ALLERTON LEAGUE DOMINANCE

Victoria overwhelms Greater Durban Golf Club

Victoria Country Club's Allerton League team produced a masterclass in team golf on Sunday, 19 July, delivering a commanding $11\frac{1}{2}$ to $\frac{1}{2}$ victory over Greater Durban Golf Club right here at home.

From the first tee to the final putt, our boys were unmatched, unparalleled and utterly dominant. Every match, every point and every moment reflected preparation, focus and sheer determination.

The team's performance was a true display of skill, composure and teamwork – a result that speaks volumes of the hard work being put in both on and off the course.

A special mention goes to Jason Perumal, who produced the performance of the day with a remarkable 9-0 victory over his opponent. An outstanding achievement and a true testament to his form, concentration and class.

The atmosphere on the course was electric, and the support from our members helped drive the team to an emphatic and well-deserved win.

Well played, gentlemen!

JASON PERUMAL

On behalf of the Board of Management and everyone at Victoria Country Club,
we congratulate the entire Allerton League team on this emphatic and outstanding victory.

We are so proud of your achievement!

UPGRADES ON HOLE 13

DRAINAGE PROJECT COMPLETE

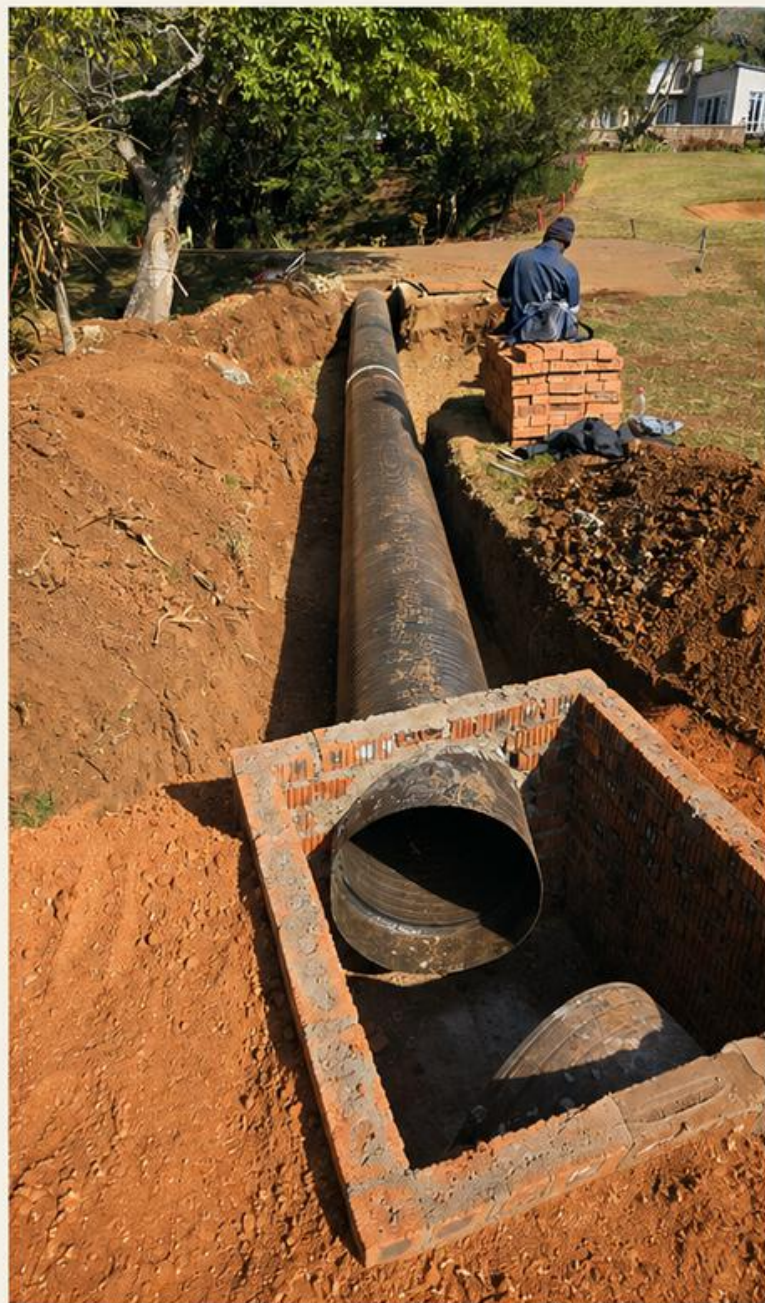

We are pleased to announce that the drainage upgrade on the 13th hole has now been successfully completed.

The drainage pipe has been installed, brickwork completed and the area reinstated. The fairway is almost back to normal and recovering well.

This important project will ensure that the 13th hole is far better equipped to handle heavy rainfall and will no longer flood when the rains arrive. It was a necessary investment in the long-term protection and playability of the course.

We appreciate that the work took longer than originally expected, but we thank our members and guests for their patience and understanding during this time.

We hope you enjoy your golf on the 13th hole and the improved conditions ahead.

**A sincere thank you to all our members and guests
for your patience and support during this project.**

Your understanding allows us to continue enhancing the course
and ensuring the best possible golfing experience for everyone.

ACCURATE AFTER BLU LABEL UNLIMITED SERIES 4

Victoria Country Club's own Luke Truter continues to set the standard on South Africa's premier development circuit.

Following the Blu Label Unlimited Series 4 at Waterkloof Golf Club, Luke has successfully retained his position at the top of the Blu Label Unlimited Tour Order of Merit with 512.93 points, holding a narrow lead after another consistent and competitive series of golf.

The Blu Label Unlimited Tour is recognised as South Africa's leading development platform, showcasing the country's top amateur talent and providing a vital stepping stone to professional golf.

Luke's dedication, hard work and composure under pressure have seen him deliver results week after week. His ability to perform against a strong field is a testament to his growing experience and the bright future that lies ahead.

Everyone at Victoria Country Club is incredibly proud of Luke's achievements and the manner in which he represents our club on the national stage.

We wish Luke every success as he continues his campaign for Order of Merit honours and future victories on the Blu Label Unlimited Tour.

*Congratulations Luke on another outstanding milestone.
We are so proud to see you leading the way.
Well done, and keep flying the flag for Victoria Country Club!*

CUSTOM FITTING

IS COMING TO

Victoria Country Club

Experience equipment built around
your swing – not the other way around.

WHAT IS CUSTOM FITTING?

A custom fitting is a professional assessment where Callaway experts analyse your swing using advanced launch monitor technology to recommend the ideal combination of clubs and shafts for your game.

CLUBHEAD DESIGN	SHAFT TYPE & FLEX	LOFT & LIE ANGLE	CLUB LENGTH	GRIP SIZE
--------------------	----------------------	---------------------	----------------	--------------

The goal is simple – to help every golfer play with equipment that performs **optimally for their swing**, not standard, off-the-shelf clubs.

WHY DOES IT MATTER?

Properly fitted clubs can deliver:

- ✓ **MORE DISTANCE** Optimised launch and spin for maximum yards.
- ✓ **BETTER ACCURACY** Tighter dispersion and more fairways hit.
- ✓ **IMPROVED CONSISTENCY** More solid contact and repeatable performance.
- ✓ **INCREASED CONFIDENCE** Play your best knowing your clubs fit your game.
