynne Gallagher, <i>Board Member, Australian Energy Regulator (AER)</i> • Phuwanart Choonhapran, <i>Assistant Secretary General, Energy Regulatory Commission, Thailand</i> • Energy Market Authority (EMA), Singapore (TBC) • Energy Regulatory Commission (ERC) Philippines (TBC)	• Identify challenges in accommodating consumer needs under electricity markets. • Share regional experiences to strengthen Malaysia's tariff design. • Balance the CAPEX management between industry and consumers.
TRACK 1				

AGENDA : DAY 1

TIME	SESSION	LOCATION	SPEAKER (S)	HIGHLIGHTS
2.30pm – 3.45pm	Insight Dialogue 2 – Building Malaysia's Future Gas Infrastructure	Grand Congress	Interlocutor : Mohd Azhan Ismail, Deputy Director (Section Head) – Gas Network Investment, Energy Commission Discussants: • Wan Khairul Nizamm Wan Kassim, Head of Business Development and Commercial, PETRONAS Gas Berhad • Parth Jindal, Senior Vice President and Global Head of LNG, VTTI Asia Pte Ltd • Muhammad Azzam Mohd Yani, Head, Commercial & Stakeholder Management, Gas Malaysia Distribution Sdn. Bhd.	• Identify the needs for gas infrastructure and potential investment • Highlight the roles of policymakers, regulators and industry players.
TRACK 2				
2.30pm – 3.45pm	Insight Dialogue 3 – Building Malaysia's Future Energy Grid	Grand Forum	Interlocutor : Mohd Najib Mohd Shah, Deputy Director – Regulatory Markets and Planning, Energy Commission Discussants: • Ir. Norhasbi Abdul Wahab, Head of Grid Planning, Tenaga Nasional Berhad (TNB) Grid Division • Rofidah Mohamad, Chief Engineer (Grid Security Management), Grid System Operator (GSO) Malaysia • Ir. Ts. Ahmad Farid Jamil, Head (PMO), Distribution Network Division, TNB Distribution Network • Mohd Khairun Nizam Sarmin, Grid Integration Expert, Huawei Digital Power	• Explore technical solutions for a modern and resilient grid. • Share practical experiences in grid transformation.
TRACK 3				
3.45pm – 4.30pm	• Day 1 Closing • Day 2 Overview	Grand Ballroom	Deputy CEO of Economic, Markets and Planning, Energy Commission (TBC)	• Consolidate strategic insights from Day 1. • Highlight priorities for Day 2 discussions.
4.30pm – 5.00pm	Networking & Refreshments	Foyer
